(4) Notify the Commission, in compliance with the terms of the Compact and rules, of any adverse action or the availability of investigative information regarding a licensee.

(5) Implement or utilize procedures for considering the criminal history records of applicants for an initial Compact privilege. These procedures shall include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an applicant's criminal history record information from the Federal Bureau of Investigation and the agency responsible for retaining the state's criminal records. The procedures must comply with the following:

a. The member state shall, within a time frame established by the Commission, require a criminal background check for a licensee seeking or applying for a Compact privilege whose primary state of residence is not that member state, by receiving the results of the Federal Bureau of Investigation criminal record search, and shall use the results in making licensure decisions.
b. All communication between a member state, the Commission, and among member states regarding the verification of eligibility for licensure through the Compact shall not include any information received from the Federal Bureau of Investigation relating to a federal criminal records check performed by a member state under P.L. 92-544.

(6) Comply with the rules of the Commission.
(7) Utilize only a recognized national examination as a requirement for licensure pursuant to the rules of the Commission.
(8) Having continuing competence/education requirements as a condition for license renewal.

(b) A member state shall grant the Compact privilege to a licensee holding a valid unencumbered license in another member state in accordance with the terms of the Compact and rules.

(c) Member states may charge a fee for granting a Compact privilege.
(d) A member state shall provide for the state's delegate to attend all Occupational Therapy Compact Commission meetings.

(e) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state. However, the single-license granted to these individuals shall not be recognized as granting the Compact privilege in any other member state.

(f) Nothing in this Compact shall affect the requirements established by a member state for the issuance of a single-state license.

§ 90-270.183. Compact privilege.

(a) To exercise the Compact privilege under the terms and provisions of the Compact, the licensee shall meet all of the following requirements:

(1) Hold a license in the home state.
(2) Have a valid United States social security number or National Practitioner Identification number.
(3) Have no encumbrance on any state license.
(4) Be eligible for a Compact privilege in any member state in accordance with subsections (d) through (h) of this section.
(5) Have paid all fines and completed all requirements resulting from any adverse action against any license or Compact privilege, and two years have elapsed from the date of such completion.
(6) Notify the Commission that the licensee is seeking the Compact privilege within a remote state.
(7) Pay any applicable, including any state, fee for the Compact privilege.
(8) Complete a criminal background check in accordance with G.S. 90-270.182(a)(5), and pay any fee associated with the completion of the criminal background check.
(9) Meet any jurisprudence requirements established by the remote state in which the licensee is seeking a Compact privilege.
(10) Report to the Commission adverse action taken by any nonmember state within 30 days from the date the adverse action is taken.

(b) The Compact privilege is valid until the expiration date of the home state license. The licensee must comply with the requirements of subsection (a) of this section to maintain the Compact privilege in the remote state.

(c) A licensee providing occupational therapy in a remote state under the Compact privilege shall function within the laws and regulations of the remote state.
Occupational therapy assistants practicing in a remote state shall be supervised by an occupational therapist licensed or holding a Compact privilege in that remote state.

A licensee providing occupational therapy in a remote state is subject to that state’s regulatory authority. A remote state may, in accordance with due process and that state’s laws, remove a licensee’s Compact privilege in the remote state for a specific period of time, impose fines, and take any other necessary actions to protect the health and safety of its citizens. The licensee may be ineligible for a Compact privilege in any state until the specific time for removal has passed and all fines are paid.

If a home state license is encumbered, the licensee shall lose the Compact privilege in any remote state until all of the following occur:

1. The home state license is no longer encumbered.
2. Two years have elapsed from the date on which the home state license is no longer encumbered in accordance with subdivision (1) of this subsection.

Once an encumbered license in the home state is restored in good standing, the licensee must meet the requirements of subsection (a) of this section to obtain a Compact privilege in any remote state.

If a licensee’s Compact privilege in any remote state is removed, the individual may lose the Compact privilege in any other remote state until all of the following occur:

1. The specific period of time for which the Compact privilege was removed has ended.
2. All fines have been paid, and all conditions have been met.
3. Two years have elapsed from the date of completing requirements for subdivisions (1) and (2) of this subsection.
4. The Compact privileges are reinstated by the Commission, and the compact data system is updated to reflect reinstatement.

