14 soundly, and in compliance with the law.
- 15 (6) The applicant meets other similar requirements determined by the  
16 Commissioner.

17 (f) Automatic Issuance of License for Federal Student Loan Servicing Contractors. – A  
18 person seeking to act within this State as a student loan servicer is exempt from the procedures  
19 described in subsections (a) through (d) of this section upon a determination by the Commissioner  
20 that the person is a party to a contract awarded by the United States Secretary of Education under  
21 20 U.S.C. § 1087f. Any person seeking this exemption shall submit a written request for  
22 verification of exemption to the Commissioner. The request shall be in a form acceptable to the  
23 Commissioner and shall include a copy of any written agreement and related documentation that  
24 is the basis for the exemption. The following provisions apply to the exemption:

- 25 (1) Actions by Commissioner. – With regard to a person deemed exempt under  
26 this subsection, the Commissioner shall do both of the following:
  - 27 a. Automatically issue a license upon payment of the fees required by  
28 subsection (b) of this section.
  - 29 b. Automatically issue a renewal license upon payment of the assessment  
30 required by G.S. 53-448.
- 31 (2) Notice. – A person issued a license pursuant to this subsection shall provide  
32 the Commissioner with written notice within seven days after notification of  
33 the expiration, revocation, or termination of any contract awarded by the  
34 United States Secretary of Education under 20 U.S.C. § 1087f. The person has  
35 30 days after notification to satisfy all requirements established under  
36 subsections (a) and (b) of this section in order to continue to act within this  
37 State as a student loan servicer. At the expiration of the 30-day period, if the  
38 person seeking to act within this State as a student loan servicer has not  
39 satisfied the requirements of subsections (a) and (b) of this section, the  
40 Commissioner shall summarily suspend any license granted to the person  
41 under this section.
- 42 (3) Preservation of authorities. – With respect to student loan servicing not  
43 conducted pursuant to a contract awarded by the United States Secretary of  
44 Education under 20 U.S.C. § 1087f, nothing in this section prevents the  
45 Commissioner from issuing, or filing a civil action for, an order to temporarily  
46 or permanently enjoin a person from acting as a student loan servicer or from  
47 violating this Article.

48 **"§ 53-445. Minimum net worth.**

49 (a) An applicant shall possess and a licensee shall maintain at all times a net worth of not  
50 less than two hundred fifty thousand dollars (\$250,000) calculated in accordance with generally  
51 accepted accounting principles.

1       (b) The Commissioner may by order increase the amount of net worth required of an  
2 applicant or licensee if the Commissioner determines additional net worth is necessary to ensure  
3 safe and sound operation based on consideration of the following factors:

- 4           (1) The nature and volume of the projected or established business.
- 5           (2) The amount, nature, quality, and liquidity of assets.
- 6           (3) The amount and nature of liabilities.
- 7           (4) The history of operations and prospects for earning and retaining income.
- 8           (5) The quality of operations and management.
- 9           (6) The nature and quality of control persons.
- 10          (7) The history of compliance with State and federal law.
- 11          (8) Any other factors the Commissioner deems relevant.

12 **"§ 53-446. Surety bond.**

13       (a) Applicants shall be required to post a surety bond with the Commissioner at  
14 application, and licensees shall maintain a surety bond in the amount of one hundred fifty  
15 thousand dollars (\$150,000). If a student loan servicer, however, has a servicing volume in this  
16 State in a calendar year in excess of ten million dollars (\$10,000,000) but less than fifty million  
17 dollars (\$50,000,000), then the student loan servicer's minimum bond amount shall be two  
18 hundred fifty thousand dollars (\$250,000), and if a student loan servicer has a servicing volume  
19 in this State in a calendar year of fifty million dollars (\$50,000,000) or more, then the student  
20 loan servicer's minimum bond shall be five hundred thousand dollars (\$500,000).

21       (b) The surety bond shall be in a form satisfactory to the Commissioner and shall run to  
22 the State for the benefit of any claimants against the licensee to secure the faithful performance  
23 of the obligations of the licensee. The Commissioner has the discretion to require the applicant  
24 to obtain additional insurance coverage to address related cybersecurity risks inherent in the  
25 applicant's business model as it relates to student loan servicing to the extent those risks are not  
26 within the scope of the surety bond.

