29 sick time.

30 (b) Paid sick time as provided in this section shall begin to accrue at the commencement
31 of employment. Paid sick time shall accrue at the rate of one hour of pay for every 30 hours
32 worked. Paid sick time may be used as accrued, or be loaned by the employer at its discretion, to
33 the employee in advance of accrual. Unless the employer and employee agree to designate
34 otherwise, for periods of paid sick time that are less than a normal workday, the time shall be
35 counted on an hourly basis or the smallest increment that the employer's payroll system uses to
36 account for absences or use of leave.

37 (c) For employees of small businesses, there shall be a limit of 32 hours of accrued paid
38 time in a calendar year. For employees of other employers, there shall be a limit of 56 hours of
39 accrued paid sick time in a calendar year. Accrued paid sick time for employees carries over from

43 used shall be reinstated. The employee shall be entitled to use accrued paid sick time and accrue
44 additional sick time at the recommencement of employment.

45 **"§ 95-31.5. Use of paid sick time.**

46 (a) Paid sick time shall be provided to an employee by an employer for any of the
47 following reasons:

48 (1) To care for the employee's immediate family member who is suffering from a
49 physical or mental illness, injury, or medical condition that requires home
50 care, professional medical diagnosis or care, preventative medical care, or a
51 routine medical appointment, unless the care is covered under federal law.

1 (2) To care for the employee's own physical or mental illness, injury, or medical
2 condition that requires home care, professional medical diagnosis or care,
3 preventative medical care, or a routine medical appointment, unless the care
4 is covered under federal law.

5 (3) To allow an employee to address the psychological, physical, or legal effects
6 on himself or herself or an immediate family member of domestic violence,
7 sexual assault, or stalking.

8 (b) An employer may require certification of the qualifying illness, injury, health
9 condition, or violence when a paid sick time period covers more than three consecutive workdays.
10 Any reasonable documentation signed by a health care provider involved in following or treating
11 the illness, injury, or health condition and indicating the need for the amount of sick days taken
12 shall be deemed acceptable certification. Acceptable certification of domestic violence, sexual
13 assault, or stalking may include (i) law enforcement, court, or federal agency records or files, (ii)
14 documentation from a domestic violence or sexual assault program, or (iii) documentation from
15 a religious, medical, or other professional from whom assistance was sought in dealing with the
16 alleged domestic violence, sexual offense, or stalking.

17 (1) The employer shall not require certification from a health care provider
18 employed by the employer. The employer shall not delay the commencement
19 of time taken for purposes of subsection (a) of this section or pay for this
20 period on the basis that the employer has not yet received the certification.
21 Nothing in this section shall be construed to require an employee to provide
22 as certification any information from a health care provider that would be in
23 violation of section 1177 of the Social Security Act or the regulations
24 promulgated pursuant to section 264(c) of the Health Insurance Portability and
25 Accountability Act, 42 U.S.C. § 1320d-2.

26 (2) An employer may not require disclosure of details relating to domestic
27 violence, sexual assault, or stalking or the details of an employee's medical
28 condition as a condition of providing paid sick time under this Article. If an
29 employer possesses health information or information pertaining to domestic
30 violence, sexual assault, or stalking about an employee or employee's
31 immediate family member, such information shall be treated as confidential
32 and not disclosed except to the affected employee or with the permission of
33 the affected employee.

34 (c) When the use of sick time is foreseeable, the employee shall make a good-faith effort
35 to provide notice of the need for such time to the employer in advance of the use of the sick time
36 and shall make a reasonable effort to schedule the use of sick time in a manner that does not
37 unduly disrupt the operations of the employer.

38 (d) An employer may not require, as a condition of providing sick time under this act,
39 that the employee search for or find a replacement worker to cover the hours during which the
40 employee is on paid sick time.

41 (e) Nothing in this section shall be construed as requiring financial or other
42 reimbursement to an employee from an employer upon the employee's termination, resignation,
43 retirement, or other separation from employment for accrued paid sick days that have not been
44 used.

45 (f) Nothing in this section shall be construed to discourage employers from adopting or
46 retaining paid sick time policies more generous than policies that comply with the requirements
47 of this section, and nothing in this section shall be construed to diminish the obligation of an
48 employer to comply with any contract, collective bargaining agreement, or any employment
49 benefit program or plan that provides greater sick time leave rights to employees than the rights
50 established under this section.

