The 18 request must be filed with the Department as follows: . . . . " 19 20 SECTION 5.3.(a) Article 9 of Chapter 105 of the General Statutes is amended by 21 adding the following new section to read: 22 <u>\$ 105-241.24. Statute of limitations on collections.</u> The Department may collect a tax for a period of 10 years from the date it becomes collectible 23 24 under G.S. 105-241.22. The 10-year period may be tolled for the same reasons the enforcement 25 period for a certificate of tax liability may be tolled under G.S. 105-242(c). If the tax is not 26 collected within the time frame authorized under this section, the remaining liability is abated." 27 **SECTION 5.3.(b)** G.S. 105-242(c) reads as rewritten: 28 "(c) Certificate of Tax Liability. - The Department may file a certificate of tax liability to 29 collect a tax that is owed by a taxpayer and is collectible under G.S. 105-241.22. A certificate of 30 tax liability must state the taxpayer's name and the type and amount of tax owed. If the taxpayer 31 resides in this State or has property in this State, the Department must file the certificate of tax 32 liability with the clerk of the superior court of a county in which the taxpayer resides or has 33 property. If the taxpayer does not reside in this State or have property in this State, the Department 34 must file the certificate of tax liability in Wake County. 35 The clerk of court must record a certificate of tax liability in the same manner as a judgment. 36 A recorded certificate of tax liability is considered a judgment and is enforceable in the same 37 manner as other judgments. The legal rate of interest set in G.S. 24-1 applies to the principal 38 amount of tax stated on the certificate of tax liability. The tax stated on a certificate of tax liability 39 is a lien on real and personal property from the date the certificate is recorded. 40 A certificate of tax liability is enforceable for a period of 10 years from the date it is recorded. 41 recorded, however, the enforcement period may not extend beyond the statute of limitations 42 provided for under G.S. 105-241.24. If the certificate is not satisfied within this period, the 43 remaining liability of the taxpayer is abated and the Department must cancel the certificate. An 44 execution sale initiated before the end of the 10-year enforcement period may be completed after 45 the end of this period, regardless of whether resales are required because of the posting of 46 increased bids. The Secretary may accept tax payments made after a certificate has expired, 47 regardless of whether any collection actions were taken before the certificate expired. A taxpayer 48 may waive the 10-year enforcement period for enforcement of the certificate for either a definite 49 or an indefinite time. 50 The 10 year enforcement period in which of a certificate of tax liability is enforceable is 51 tolled during the following periods:

	General Assembly Of North Carolina Session 202				
1	(1)	While the taxpayer is absent from the State. The period is tolled during the			
2		taxpayer's absence plus one year after the taxpayer returns.			
3	(2)	Upon the death of the taxpayer. The period is tolled while the taxpayer's estate			
4		is administered plus one year after the estate is closed.			
5	(3)	While an action is pending to set aside a conveyance made by the taxpayer as			
6		a fraudulent conveyance.			
7	(4)	While an insolvency proceeding against the taxpayer is pending.			
8	(5)	During the period of any statutory or judicial bar to the enforcement of the