27       (c) The aggregate liability of the surety in no event shall exceed the principal sum of the  
28 bond. Claimants against the licensee may themselves bring suit directly on the surety bond, or  
29 the Commissioner may bring suit on behalf of the claimants, either in one action or in successive  
30 actions. Borrower claims shall be given priority in recovering from the bond. When an action is  
31 commenced on a licensee's bond, the Commissioner may require the posting of a new bond; in  
32 this case, the licensee shall post a replacement bond in the required amount within 30 days.  
33 Immediately upon recovery upon any action on the bond, the licensee shall post a new bond.

34       (d) The surety bond shall remain in effect until cancellation, which may occur only after  
35 90 days' written notice to the Commissioner. Cancellation does not affect any liability incurred  
36 during that period.

37       (e) The surety bond shall remain in place for no less than five years after the licensee  
38 ceases student loan servicing operations in this State. The Commissioner, however, may permit  
39 the surety bond to be reduced or eliminated if the Commissioner determines that the reduction or  
40 elimination will not harm borrowers or this State.

41       (f) The surety bond proceeds and any cash or other collateral posted as security by a  
42 licensee is deemed to be held in trust for the benefit of any claimants against the licensee and for  
43 the benefit of the State in the event of the licensee's bankruptcy.

44 **"§ 53-447. License renewal, expiration, and cancellation; no assignability; acquisition of**  
45 **licensee.**

46       (a) Renewal. – A license under this Article shall be renewed annually. A licensee shall  
47 apply to renew a license by submitting an application to the Commissioner through the NMLS  
48 on or after July 1 of each year. The renewal applicant shall continue to meet the requirements for  
49 initial licensure as provided in G.S. 53-444 but is not required to pay the fees described in  
50 subsection (b) of that section.

1       **(b) Expiration.** – A license under this Article expires annually on September 30 unless it  
2 is renewed under subsection (a) of this section.

3       **(c) Reinstatement.** – If a licensee has not renewed prior to the expiration date, then the  
4 licensee shall pay two hundred fifty dollars (\$250.00) as a nonrefundable late fee to reinstate the  
5 license. In the event the licensee fails to obtain a reinstatement of the license prior to October 31,  
6 the Commissioner shall require the licensee to comply with the requirements for initial licensure  
7 as provided in G.S. 53-444, including the fees described in subsection (b) of that section.

8       **(d) Cessation of Operations.** – To cease student loan servicing operations in this State, a  
9 licensee shall first obtain the approval of the Commissioner. To obtain this approval, the licensee  
10 shall provide written notice to the Commissioner of the location of the licensee's records and the  
11 name, address, and telephone number of an individual authorized to provide access to the records.  
12 The licensee shall provide written notice at least 60 days prior to the cessation of operation.

13       If the Commissioner determines that the licensee's cessation of operations will not harm  
14 borrowers or this State, the Commissioner may order the cancellation of the license. The  
15 cancellation of a license under this subsection does not reduce or eliminate any civil or criminal  
16 liability of a licensee arising from acts or omissions occurring before the cancellation.

17       **(e) Assignability.** – A license issued under this Article is not assignable.

18       **(f) Acquisition of Licensee.** – Control of a licensee shall not be acquired through a stock  
19 purchase, merger, or other device without prior written consent of the Commissioner. The  
20 Commissioner shall not give consent if the Commissioner finds that any of the grounds for denial,  
21 revocation, or suspension as set forth under G.S. 53-455 apply to the acquiring person.

22 **"§ 53-448. Assessments.**

23       **(a) Annual Assessments.** – For purposes of meeting the cost of regulation under this  
24 Article, each licensee shall pay to the Commissioner an annual assessment in the amount of one  
25 dollar (\$1.00) per borrower served by the licensee. The annual assessment shall be based on the  
26 number of borrowers reported by the licensee pursuant to G.S. 53-449(b). The Commissioner  
27 may collect the assessment annually or in periodic installments. All assessments for the prior  
28 year shall be paid before a licensee may renew its license.

29       **(b) Special Assessments.** – If the Commissioner determines that the financial condition  
30 or manner of operation of a licensee warrants further examination or an increased level of  
31 supervision, the Commissioner may charge, and the licensee shall pay, a special assessment equal  
32 to the reasonable cost of further examination or increased level of supervision. The  
33 Commissioner's determination of this cost is, in the absence of manifest error, dispositive of the  
34 issue of reasonableness.

35 **"§ 53-449. Duties of licensee to the Commissioner.**

36       **(a) Notice of Material Event.** –

37       **(1)** Within 20 days of a change or acquisition of control of a licensee, the licensee  
38 shall provide notice of the event to the Commissioner through the NMLS in  
39 writing and in a form prescribed by the Commissioner. The notice shall be  
40 accompanied by any information, data, and records required by the  
41 Commissioner.

