50 taxable year beginning during the calendar year in which the application for the credit becomes  
51 effective as provided in subsection (c) of this section.

1 Each individual who is an owner of a pass-through entity is allowed as a credit against the  
2 tax imposed by Part 2 of this Article for the taxable year an amount equal to the owner's allocated  
3 share of the credits for which the pass-through entity is eligible under this subsection. The  
4 aggregate amount of credit allowed an individual for one or more investments made in a single  
5 taxable year under this Part, whether directly or indirectly as owner of a pass-through entity, may  
6 not exceed fifty thousand dollars (\$50,000).

16 Secretary may not accept an application filed after October 15 of the year following the calendar  
17 year in which the investment was made. An application is effective for the year in which it is  
18 timely filed. The application must be on a form prescribed by the Secretary and must include any  
19 supporting documentation that the Secretary may require. If an investment for which a credit is  
20 applied for was paid for other than in money, the taxpayer must include with the application a

28 unused credit allowed under G.S. 105-163.011 may be carried forward for the next five  
29 succeeding years.

34 If the total amount of tax credits claimed for investments made in a calendar year exceeds this  
35 maximum amount, the Secretary shall allow a portion of the credits claimed by allocating the  
36 maximum amount in tax credits in proportion to the size of the credit claimed by each taxpayer.

37 (c) If a credit claimed under G.S. 105-163.011 is reduced as provided in this section, the  
38 Secretary shall notify the taxpayer of the amount of the reduction of the credit on or before  
39 December 31 of the year following the calendar year in which the investment was made. The  
40 Secretary's allocations based on applications filed pursuant to G.S. 105-163.011(c) are final and  
41 shall not be adjusted to account for credits applied for but not claimed.

42 (d) The taxpayer's basis in the equity securities or subordinated debt acquired as a result  
43 of an investment in a qualified business shall be reduced for the purposes of this Article by the  
44 amount of allowable credit. "Allowable credit" means the amount of credit allowed under

51 and any supporting documents the Secretary of State may require from time to time to determine

1 that the business meets the requirements for registration as a qualified business venture. A  
2 business meets the requirements for registration as a qualified business venture if all of the  
3 following are true as of the date the business files the required application:

- 4 (1) Repealed by Session Laws 1996, Second Extra Session, c. 14, s. 7.  
5 (1a) Reserved for future codification purposes.

33 registration is revoked. For the purpose of this Article, if a taxpayer's investment is placed  
34 initially in escrow conditioned upon other investors' commitment of additional funds, the date of  
35 the investment is the date escrowed funds are transferred to the qualified business venture free  
36 of the condition.

37 To remain qualified as a qualified business venture, the business must renew its registration  
38 annually as prescribed by rule by filing a financial statement for the most recent fiscal year

40 principles, of five million dollars (\$5,000,000) or less on a consolidated basis and an application  
41 for renewal in which the business certifies the facts required in the original application.

42 Failure of a qualified business venture to renew its registration by the applicable deadline  
43 shall result in revocation of its registration effective as of the next day after the renewal deadline,  
44 but shall not result in forfeiture of tax credits previously allowed to taxpayers who invested in  
45 the business except as provided in G.S. 105-163.014. The Secretary of State shall send the  
46 qualified business venture notice of revocation within 60 days after the renewal deadline. A  
47 qualified business venture may apply to have its registration reinstated by the Secretary of State  
48 by filing an application for reinstatement, accompanied by the reinstatement application fee and  
49 a late filing penalty of one thousand dollars (\$1,000), within 30 days after receipt of the

2 dollars (\$1,000). A registration that has been reinstated is treated as if it had not been revoked.

11 requirements for registration as a qualified licensee business are set out in G.S. 105-163.010.

12 The effective date of registration for a qualified licensee business whose application is  
13 accepted for registration is the filing date of its application. No credit is allowed under this Part  
14 for an investment made before the effective date of the registration or after the registration is  
15 revoked.