1 (g) This Article provides minimum requirements pertaining to paid sick time and shall
2 not be construed to preempt, limit, or otherwise affect the applicability of any other law,
3 regulation, requirement, policy, agreement, or standard that provides for greater accrual or use
4 by employees of sick time, whether paid or unpaid, or that extends other protections to
5 employees.

6 (h) Employers who have a paid time-off leave policy are not required to modify that
7 policy, if that policy offers an employee the option, at the employee's discretion, to take paid sick
8 time that is at least equivalent to the amounts and for the same purposes and under the same
9 conditions as provided under this section.

10 **"§ 95-31.6. Notification, posting, and records.**

11 Employers shall give notice that employees are entitled to paid sick time, the amount of paid
12 sick time and the terms of its use guaranteed under this section, that retaliation against employees
13 who request or use paid sick time is prohibited, and that each employee has the right to file a
14 complaint with the Commissioner of Labor or in the General Court of Justice if sick time as
15 required by this Article is denied by the employer or the employee is retaliated against for
16 requesting or taking paid sick time. Employers may comply with this section by supplying each
17 of their employees with a notice in English and Spanish that contains the information required
18 by this section or by displaying a poster in a conspicuous and accessible place in each
19 establishment where the employees are employed, which contains in English and Spanish all
20 information required by this section.

21 **"§ 95-31.7. Enforcement.**

22 (a) The Commissioner shall enforce and administer the provisions of this Article, and the
23 Commissioner or his or her authorized representative is empowered to hold hearings and to
24 institute civil proceedings hereunder.

25 (b) The Commissioner or the Commissioner's authorized representative shall have the
26 power to administer oaths and examine witnesses; issue subpoenas; compel the attendance of
27 witnesses and the production of papers, books, accounts, records, payrolls, and documents; and
28 take depositions and affidavits in any proceeding hereunder.

29 (c) Any employer who violates the provisions of this Article shall be liable to the
30 employee or employees affected in the amount of their unpaid sick time as the case may be, plus
31 interest at the legal rate set forth in G.S. 24-1 from the date each amount first came due.

32 (d) In addition to the amounts awarded pursuant to subsection (c) of this section, the court
33 shall award liquidated damages in an amount equal to the amount found to be due as provided in
34 subsection (c) of this section, provided that if the employer shows to the satisfaction of the court
35 that the act or omission constituting the violation was in good faith and that the employer had
36 reasonable grounds for believing that the act or omission was not a violation of this Article, the
37 court may, in its discretion, award no liquidated damages or may award any amount of liquidated
38 damages not exceeding the amount found due as provided in subsection (c) of this section.

39 (e) Action to recover such liability may be maintained in the General Court of Justice by
40 any one or more employees.

41 (f) The court, in any action brought under this Article, may, in addition to any judgment
42 awarded to the plaintiff, order costs and fees of the action and reasonable attorneys' fees to be
43 paid by the defendant. The court may order costs and fees of the action and reasonable attorneys'
44 fees to be paid by the plaintiff if the court determines that the action was frivolous.

45 (g) The Commissioner is authorized to determine and supervise the payment of the
46 amounts due under this section, including interest at the legal rate set forth in G.S. 24-1 from the
47 date each amount first came due, and the agreement to accept such amounts by the employee
48 shall constitute a waiver of the employee's right to bring an action under subsection (e) of this
49 section.

50 (h) Actions under this Article must be brought within two years pursuant to G.S. 1-53.

1 (i) The rights and remedies created by this Article are supplementary to all existing
2 common law and statutory rights and remedies.

3 **"§ 95-31.8. Rules.**

4 The Commissioner of Labor shall adopt rules to implement this Article.

5 **"§ 95-31.9. Severability.**

6 The provisions of this Article are severable. If any phrase, clause, sentence, or provision is
7 declared to be invalid or is preempted by federal law or regulation, the validity of the remainder
8 of this Article shall not be affected thereby."

9 **SECTION 1.3.(b)** G.S. 95-241(a) reads as rewritten:

10 "(a) No person shall discriminate or take any retaliatory action against an employee
11 because the employee in good faith does or threatens to do any of the following:

38 **SECTION 1.5.(e)** Article 2A of Chapter 95 of the General Statutes is amended by
39 adding a new section to read:

40 "**§ 95-25.23D. Wage claims; liens; collections.**

41 (a) For the purposes of wage claims and collections under this Article, an employee is
42 entitled to a lien upon:

43 (1) All property of the employer, real or personal, located in this State; and

44 (2) All property upon which the employee has performed work at the instance of
45 the owner or of any person acting by the employer's authority or under him or
46 her as contractor or otherwise, for the full amount of the wages and any
47 statutory penalties owed.