42       **(2)** Within 20 days of the occurrence of any one of the following events, a licensee  
43 shall file a written report with the Commissioner through the NMLS  
44 describing the event and its expected impact on the licensee's activities in this  
45 State:

46       **a.** The filing for bankruptcy or reorganization by the licensee.

47       **b.** The institution of revocation or suspension proceedings against the  
48 licensee by any State or governmental agency.

49       **c.** Any felony indictment of the licensee or any control person related to  
50 student loan servicing activities.

1                    d. Any felony conviction of the licensee or any control person related to  
2                    student loan servicing activities.

3                    (3) If the information contained in any document filed with the Commissioner or  
4                    the NMLS is or becomes inaccurate or incomplete in any material respect, the  
5                    licensee or applicant shall within 30 days file a correcting amendment to the  
6                    information contained in the document.

7                    (b) Annual Report on Student Loans. – No later than 90 days after the end of the calendar  
8                    year, a licensee shall file an annual report in a form prescribed by the Commissioner through the  
9                    NMLS. The report shall include all of the following relating to student loans serviced by the  
10                   licensee on behalf of borrowers in this State:

11                   (1) The number of borrowers, number of student loans, and total outstanding  
12                   balance.

13                   (2) With respect to student loans enrolled in any type of income-driven repayment  
14                   plan, the number of borrowers, number of student loans, and total outstanding  
15                   balance.

16                   (3) The types of student loans, such as federal, private, Federal Family Education  
17                   Loan (FFEL), Parent Plus, Perkins, and institutional loans, and the number of  
18                   student loans for each type.

19                   (4) The number of student loans in default, along with a breakdown of the total  
20                   number of student loans 30 to 90' days delinquent, 91 to 180' days delinquent,  
21                   and 181 to 270' days delinquent.

22                   (5) Any other information deemed relevant by the Commissioner.

23 **"§ 53-450. Duties of student loan servicer to borrowers.**

24                   (a) A student loan servicer shall respond to a written inquiry from a borrower or the  
25                   representative of a borrower within 10 days of receipt of the request and, within 30 days after the  
26                   receipt of the request, shall provide information relating to the request and, if applicable, the  
27                   action the student loan servicer will take to correct the borrower's account or an explanation for  
28                   why the student loan servicer believes the account is correct.

29                   (b) The 30-day period in subsection (a) of this section may be extended for not more than  
30                   15 days, if, before the end of the 30-day period, the student loan servicer notifies the borrower or  
31                   the borrower's representative of the extension and the reason for the delay.

32                   (c) Except when required by 15 U.S.C. § 1692e(8) to communicate that a debt is disputed,  
33                   a student loan servicer shall not furnish to a consumer reporting agency information regarding a  
34                   payment that is the subject of a written inquiry related to a dispute on a borrower's payment on a  
35                   student loan during the 60 days following receipt of the written inquiry. A student loan servicer,  
36                   however, may furnish to a consumer reporting agency information regarding the disputed  
37                   payment after this period of time, even if the borrower submits an additional written inquiry.

38                   (d) Except as provided in federal law or required by a student loan agreement, a student  
39                   loan servicer shall inquire of a borrower how to apply an overpayment to a student loan. A  
40                   borrower's direction on how to apply an overpayment to a student loan stays in effect for any  
41                   future overpayments during the term of the loan until the borrower provides different directions.

42                   (e) A student loan servicer shall apply partial payments in a manner that minimizes late  
43                   fees and negative credit reporting. Where loans on a borrower's student loan account have an  
44                   equal level of delinquency, a student loan servicer shall apply partial payments to satisfy as many  
45                   individual loan payments as possible on the borrower's account.

46                   (f) In the event of the sale, assignment, or other transfer of the servicing of a student loan  
47                   that results in a change in the identity of the person to which a borrower is required to send  
48                   payments or direct any communication concerning the loan, the following provisions apply:

49                   (1) The new student loan servicer shall honor all benefits originally represented  
50                   as available during repayment, including those for which the borrower has not  
51                   yet qualified.

- 1           (2)   The old student loan servicer shall transfer all records of the borrower to the  
2           new student loan servicer within 45 days of the sale, assignment, or transfer.  
3           (3)   The new student loan servicer shall provide notice to the borrower of the sale,  
4           assignment, or transfer at least seven days before the first payment is due to  
5           the new student loan servicer. The notice shall include the identity of the new  
6           student loan servicer, the effective date of the sale, assignment, or transfer, the  
7           date the old student loan servicer will no longer accept payments, and the  
8           contact information for the new student loan servicer.

