(2) Meal service.
(3) Transportation services to the campus where the student is assigned.

SECTION 4. As the Department of Health and Human Services continues to follow the Centers for Disease Control and Prevention guidance for COVID-19 vaccinations of frontline essential workers, local boards of education are encouraged to coordinate with local health departments and other vaccine providers to facilitate coordinating and scheduling COVID-19 vaccination events for frontline K-12 school-based employees.

SECTION 5. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 17th day of February, 2021.

GOVERNOR ROY COOPER OBJECTIONS AND VETO MESSAGE:

*Senate Bill 37, "AN ACT TO PROVIDE ACCESS TO IN-PERSON LEARNING FOR STUDENTS IN GRADES KINDERGARTEN THROUGH TWELVE."

Students learn best in the classroom and I have strongly urged all schools to open safely to in-person instruction and the vast majority of local school systems have done just that.

However, Senate Bill 37 falls short in two critical areas. First, it allows students in middle and high school to go back into the classroom in violation of NC Department of Health and Human Services and CDC health guidelines. Second, it hinders local and state officials from protecting students and teachers during an emergency.

As I have informed the Legislature, I would sign the bill if these two problems are fixed.

As written, the bill threatens public health just as North Carolina strives to emerge from the pandemic.

Therefore, I veto the bill.
