22 Chapter 105 of the General Statutes; or any other local or regional authority,
23 district, board, commission, or administrative unit.

24 **SECTION 9F.2.(b)** Findings. – The General Assembly makes the following
25 findings:

26 (1) The opioid epidemic has taken the lives of more than 16,500 North
27 Carolinians, caused immeasurable suffering and harm, and imposed
28 substantial costs on the State, counties, municipalities, healthcare and social
29 service providers, residents, and others.

30 (2) The epidemic was fueled by misconduct on the part of the settling opioid
31 defendants and other companies engaged in the manufacture, marketing,
32 promotion, distribution, or dispensing of prescription opioid medications.

33 (3) The State— through its Attorney General—engaged in investigations, litigation
34 and settlement discussions involving defendants, and seventy-six counties and
35 eight municipalities—through their counsel filed lawsuits against defendants
36 before September 1, 2021, seeking to hold the settling defendants accountable
37 for the damage caused by their misconduct.

38 (4) On July 21, 2021, a national coalition of states and political subdivisions
39 announced agreements with the settling opioid defendants to resolve legal
40 claims against those companies stemming from actions that fueled the opioid
41 epidemic. The settlements are contingent on the participation of a critical mass
42 of states and political subdivisions. The State has formally notified all
43 defendants of its intent to join the Settlement Agreements. All 100 counties
44 and 45 municipalities in North Carolina formally joined the agreements by
45 January 3, 2022.

46 (5) The agreements provide for payments totaling twenty-six billion dollars
47 (\$26,000,000,000) over 18 years, with more than twenty-three billion nine
48 hundred million dollars (\$23,900,000,000) available to fund state and local
49 efforts to address the epidemic nationwide. North Carolina's share of the
50 settlements will be distributed among the State and Units of Local

1 Government pursuant to a Memorandum of Agreement, to which the State and
2 more than 130 Units of Local Government had agreed by January 1, 2022.

3 (6) North Carolina's share of the national settlement funds is approximately seven
4 hundred fifty million dollars (\$750,000,000) over 18 years. North Carolina
5 and its Units of Local Government can secure their entitlement to that amount
6 if, but only if, opioid litigation in North Carolina asserting Released Claims
7 against Released Entities in North Carolina comes to an end with no new
8 claims.

9 (7) Newly filed Released Claims against Released Entities would frustrate the
10 purposes of the Settlement Agreements, would put North Carolina's share of
11 the proceeds at risk, and would harm the people of North Carolina, all Units
12 of Local Government, and the State.

13 **SECTION 9F.2.(c)** It is the intent of this section to prevent the assertion of such
14 newly filed claims by the State and its subdivisions and instrumentalities, and thereby to help
15 secure, on behalf of North Carolina's Units of Local Government, the State, and the people of
16 North Carolina, the full share to which the State, its Units of Local Government, and its people
17 are otherwise entitled under the Settlement Agreements.

18 **SECTION 9F.2.(d)** Except as expressly set forth in this subsection, on or after the
19 effective date of this section, neither a Unit of Local Government nor the State may assert any
20 Released Claims against any Released Entity. Notwithstanding the foregoing, the State, as
21 expressly contemplated in the Settlement Agreements, may initiate a civil action asserting
22 Released Claims against Released Entities for the purpose of obtaining a consent order that
23 effectuates the Settlement Agreements, including the release of such claims. Nothing herein shall
24 be construed to apply to Released Claims against Released Entities that were included in any
25 lawsuits filed by a Unit of Local Government prior to September 1, 2021.

26 **SECTION 9F.2.(e)** This section preserves all remedies the State or any Unit of Local
27 Government may have under the Settlement Agreements. Nothing in this section shall be
28 construed to limit or otherwise affect such remedies.

29 **SECTION 9F.2.(f)** This section shall have no effect if the Settlement Agreements
30 are not entered as consent orders by the Superior Court of Wake County by December 31, 2022.

31 **SECTION 9F.2.(g)** This section is effective when it becomes law.

32 **JUSTICE-INVOLVED PILOT PROGRAM**

33 **SECTION 9F.3.(a)** Pilot Program. – Of the funds appropriated in this act to the
34 Department of Health and Human Services, Division of Mental Health, Developmental
35 Disabilities, and Substance Abuse Services (DMH/DD/SAS), the sum of eight million dollars
36 (\$8,000,000) in nonrecurring funds for the 2022-2023 fiscal year shall be used to fund two pilot
37 programs which are county-based. Using data which identifies counties with the highest
38 incarceration rates, DMH/DD/SAS will fund a pilot program in each of two counties to provide
39 comprehensive justice and behavioral health intersection programs, including early diversion,
40 treatment during incarceration, and re-entry services.

41 **SECTION 9F.3.(b)** The pilot programs shall be awarded competitively to the
42 organizations with the best approach to implementing the Certified Community Behavioral
43 Health Clinic (CCBHC) model, which promotes full integration of behavioral and physical health
44 care to those with serious mental illness.