48 (b) Both a wage claim and an action to enforce a lien under this section may be brought
49 by the employee individually or by the Commissioner or any representative of the employee on
50 behalf of the employee, including collective bargaining representatives.

1 (c) If no lien has been recorded at the time the employee files his or her complaint with
2 the Commissioner, the Commissioner shall record and provide notice of the lien on behalf of the
3 employee.

4 (d) Any number of wage claims or wage deficiencies against the same employer may be
5 joined in a single proceeding, but the court may order separate trials or hearings. If the proceeds
6 of the sale of the property subject to a lien are insufficient to pay all the claimants, whether or
7 not such claims have been joined together, the court shall order the claimants to be paid in
8 proportion to the amount due each claimant.

9 (e) An employee's lien upon personal property shall be limited to such property as can be
10 made subject to a security interest under the Commercial Code by the filing of a financing
11 statement.

12 (f) In order to enforce a lien under this section upon real property, a claim of lien must
13 be recorded with the county recorder in the county where the property is located, as follows:

14 (1) The claim shall include all of the applicable information set forth under
15 G.S. 44A-12.

16 (2) The notice of lien shall be served on the property owner in the manner
17 prescribed by G.S. 44A-11.

18 A lien under this section is perfected as soon as notice is provided as required by this
19 subsection.

20 (g) In order to enforce a lien under this section upon personal property, the
21 Commissioner, employee representative, or employee shall file the notice of the lien in the office
22 of the Secretary of State and serve a copy of the notice by personal service to the employer in the
23 same manner as a summons or by mail. The office of the Secretary of State shall place the notice
24 of the lien in the same file as the financing statements pursuant to G.S. 25-9-310. The notice shall
25 specify the nature and amount of the claim, describe the property on which the lien is made, and
26 state that the person filing the notice claims a lien on that property.

27 (h) The lien may be filed at any time prior to the expiration of the statute of limitations
28 for a wage claim on the same wages pursuant to G.S. 95-25.22(f).

29 (i) Mistakes or errors in the claimed amount owed shall not invalidate the lien unless
30 made with the intent to defraud.

31 (j) If a lien is recorded pursuant to subsection (f) of this section and an action to recover
32 unpaid wages has been filed, then that action shall also be deemed an action to foreclose upon
33 any property subject to the recorded lien. In the judgment resulting from such an action, the court
34 may order the sale at sheriff's auction or the transfer to the plaintiff of title or possession of any
35 property subject to the lien. Whether or not the court makes such an order as part of the judgment,
36 a writ of sale may be issued for any property subject to the lien at any point after a judgment for
37 unpaid wages is issued.

38 (k) If judgment is entered in favor of the employer in an action for unpaid wages or if the
39 case is dismissed with prejudice, the lien shall be extinguished upon expiration of the applicable
40 appeals period if no appeal is filed. If an appeal is filed, the lien shall continue in force until all
41 issues on appeal have been decided.

42 (l) If an action to recover the wages is not brought within one year of the filing of the
43 lien, the lien created by this section shall be extinguished.

44 (m) A lien recorded pursuant to subsection (f) of this section takes precedence over all
45 other debts, judgments, decrees, liens, or mortgages against the employer, regardless as to
46 whether these debts, judgments, decrees, liens, or mortgages originate before or after the wage
47 lien, and regardless of whether these debts, judgments, decrees, liens, or mortgages were
48 perfected prior to the wage lien. An employee's lien is effective against the employer, the estate
49 of the employer, or a subsequent bona fide purchaser of the property subject to the employee's
50 lien.

(n) The employee, the Commissioner, or the employee's representative, as assignee of the employee, is entitled to court costs and reasonable attorneys' fees for filing a successful action to foreclose a lien pursuant to this section."

SECTION 1.5.(f) This section is effective when this act becomes law and applies to employers and employees on or after that date.

