6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** G.S. 122C-255 reads as rewritten:

8 **"§ 122C-255. Report required.**

9 (a) Each 24-hour facility that (i) falls under the category of nonhospital medical
10 detoxification, facility-based crisis service, or inpatient hospital treatment, (ii) is not a State
11 facility under the jurisdiction of the Secretary of Health and Human Services, and (iii) is
12 designated by the Secretary of Health and Human Services as a facility for the custody and
13 treatment of individuals under a petition of involuntary commitment pursuant to G.S. 122C-252
14 and 10A NCAC 26C.0101 shall submit a written report on involuntary commitments each
15 January 1 and each July 1 to the Department of Health and Human Services, Division of Mental
16 Health, Developmental Disabilities, and Substance Abuse Services. The report shall include all
17 of the following:

- 18 (1) The number and primary presenting conditions of individuals receiving
19 treatment from the facility under a petition of involuntary commitment.
- 20 (2) The number of individuals for whom an involuntary commitment proceeding
21 was initiated at the facility, who were referred to a different facility or
22 program.
- 23 (3) The reason for referring the individuals described in subdivision (2) of this
24 section to a different facility or program, including the need for more intensive
25 medical supervision.

26 (b) Each area facility and each acute care or general hospital licensed under Chapter 131E
27 of the General Statutes that performs a first examination for commitment required under Parts 7
28 and 8 of this Article shall submit a written report on involuntary commitments to the LME/MCO
29 that serves the county in which the facility or hospital is located. The report shall be due each
30 August 1, for the six-month period beginning January 1 and ending June 30, and each February
31 1, for the six-month period beginning July 1 and ending December 31. These reports shall contain
32 all of the following information:

- 33 (1) The number of individuals presented to the area facility or hospital for a first
34 commitment examination under a custody and transportation order issued by
35 a clerk or magistrate, and for this category of individuals all of the following:

* D R H 4 0 3 7 7 - M G - 1 3 5 A *

- 1 a. The number of individuals who were found to meet the criteria for
2 inpatient commitment upon first examination.
- 3 b. Of the number determined in sub-subdivision a. of this subdivision,
4 the number of individuals recommended for outpatient commitment
5 and the average and median length of stay for the individuals
6 comprising this group.
- 7 (2) The number of respondents who initially presented voluntarily and for whom
8 commitment examiners submitted petitions for commitment to the magistrate
9 or clerk of court, and for this category of respondents the number of custody
10 orders issued by the magistrate or clerk for transport to a 24-hour facility based
11 upon a finding of inpatient commitment:
- 12 a. Of the number determined in sub-subdivision a. of this subdivision,
13 the number of individuals who were ultimately transported to a
14 24-hour facility for a second examination and the average and median
15 length of stay before transport for this number.
- 16 b. The number of individuals who were discharged and their
17 commitment proceedings terminated at the site of first examination,
18 either because a second examination resulted in a determination that
19 they no longer met the criteria for commitment or their custody order
20 expired after seven days, and the median and average length of stay
21 before discharge for this number.
- 22 c. The number of individuals released based on a petition to the clerk or
23 magistrate for outpatient commitment, and the median and average
24 length of stay for this number.
- 25 (3) For individuals transported to the area facility or hospital and presented for
26 the first commitment examination under a custody and transportation order
27 issued by a clerk or magistrate, all of the following information:
- 28 a. Whether the transporting person used force to take the individual into
29 custody or used physical restraint when transporting the individual to
30 the facility.
- 31 b. The type of restraint used, if any, and the transporting person's
32 proffered reason for using restraint, including a description of the
33 respondent's apparent mental state and behavior when taking the
34 respondent into custody and during transportation.
- 35 c. Whether the use of force or restraint resulted in bodily injury requiring
36 medical care.
- 37 d. Whether the officer or other person designated to provide
38 transportation remained with the respondent and continued to maintain
39 custody at the facility or left the facility's premises based on an
40 assessment that appropriate supervision was available at the facility.
- 41 (c) The data collected by an area facility or hospital and reported to the LME/MCO
42 pursuant to subsection (b) of this section are confidential and not public records as defined by
43 G.S. 132-1.
- 44 (d) Each LME/MCO shall aggregate all data received pursuant to subsection (c) of this
45 section by local area or county, and related data from the Administrative Office of the Courts, in
46 a manner that does not identify specific facilities or hospitals by reference to their own reported
47 data. The LME/MCO shall report this aggregated data to (i) each of the facilities and hospitals
48 within its service area that is participating in the collection and reporting of data as required under
49 subsection (c) of this section and (ii) the Division of Mental Health, Developmental Disabilities,
50 and Substance Abuse Services within the Department. Notwithstanding the confidential nature
51 of the data collected under subsection (c) of this section, the aggregated data prepared by an

1 LME/MCO pursuant to this subsection are public records as defined by G.S. 132-1, as long as
2 the aggregated data do not identify specific facilities or hospitals by reference to their own
3 reported data."

4 **SECTION 2.** This act becomes effective January 1, 2022.