If a licensee’s Compact privilege in any remote state is removed due to an erroneous charge, privileges shall be restored through the Compact data system.

An occupational therapist or occupational therapy assistant may hold a home state license, which allows for Compact privileges in member states, in only one member state at a time.

If an occupational therapist or occupational therapy assistant changes primary state of residence by moving between two member states, the occupational therapist or occupational therapy assistant shall do all of the following:

1. File an application for obtaining a new home state license by virtue of a Compact privilege.
2. Pay all applicable fees.
3. Notify the current and new home state in accordance with applicable rules adopted by the Commission.

Upon receipt of an application for obtaining a new home state license by virtue of Compact privilege, the new home state shall verify that the occupational therapist or occupational therapy assistant meets the pertinent criteria outlined in G.S. 90-270.183 via the data system, without need for primary source verification, except for the following:

1. A Federal Bureau of Investigation fingerprint-based criminal background check, if not previously performed or updated, pursuant to applicable rules adopted by the Commission in accordance with P.L. 92-544.
2. Other criminal background checks, as required by the new home state.
(3) Submission of any requisite jurisprudence requirements of the new home state.

(d) The former home state shall convert the former home state license into a Compact privilege once the new home state has activated the new home state license in accordance with applicable rules adopted by the Commission.

(e) Notwithstanding any other provision of this Compact, if the occupational therapist or occupational therapy assistant cannot meet the criteria in G.S. 90-270.183, the new home state shall apply its requirements for issuing a new single-state license.

(f) The occupational therapist or the occupational therapy assistant shall pay all applicable fees to the new home state in order to be issued a new home state license.

(g) If an occupational therapist or occupational therapy assistant changes primary state of residence by moving from a member state to a nonmember state, or from a nonmember state to a member state, the state criteria shall apply for issuance of a single-state license in the new state.

(h) Nothing in this Compact shall interfere with a licensee's ability to hold a single-state license in multiple states; however, for the purposes of this Compact, a licensee shall have only one home state license.

(i) Nothing in this Compact shall affect the requirements established by a member state for the issuance of a single-state license.

§ 90-270.185. Active duty military personnel or their spouses.

Active duty military personnel, or their spouses, shall designate a home state where the individual has a current license in good standing. The individual may retain the home state designation during the period the service member is on active duty. Subsequent to designating a home state, the individual shall only change his or her home state through application for licensure in the new state or through the process described in G.S. 90-270.184.

§ 90-270.186. Adverse actions.

(a) A home state shall have exclusive power to impose adverse action against an occupational therapist's or occupational therapy assistant's license issued by the home state.

(b) In addition to the other powers conferred by state law, a remote state shall have the authority, in accordance with existing state due process law, to do the following:

   (1) Take adverse action against an occupational therapist's or occupational therapy assistant's Compact privilege within that member state.

   (2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(c) For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In doing so, the home state shall apply its own state laws to determine appropriate action.

(d) The home state shall complete any pending investigations of an occupational therapist or occupational therapy assistant who changes primary state of residence during the course of the investigations. The home state, where the investigations were initiated, shall also have the authority to take appropriate action and shall promptly report the conclusions of the
investigations to the data system. The data system administrator shall promptly notify the new
home state of any adverse actions.

(e) A member state, if otherwise permitted by state law, may recover from the affected
occupational therapist or occupational therapy assistant the costs of investigations and disposition
of cases resulting from any adverse action taken against that occupational therapist or
occupational therapy assistant.

(f) A member state may take adverse action based on the factual findings of the remote
state, provided that the member state follows its own procedures for taking the adverse action.

(g) In addition to the authority granted to a member state by its respective state
occupational therapy laws and regulations or other applicable state law, any member state may
participate with other member states in joint investigations of licensees. Member states shall
share any investigative, litigation, or compliance materials in furtherance of any joint or
individual investigation initiated under the Compact.