16 To remain qualified as a qualified licensee business, the business must renew its registration  
17 annually as prescribed by rule by filing a financial statement for the most recent fiscal year  
18 showing gross revenues, as determined in accordance with generally accepted accounting  
19 principles, of one million dollars (\$1,000,000) or less on a consolidated basis and an application  
20 for renewal in which the business certifies the facts required in the original application.

21 Failure of a qualified licensee venture to renew its registration by the applicable deadline  
22 results in revocation of its registration effective as of the next day after the renewal deadline, but  
23 does not result in forfeiture of tax credits previously allowed to taxpayers who invested in the  
24 business except as provided in G.S. 105-163.014. The Secretary of State shall send the qualified  
25 licensee business notice of revocation within 60 days after the renewal deadline. A qualified  
26 licensee business may apply to have its registration reinstated by the Secretary of State by filing  
27 an application for reinstatement, accompanied by the reinstatement application fee and a late  
28 filing penalty of one thousand dollars (\$1,000), within 30 days after receipt of the revocation

30 registration after its registration has been revoked must also pay a penalty of one thousand dollars  
31 (\$1,000). A registration that has been reinstated is treated as if it had not been revoked.

32 If the gross revenues of a qualified business venture exceed one million dollars (\$1,000,000)  
33 in a fiscal year, the business must notify the Secretary of State in writing of this fact by filing a  
34 financial statement showing the revenues of the business for that year.

36 under this Part, a business must be registered with the Securities Division of the Department of  
37 the Secretary of State. To register, the business must file with the Secretary of State an application  
38 and any supporting documents the Secretary of State may require from time to time to determine  
39 that the business meets the requirements for registration as a qualified grantee business. The  
40 requirements for registration as a qualified grantee business are set out in G.S. 105-163.010.

41 The effective date of registration for a qualified grantee business whose application is  
42 accepted for registration is the filing date of its application. No credit is allowed under this Part  
43 for an investment made before the effective date of the registration or after the registration is  
44 revoked.

45 To remain qualified as a qualified grantee business, the business must renew its registration

14 An application for renewal of registration under this section must indicate whether the  
15 applicant is a minority business, as defined in G.S. 143-128, and include a report of the number  
16 of jobs the business created during the preceding year that are attributable to investments that  
17 qualify under this section for a tax credit and the average wages paid by each job. An application  
18 that does not contain this information is incomplete and the applicant's registration may not be  
19 renewed until the information is provided.

20 (e) Revocation of Registration. – If the Securities Division of the Department of the  
21 Secretary of State finds that any of the information contained in an application of a business  
22 registered under this section is false, it shall revoke the registration of the business. The Secretary  
23 of State shall not revoke the registration of a business solely because it ceases business operations  
24 for an indefinite period of time, as long as the business renews its registration each year as  
25 required under this section.

26 (f) Transfer of Registration. – A registration as a qualified business may not be sold or  
27 otherwise transferred, except that if a qualified business enters into a merger, conversion,  
28 consolidation, or other similar transaction with another business and the surviving company  
29 would otherwise meet the criteria for being a qualified business, the surviving company retains  
30 the registration without further application to the Secretary of State. In such a case, the qualified  
31 business must provide the Secretary of State with written notice of the merger, conversion,  
32 consolidation, or similar transaction and the name, address, and jurisdiction of incorporation or  
33 organization of the surviving company.

34 (g) Report by Secretary of State. – The Secretary of State shall report to the Revenue  
35 Laws Study Committee by October 1 of each year all of the businesses that have registered with  
36 the Secretary of State as qualified business ventures, qualified licensee businesses, and qualified  
37 grantee businesses. The report shall include the name and address of each business, the location  
38 of its headquarters and principal place of business, a detailed description of the types of business  
39 in which it engages, whether the business is a minority business as defined in G.S. 143-128, the  
40 number of jobs created by the business during the period covered by the report, and the average  
41 wages paid by these jobs.

