10 ~~tetrahydrocannabinol by weight.~~

11 (2) ~~Is composed of at least five percent (5%) cannabidiol by weight.~~

12 (3) ~~Contains no other psychoactive substance.~~

13 (a1) As used in this section, "cannabis" has the same meaning as "marijuana" in  
14 G.S. 90-87.

15 (b) Notwithstanding any other provision of this Chapter, an individual may possess or  
16 use hemp extract, cannabis and is not subject to the penalties described in this Chapter, if the  
17 individual satisfies all of the following criteria:

18 (1) Possesses or uses the hemp extract only cannabis to treat intractable epilepsy,  
19 as defined in G.S. 90-113.101, one or more medical conditions if the quantity  
20 of usable cannabis possessed does not exceed an adequate supply, as  
21 determined by the patient's physician.

22 (2) Possesses, in close proximity to the hemp extract, a certificate of analysis that  
23 indicates the hemp extract's ingredients, including its percentages of  
24 tetrahydrocannabinol and cannabidiol by weight, cannabis a written  
25 certification, as defined in G.S. 90-113.101.

26 (3) Is a caregiver, as defined in G.S. 90-113.101.

27 (c) Notwithstanding any other provision of this Chapter, an individual who possesses  
28 hemp extract cannabis lawfully under this section may administer hemp extract cannabis to  
29 another person under the individual's care and is not subject to the penalties described in this  
30 Chapter for administering the hemp extract cannabis to the person if the individual is the person's  
31 caregiver, as defined in G.S. 90-113.101.

32 (d) Any individual who possesses or uses hemp extract, cannabis, as defined under this  
33 section, shall dispose of all residual oil from the extract any unused portions at a secure collection  
34 box managed by a law enforcement agency. No criminal penalty shall attach for any violation of  
35 this subsection."

36 **SECTION 2.** Article 5G of Chapter 90 of the General Statutes reads as rewritten:

"Article 5G.

~~"Epilepsy-Cannabis~~ Alternative Treatment Act.

**"§ 90-113.100. (Repealed effective July 1, 2021) Short title.**

(a) This act may be cited as the "North Carolina ~~Epilepsy-Cannabis~~ Alternative Treatment Act."

(b) The purpose of this act is to permit the use of ~~hemp-extract-cannabis~~ as an alternative treatment for ~~intractable-epilepsy-medical conditions~~.

(c) The General Assembly ~~finds that there are children~~ makes the following findings:

(1) There are individuals in this State suffering from intractable-epilepsy-medical conditions for which currently available treatment options have been ineffective. Hemp-extract ineffective.

(2) The available treatment options for many medical conditions have side effects with greater risks than cannabis or the treatment options can be improved when combined with cannabis.

(3) Cannabis shows promise in treating children with intractable epilepsy-individuals for a variety of medical conditions.

**"§ 90-113.101. (Repealed effective July 1, 2021) Definitions.**

The following definitions apply in this Article:

(10) Physician. – A person licensed under Article 1 of Chapter 90 of the General Statutes who is in good standing to practice medicine in this State.

(11) Written certification. – A statement in a patient's medical records or a statement signed by a physician with whom the patient has a bona fide physician patient relationship indicating that, in the physician's professional opinion, the patient has a medical condition and the potential health benefits

1                   of the medical use of cannabis would likely outweigh the health risks for the  
2                   patient.

3 **"§ 90-113.102. (Repealed effective July 1, 2021) Intractable Epilepsy Cannabis Alternative**  
4 **Treatment database; departmental duties.**

5       (a) The Department shall create a secure and electronic ~~Intractable Epilepsy Cannabis~~  
6 ~~Alternative Treatment~~ database registry for the registration of ~~neurologists, physicians,~~  
7 caregivers, and patients as provided by this Article. All caregivers shall be required to register  
8 with the Department. Law enforcement agencies are authorized to contact the Department to  
9 confirm a caregiver's registration. The database shall consist of the following information to be  
10 provided by the caregivers at the time of registration:

- 11           (1) The name and address of the caregiver.  
12           (2) The name and address of the caregiver's patient.  
13           (3) Repealed by Session Laws 2015-154, s. 4, effective July 16, 2015.  
14           (4) The name, address, and hospital affiliation of the ~~neurologist-physician~~  
15 recommending ~~hemp extract cannabis~~ as an alternative treatment for  
16 ~~intractable epilepsy for the patient.~~ a patient's medical condition.

17       (b) Repealed by Session Laws 2015-154, s. 4, effective July 16, 2015.

18       (c) If at any time following registration, the name, address, or hospital affiliation of the  
19 patient's ~~neurologist-physician~~ changes, the caregiver shall notify the Department and provide  
20 the Department with the name, address, and hospital affiliation of the patient's new  
21 ~~neurologist's name, address, and hospital affiliation.~~ physician.

39 G.S. 9-113.102.

40 **"§ 90-113.105.5. North Carolina Cannabis Research Program.**

41       (a) It is the intent of the General Assembly that any physician who issues a written  
42 certification to a patient be permitted to participate in objective scientific research with persons  
43 registered under G.S. 90-113.102 regarding the administration of cannabis as part of medical  
44 treatment.

45       (b) The scientific research conducted under this Article may involve the development of  
46 quality control, purity, and labeling standards for cannabis; sound advice and recommendations  
47 on the best practices for the safe and efficient medical use of cannabis; and analysis of genetic  
48 and healing properties of the many varied strains of cannabis to determine which strains may be  
49 best suited for a particular medical condition or treatment.

50       (c) A physician or person registered to conduct research under G.S. 90-113.102 shall not  
51 be subject to arrest or prosecution, or penalized in any manner, or denied any right or privilege

1 for recommending the medical use of cannabis or providing written certification for the medical  
2 use of cannabis pursuant to this section.  
3 ...."

4           **SECTION 3.** The provisions of this act are severable. If any provision of this act is  
5 held invalid by a court of competent jurisdiction, the invalidity shall not affect other provisions  
6 of this act which can be given effect without the invalid provision.

7           **SECTION 4.** This act becomes effective July 1, 2021, and applies to offenses  
8 committed on or after that date.
