and on page 1, line 21 and 22,
by inserting between those lines:
"SECTION 1.(b)  G.S. 143-214.7(b3) reads as rewritten:
(b3) Stormwater runoff rules and programs shall not require private property owners to
install new or increased stormwater controls for (i) preexisting development or (ii)
redevelopment activities that do not remove or decrease existing stormwater controls. When a
preexisting development is redeveloped, either in whole or in part, increased stormwater controls
shall only be required for the amount of impervious surface being created that exceeds the amount
of impervious surface that existed before the redevelopment. Provided, however, a property
owner may voluntarily elect to treat all stormwater from preexisting development or
redevelopment activities described herein for the purpose of exceeding allowable density under
the applicable water supply watershed rules as provided in G.S. 214.5(d3). This subsection
applies to all local governments regardless of the source of their regulatory authority. Local
governments shall include the requirements of this subsection in their stormwater ordinances.";