(h) If an adverse action is taken by the home state against an occupational therapist's or
occupational therapy assistant's license, the occupational therapist's or occupational therapy
assistant's Compact privilege in all other member states shall be deactivated until all
encumbrances have been removed from the state license. All home state disciplinary orders that
impose adverse action against an occupational therapist's or occupational therapy assistant's
license shall include a statement that the occupational therapist's or occupational therapy
assistant's Compact privilege is deactivated in all member states during the pendency of the order.

(i) If a member state takes adverse action, it shall promptly notify the administrator of
the data system. The administrator of the data system shall promptly notify the home state of any
adverse actions by remote states.

(j) Nothing in this Compact shall override a member state's decision that participation in
an alternative program may be used in lieu of adverse action.

(a) Establishment. – The Compact member states hereby create and establish a joint
public agency known as the Occupational Therapy Compact Commission.

(1) The Commission is an instrumentality of the Compact states.

(2) Venue is proper, and judicial proceedings by or against the Commission shall
be brought solely and exclusively in a court of competent jurisdiction where
the principal office of the Commission is located. The Commission may waive
venue and jurisdictional defenses to the extent it adopts or consents to
participate in alternative dispute resolution proceedings.

(3) Nothing in this Compact shall be construed to be a waiver of sovereign
immunity.

(b) Membership; Voting; Meetings. – Each member state shall have and be limited to one
delegate selected by that member state's licensing board. The delegate shall be either (i) a current
member of the licensing board, who is an occupational therapist, occupational therapy assistant,
or public member or (ii) an administrator of the licensing board. Any delegate may be removed
or suspended from office as provided by the law of the state from which the delegate is appointed.
The member state board shall fill any vacancy occurring in the Commission within 90 days. Each
delegate shall be entitled to one vote with regard to the promulgation of rules and creation of
bylaws and shall otherwise have an opportunity to participate in the business and affairs of the
Commission. A delegate shall vote in person or by such other means as provided in the bylaws.
The bylaws may provide for delegates' participation in meetings by telephone or other means of
communication. The Commission shall meet at least once during each calendar year. Additional
meetings shall be held as set forth in the bylaws. The Commission shall establish by rule a term
of office for delegates.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall promulgate a rule binding upon all member states. The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the member states, except by and with the authority of the member state.

The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. (g) Qualified Immunity; Defense; Indemnification. - The members, officers, executive director, employees, and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

The Commission shall defend any member, officer, executive director, employee, or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel, and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(f) Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

§ 90-270.189. Rulemaking.
(a) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted herein. Rules and amendments shall become binding as of the date specified in each rule or amendment.
(b) The Commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the Compact. Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of the Compact, or the powers granted thereunder, then such an action by the Commission shall be invalid and have no force and effect.
(c) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.
(d) Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.
(e) Prior to promulgation and adoption of a final rule by the Commission, and at least 30 days in advance of the meeting at which the rule will be considered and voted upon, the Commission shall file a notice of proposed rulemaking on the website of the Commission or other publicly accessible platform and on the website of each member state occupational therapy licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(g) Prior to adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.
(h) The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by any of the following:
(1) At least 25 persons.

(3) An association or organization having at least 25 members.
(i) If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic
means, the Commission shall publish the mechanism for access to the electronic hearing.

Hearings shall be conducted as follows:

(j) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

(k) If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.

(l) The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

(m) Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to (i) meet an imminent threat to public health, safety, or welfare, (ii) prevent a loss of Commission or member state funds, (iii) meet a deadline for the promulgation of an administrative rule that is established by federal law or rule, or (iv) protect public health and safety.

(n) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

"§ 90-270.190. Oversight; dispute resolution; enforcement.

(a) Oversight. – The executive, legislative, and judicial branches of state government in each member state shall enforce this Compact and take all actions necessary and appropriate to effectuate the Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law.

All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.

The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service
of process to the Commission shall render a judgment or order void as to the Commission, this 
Compact, or promulgated rules.