42 **"§ 105-163.014. Forfeiture of credit.**

43 (a) Participation in Business. – A taxpayer who has received a credit under this Part for  
44 an investment in a qualified business forfeits the credit if, within three years after the investment  
45 was made, the taxpayer participates in the operation of the qualified business. For the purpose of  
46 this section, a taxpayer participates in the operation of a qualified business if the taxpayer, the  
47 taxpayer's spouse, parent, sibling, or child, or an employee of any of these individuals or of a  
48 business controlled by any of these individuals, provides services of any nature to the qualified  
49 business for compensation, whether as an employee, a contractor, or otherwise. However, a  
50 person who provides services to a qualified business, whether as an officer, a member of the  
51 board of directors, or otherwise does not participate in its operation if the person receives as

1 compensation only reasonable reimbursement of expenses incurred in providing the services,  
2 participation in a stock option or stock bonus plan, or both.

3 (b) False Application. – A taxpayer who has received a credit under this Part for an  
4 investment in a qualified business forfeits the credit if the registration of the qualified business  
5 is revoked because information in the registration application was false at the time the application  
6 was filed with the Secretary of State.

7 (c) Repealed by Session Laws 1996, Second Extra Session, c. 14, s. 7.

8 (d) Transfer or Redemption of Investment. – A taxpayer who has received a credit under  
9 this Part for an investment in a qualified business forfeits the credit in the following cases:

10 (1) Within one year after the investment was made, the taxpayer transfers any of  
11 the securities received in the investment that qualified for the tax credit to  
12 another person or entity, other than in a transfer resulting from one of the  
13 following:

14 a. The death of the taxpayer.

15 b. A final distribution in liquidation to the owners of a taxpayer that is a  
16 corporation or other entity.

17 c. A merger, conversion, consolidation, or similar transaction requiring  
18 approval by the owners of the qualified business under applicable State  
19 law, to the extent the taxpayer does not receive cash or tangible  
20 property in the merger, conversion, consolidation, or other similar  
21 transaction.

22 (2) Except as provided in subsection (d1) of this section, within five years after  
23 the investment was made, the qualified business in which the investment was  
24 made makes a redemption with respect to the securities received in the  
25 investment.

26 In the event the taxpayer transfers fewer than all the securities in a manner that would result  
27 in a forfeiture, the amount of the credit that is forfeited is the product obtained by multiplying  
28 the aggregate credit attributable to the investment by a fraction whose numerator equals the  
29 number of securities transferred and whose denominator equals the number of securities received  
30 on account of the investment to which the credit was attributable. In addition, if the redemption  
31 amount is less than the amount invested by the taxpayer in the securities to which the redemption  
32 is attributable, the amount of the credit that is forfeited is further reduced by multiplying it by a  
33 fraction whose numerator equals the redemption amount and whose denominator equals the  
34 aggregate amount invested by the taxpayer in the securities involved in the redemption. The term  
35 "redemption amount" means all amounts paid that are treated as a distribution in part or full  
36 payment in exchange for securities under section 302(a) of the Code.

37 (d1) Certain Redemptions Allowed. – Forfeiture of a credit does not occur under this  
38 section if a qualified business venture that engages primarily in motion picture film production  
39 makes a redemption with respect to securities received in an investment and the following  
40 conditions are met:

41 (1) The redemption occurred because the qualified business venture completed  
42 production of a film, sold the film, and was liquidated.

43 (2) Neither the qualified business venture nor a related person continues to engage  
44 in business with respect to the film produced by the qualified business venture.

45 (e) Effect of Forfeiture. – A taxpayer who forfeits a credit under this section is liable for  
46 all past taxes avoided as a result of the credit plus interest at the rate established under  
47 G.S. 105-241.21, computed from the date the taxes would have been due if the credit had not  
48 been allowed. The past taxes and interest are due 30 days after the date the credit is forfeited; a  
49 taxpayer who fails to pay the past taxes and interest by the due date is subject to the penalties  
50 provided in G.S. 105-236.
