A BILL TO BE ENTITLED
AN ACT APPROPRIATING FUNDS FOR AFFORDABLE HOUSING, MAKING HOUSING DISCRIMINATION ON THE BASIS OF SOURCE OF INCOME A VIOLATION OF THE STATE'S FAIR HOUSING LAWS, AND ESTABLISHING REVENUE FOR THE NC HOUSING TRUST FUND.

Whereas, as North Carolina prospers economically and attracts families and businesses from across the nation, housing supply continues to lag behind the housing demand across the State causing rents and housing prices to soar; and

Whereas, housing is not only an integral part of a family's budget, but also the State's economy. Ensuring that all North Carolinians have access to safe, decent, and affordable housing is a sound financial investment in the State's future. According to the Urban Institute, "no county has enough affordable housing to meet the needs of its residents with the lowest incomes, leading to strained household budgets and elevated rental market risks"; and

Whereas, local governments can no longer tackle the growing housing crisis alone and need greater partnership and investment from the State; and

Whereas, the State has existing tools to combat the housing crisis, including the North Carolina Housing Trust Fund. The Housing Trust Fund was created by the General Assembly in 1987 and is the State's most flexible resource for the State's growing need for affordable housing because it leverages private funding to create a variety of housing solutions, including homeownership, rental units, supportive housing, new construction, rehabilitation, and emergency repairs; and

Whereas, an annual investment of $100,000,000 in the Housing Trust Fund will help over 10,800 families, generate over $516,900,000 in real estate value, support over 11,000 jobs, and generate over $45,500,000 in local and State revenue; and

Whereas, the State also needs greater investment in new and existing programs to protect working families that face either sudden income loss due to life emergencies or spikes in rental prices that cause housing instability due to affordability; and

Whereas, additional State funding for affordable housing is necessary to tackle the State's housing crisis and to put the State in a position to provide leadership and to collaborate with the public, private, and nonprofit sectors to address these issues; Now, therefore,

The General Assembly of North Carolina enacts:

SECTION 1. There is appropriated from the General Fund to the North Carolina Housing Trust Fund the sum of one hundred million dollars ($100,000,000) in recurring funds for the 2022-2023 fiscal year to increase funding for affordable housing programs in the State.

SECTION 2. The Manufactured Home Park Acquisition Fund is hereby established as a nonreverting special fund in the North Carolina Housing Finance Agency. There is
appropriated from the General Fund to the Manufactured Home Park Acquisition Fund the sum of twenty-five million dollars ($25,000,000) in nonrecurring funds for the 2022-2023 fiscal year to be used by the North Carolina Housing Finance Agency to provide grants to nonprofits, public housing authorities, and manufactured dwelling park nonprofit cooperatives to purchase manufactured home parks for the purpose of providing affordable housing.

SECTION 4. G.S. 105-228.30 reads as rewritten:

§ 105-228.30. Imposition of excise tax; distribution of proceeds.

(a) An excise tax is levied on each instrument by which any interest in real property is conveyed to another person. The tax rate is (i) one dollar and fifty cents ($1.50) on each five hundred dollars ($500.00) or fractional part thereof of the consideration or value of the interest for qualified investment conveyances and (ii) one dollar ($1.00) on each five hundred dollars ($500.00) or fractional part thereof of the consideration or value of the interest conveyed for any other conveyance. A "qualified investment conveyance" is a conveyance of an interest in real property to a business entity that will use the property primarily for rental as a residence by one or more individuals. The transferee must pay one-third of the tax on a qualified investment conveyance levied pursuant to this section to, and the transferor must pay the remainder of the tax levied pursuant to this section to, the register of deeds of the county in which the real estate is located before recording the instrument of conveyance. If the instrument transfers a parcel of real estate lying in two or more counties, however, the tax must be paid to the register of deeds of the county in which the greater part of the real estate with respect to value lies.

The excise tax on instruments imposed by this Article applies to timber deeds and contracts for the sale of standing timber to the same extent as if these deeds and contracts conveyed an interest in real property.
(b) The register of deeds of each county must remit the proceeds of the tax levied by this section to the county finance officer. The finance officer of each county must credit one-half of the proceeds to the county's general fund and remit the remaining one-half of the proceeds, less taxes refunded and the county's allowance for administrative expenses, to the Department of Revenue on a monthly basis. A county may retain two percent (2%) of the amount of tax proceeds allocated for remittance to the Department of Revenue as compensation for the county's cost in collecting and remitting the State's share of the tax. The Department of Revenue shall credit the funds remitted to the Department of Revenue under this subsection as follows:

(1) Two-thirds of the excise tax on qualified investment conveyances to the Office of State Budget and Management for deposit into the North Carolina Housing Trust Fund established in G.S. 122E-3.

(2) The remainder to the General Fund."