(b) Default; Technical Assistance; Termination. – If the Commission determines that a 
member state has defaulted in the performance of its obligations or responsibilities under this 
Compact or the promulgated rules, the Commission shall do all of the following:

1. Provide written notice to the defaulting state and other member states of the 
nature of default, the proposed means of curing the default, and any other 
action to be taken by the Commission.

2. Provide remedial training and specific technical assistance regarding the 
default.

If a state in default fails to cure the default, the defaulting state may be terminated from the 
Compact upon an affirmative vote of a majority of the member states, and all rights, privileges, 
and benefits conferred by this Compact may be terminated on the effective date of termination. 
A cure of the default does not relieve the offending state of obligations or liabilities incurred 
during the period of default.

Termination of membership in the Compact shall be imposed only after all other means of 
securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given 
by the Commission to the governor, the majority and minority leaders of the defaulting state's 
legislature, and each of the member states.

A state that has been terminated is responsible for all assessments, obligations, and liabilities 
incurred through the effective date of termination, including obligations that extend beyond the 
effective date of termination.

The Commission shall not bear any costs related to a state that is found to be in default or 
that has been terminated from the Compact, unless agreed upon in writing between the 
Commission and the defaulting state.

The defaulting state may appeal the action of the Commission by petitioning the U.S. District 
Court for the District of Columbia or the federal district where the Commission has its principal 
offices. The prevailing member shall be awarded all costs of such litigation, including reasonable 
attorneys’ fees.

(c) Dispute Resolution. – Upon request by a member state, the Commission shall attempt 
to resolve disputes related to the Compact that arise among member states and between member 
and nonmember states. The Commission shall promulgate a rule providing for both mediation 
and binding dispute resolution for disputes as appropriate.

(d) Enforcement. – The Commission, in the reasonable exercise of its discretion, shall 
enforce the provisions and rules of this Compact. By majority vote, the Commission may initiate 
legal action in the U.S. District Court for the District of Columbia or the federal district where 
the Commission has its principal offices against a member state in default to enforce compliance 
with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may 
include both injunctive relief and damages. In the event judicial enforcement is necessary, the 
prevailing member shall be awarded all costs of such litigation, including reasonable attorneys’ 
fees. The remedies herein shall not be the exclusive remedies of the Commission. The 
Commission may pursue any other remedies available under federal or state law.

§ 90-270.191. Date of implementation of the Interstate Commission for occupational 
therapy practice and associated rules; withdrawal; amendment.

(a) The Compact shall come into effect on the date on which the Compact statute is 
enacted into law in the tenth member state. The provisions, which become effective at that time, 
shall be limited to the powers granted to the Commission relating to assembly and the 
proclamation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers 
necessary to the implementation and administration of the Compact.

(b) Any state that joins the Compact subsequent to the Commission’s initial adoption of 
the rules shall be subject to the rules as they exist on the date on which the Compact becomes
law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

(c) Any member state may withdraw from this Compact by enacting a statute repealing the same. A member state's withdrawal shall not take effect until six months after enactment of the repealing statute. Withdrawal shall not affect the continuing requirement of the withdrawing state's occupational therapy licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

(d) Nothing contained in this Compact shall be construed to invalidate or prevent any occupational therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.

(e) This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

"§ 90-270.192. Construction and severability."

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable, and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

"§ 90-270.193. Binding effect of Compact and other laws."

(a) A licensee providing occupational therapy in a remote state under the Compact privilege shall function within the laws and regulations of the remote state.

(b) Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

(c) Any laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

(d) Any lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

(e) All agreements between the Commission and the member states are binding in accordance with their terms.

(f) In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."

SECTION 2. Section 1 of this act becomes effective when at least 10 states have enacted the Occupational Therapy Licensure Compact set forth in Section 1 of this act. The North Carolina Board of Occupational Therapy shall report to the Revisor of Statutes when the Occupational Therapy Licensure Compact set forth in Section 1 of this act has been enacted by the 10 member states. The remainder of this act is effective when it becomes law.