22 **"§ 126-8.6. Mandatory State operations; mandatory employees; hazard pay requirements.**

23 (a) Definitions. – The following definitions apply in this section:

- 24 (1) Epidemic. – A disease occurring suddenly in a community, region, or country
25 in numbers clearly in excess of normal. This includes the occurrence of several
26 cases of a disease associated with a common source.
- 27 (2) High-risk employees. – Employees in a certain age group or who have serious
28 underlying medical conditions and might be at higher risk for severe illness
29 from a communicable disease as identified by the federal Centers for
30 Communicable Diseases or the Division of Public Health of the North
31 Carolina Department of Human Services.
- 32 (3) Isolation. – A control measure issued by a local health director or the State
33 Health Director under G.S. 130A-145 limiting the movement or action of
34 persons or animals infected or reasonably suspected to be infected with a
35 communicable disease or condition for the period of communicability to
36 prevent the spread of the communicable disease or condition, as described in
37 G.S. 130A-2(3a).
- 38 (4) Mandatory employee. – An employee with a permanent, probationary, or
39 time-limited appointment who is required to report to a designated work site
40 (particularly when all other employees are restricted from coming into the
41 workplace), other than their personal residence, and only for those specific
42 dates and times that such onsite reporting is required during a public health
43 emergency. Mandatory employees include, but are not limited to, employees
44 in positions that directly impact the (i) public health and patient care, (ii)
45 public safety, (iii) operation of critical infrastructure and facilities, (iv)
46 operation and safety of sensitive research labs and ongoing care for research
47 animals, and (v) custody or care of persons or property for whom the State has
48 a duty to continue to serve. Mandatory employees may also be referred to as
49 "essential employees."
- 50 (5) Pandemic. – The worldwide spread of an infectious/communicable disease
51 affecting a large number of people.

1 (6) Quarantine. – A control measure issued by a local health director or the State
2 Health Director under G.S. 130A-145 limiting the movement or action of
3 persons or animals who have been exposed to or are reasonably suspected of
4 having been exposed to a communicable disease or condition for the period of
5 time necessary to prevent the spread of the communicable disease or
6 condition, as described in G.S. 130A-2(7a).

7 (7) Social distancing. – Actions taken to reduce the opportunities for close contact
8 between people in order to limit the spread of a communicable disease.

9 (8) State agency or agency. – The legislative, executive, and judicial branches of
10 State government and the respective departments, divisions, and other units
11 thereof. The term includes The University of North Carolina.

12 (b) Findings and Policy. – Notwithstanding the existence of a communicable disease
13 epidemic or pandemic in this State, the mandatory essential functions of government must
14 continue, even if isolation, quarantine, and social distancing are public health control measures
15 that may be required to protect the public health. Certain State employees are essential such that
16 their continued presence in the workplace may be required in a situation. It is the policy of this
17 State to provide mandatory State employees with (i) the most effective equipment and measures
18 to protect their health in the workplace and (ii) hazard pay to compensate them for their continued
19 service during an epidemic or pandemic.

20 (c) Agency Responsibilities. – It is the responsibility of the head of each State agency to
21 consult with local, State, and federal public health officials to assess the severity of the individual
22 situation and to determine what actions shall be taken (including the closure of the agency or
23 university, by facility or location). Each State agency shall:

24 (1) Comply with and adhere to any control measures, other orders, or instructions
25 from federal, State, and local public health agencies to prevent transmission
26 of a communicable disease.

27 (2) Require that agency management and employees follow public health
28 guidelines.

29 (3) Immediately inform agency management and other employees, and the local
30 health department, of any evidence in the workplace of a communicable
31 disease that could seriously endanger the health of employees and others.

32 (d) Mandatory Operations. – In order to continue essential State government functions,
33 the head of each State agency shall predetermine and designate mandatory operations and
34 designate the mandatory employees to staff the operations even when isolation, quarantine, and
35 social distancing are public health control measures that may be required to protect the public
36 health during a communicable disease pandemic or epidemic.

37 (e) Mandatory Employees. – A mandatory employee may be required to work during a
38 pandemic or epidemic in order to maintain mandatory operations. A mandatory employee may
39 be excused from work if the employee is:

40 (1) A high-risk employee;

41 (2) Isolated, quarantined, ill, or subject to other public health control measures;
42 or

43 (3) Required to care for a member of the employee's immediate family who is
44 isolated, quarantined, or ill or who requires the employee's care due to the
45 closure of a public or private school, a day care center, or an elder care facility.

46 Based on an agency's operational needs, a supervisor may excuse a mandatory employee if
47 the employee is a parent (or guardian) who is required to stay home with underage children
48 because of the closure of a day care facility, public or private school, or elder care facility.

49 If operational needs change, a mandatory employee may be required to return to work, but
50 only for documented compelling reasons that will not jeopardize the health and safety of the
51 mandatory employee. Management's discretion or convenience is not a compelling reason when

1 the employee has been advised by a health care provider to quarantine due to exposure to a
2 communicable disease. The advice to quarantine must be documented and based upon the health
3 care provider's belief that the employee has the communicable disease, may have been exposed
4 to the communicable disease, or is particularly vulnerable to the communicable disease.

5 Each State agency shall maintain a list of mandatory employees by position, including current
6 employee name and contact information. The agency head shall develop an alternative plan for
7 personnel in case the designated personnel are unable to work. Alternative workers may include
8 current employees who are not designated as mandatory but who possess the skills to fill in for
9 mandatory employees, retirees, contract workers, or other temporary employees. Employees
10 designated as mandatory personnel shall be notified of such designation and the requirement to
11 report for, or remain at, work in emergency situations.

12 If mandatory personnel are required to remain at the work site for an extended period of time,
13 the agency or university must provide adequate housing and food. If an employee remains on the
14 employer's premises for 24 hours a day, the employee shall be eligible for extra hazard duty pay
15 as appropriate and may be entitled to receive pay for all those hours depending on the situation.
16 Employees shall have a normal night's sleep and ample eating time, and this time is not
17 considered as hours worked. At a minimum, the sleep allowance is for eight hours of sleep, and
18 the meal period is for three hours.

19 (f) Hazard Pay/Compensatory Time. – When an agency is closed or when management
20 determines that only mandatory employees are required to report to a specific work site
21 (particularly when all other employees are restricted from coming into the workplace), the
22 mandatory employees shall be granted hazard pay of at least 1.5 or an equivalent ratio in
23 compensatory time for hours worked onsite up to 40 hours in a workweek. It is the agency head's
24 discretion to determine any other appropriate compensation options based on the availability of
25 funds, operational needs of the agency, and in consideration of the duties being performed.
26 Compensatory time must be used within 24 months of it being awarded, or it will expire.
27 Agencies shall make every effort to give employees the opportunity to take this time off.
28 Compensatory time earned during a public health emergency is not paid out at expiration or upon
29 separation and does not transfer to another State agency. This provision applies to all designated
30 mandatory employees, both exempt and nonexempt, under the Fair Labor Standards Act (FLSA).

31 (g) Discipline and Appeals. – Individuals designated as mandatory employees may be
32 subject to disciplinary action, up to and including termination of employment, for willful failure
33 to report for or remain at work. Each situation will be reviewed on a case-by-case basis to
34 determine appropriate action. A mandatory employee may appeal the denial of an exemption,
35 any disciplinary action under this section, or both, pursuant to G.S. 126-34.02.

36 (h) Applicability. – This section applies to all State employees, whether or not they are
37 exempt or nonexempt from the provisions of this Chapter."

38 **SECTION 5.1.(b)** G.S. 126-34.02(b) is amended by adding a new subdivision to
39 read:

40 "(b) The following issues may be heard as contested cases after completion of the agency
41 grievance procedure and the Office of State Human Resources review:

42 ...

43 (7) Treatment of mandatory employees. – A mandatory employee may appeal the
44 denial of an exemption, the adequacy of the amount of hazard pay, and any
45 disciplinary action under G.S. 126-8.6."

46 **SECTION 5.1.(c)** G.S. 126-8 reads as rewritten:

47 **"§ 126-8. Minimum leave granted State employees.**

48 The Except as otherwise authorized by G.S. 126-8.6(f), the amount of vacation leave granted
49 to each full-time State employee subject to the provisions of this Chapter shall be determined in
50 accordance with a graduated scale established by the State Human Resources Commission which
51 shall allow the equivalent rate of not less than two weeks' vacation per calendar year, prorated

1 monthly, cumulative to at least 30 days. On December 31 of each year, any State employee who
2 has vacation leave in excess of the allowed accumulation shall have that leave converted to sick
3 leave. Sick leave allowed as needed to such State employees shall be at a rate not less than 10
4 days for each calendar year, cumulative from year to year. Notwithstanding any other provisions
5 of this section, no full-time State employee subject to the provisions of Chapter 126, as the same
6 appears in the Cumulative Supplement to Volume 3B of the General Statutes, on May 23, 1973,
7 shall be allowed less than the equivalent of three weeks' vacation per calendar year, cumulative
8 to at least 30 days."
9

10 **LEGISLATIVE RESEARCH COMMISSION/STUDY HAZARD PAY**

11 **SECTION 5.2.** The Legislative Research Commission shall study the practices of
12 local governmental and private employers in this State regarding hazard pay for their employees
13 and report its findings and any legislative proposals to the 2022 Regular Session of the 2021
14 General Assembly upon its convening.