9           (g)   Except as otherwise provided in federal law, federal student loan agreements, or a  
10          contract between the federal government and a student loan servicer, a student loan servicer shall  
11          properly evaluate a borrower for an income-based repayment program, public service loan  
12          forgiveness program, or other repayment program before placing the borrower in forbearance or  
13          default if one or more of these programs is available to the borrower.

14          **"§ 53-451. Prohibited conduct.**

15          In addition to the activities prohibited under other provisions of this Article, it is unlawful for  
16          any student loan servicer to do any of the following:

- 17           (1)   Directly or indirectly employ a scheme, device, or artifice to defraud or  
18           mislead borrowers or the Commissioner.  
19           (2)   Engage in an unfair or deceptive trade practice toward any person or  
20           misrepresent or omit any material information in connection with the  
21           servicing of a student loan, including the amount, nature, or terms of any fee  
22           or payment due or claimed to be due on a student loan, the terms and  
23           conditions of the loan agreement, or the borrower's obligation under the  
24           student loan.  
25           (3)   Obtain property by fraud or misrepresentation.  
26           (4)   Misapply payments to the outstanding balance of a student loan.

31           (7)   Refuse to communicate with an authorized representative of a borrower who  
32           provides any written authorization signed by the borrower. The student loan  
33           servicer, however, may adopt procedures reasonably related to verifying that  
34           the representative is in fact authorized to act on behalf of the borrower. For  
35           purposes of this subdivision, a borrower who has submitted a complaint to any  
36           State agency is deemed to have authorized the student loan servicer to  
37           communicate directly with the State agency about the borrower's student loan.  
38           (8)   Fail to respond to a communication from any State agency within 20 days or  
39           within a shorter reasonable period of time if requested by the State agency.  
40           (9)   Fail to respond within 20 days to a complaint submitted to the student loan  
41           servicer by the Commissioner or Student Loan Ombudsman. If necessary, the  
42           student loan servicer may request additional time to respond to the complaint,  
43           up to a maximum of 45 days, so long as the request is accompanied by an  
44           explanation for why additional time is reasonable and necessary.  
45           (10)   Make any false statement or omit any material fact in connection with  
46           information or reports filed with a governmental agency or in connection with  
47           an investigation or examination conducted by the Commissioner.  
48           (11)   Communicate with a borrower in any manner designed to harass or intimidate  
49           the borrower.  
50           (12)   Violate State or federal privacy laws.

51          **"§ 53-452. Commissioner's authority to investigate and examine.**

- 3            (1) Criminal, civil, and administrative history information, including data  
4 unrelated to a conviction.
- 5            (2) Personal history and experience information, including independent credit  
6 reports obtained from a consumer reporting agency.
- 7            (3) Any other documents, information, or evidence the Commissioner deems  
8 relevant to the inquiry, investigation, or examination regardless of the  
9 location, possession, control, or custody of the documents or information.
- 10        (b) The Commissioner may investigate or examine any student loan servicer as often as  
11 necessary to carry out the purposes of this Article. The Commissioner may interview borrowers,  
12 as well as the student loan servicer's controlling persons, employees, independent contractors,  
13 and agents. The Commissioner may order the attendance of and examine under oath all persons  
14 whose testimony about the student loan servicing activity the Commissioner deems relevant. The  
15 Commissioner may also order the student loan servicer to produce documents or information the  
16 Commissioner deems relevant. Any investigation or examination that, in the opinion of the  
17 Commissioner, requires extraordinary review, investigation, or examination is subject to the  
18 actual costs of additional expenses and the hourly rate for the Office of the Commissioner of  
19 Banks' staff's time, to be determined annually by the State Banking Commission.
- 20        (c) Upon request, each student loan servicer shall make available in a location that is  
21 acceptable to the Commissioner the records relating to the operations of the student loan servicer.  
22 No person shall knowingly withhold, remove, secrete, mutilate, or destroy any records or  
23 information. The Commissioner may control access to the records by moving them to another  
24 location or placing a person in exclusive charge of them where they are usually kept. During this  
25 period of control, no person shall remove any records or information except pursuant to a court  
26 order or with the consent of the Commissioner. Unless the Commissioner has a reason to believe  
27 the records are at risk of being withheld, removed, secreted, mutilated, or destroyed, the student  
28 loan servicer shall have access to them.
- 29        (d) Each student loan servicer shall make or compile reports as directed by the  
30 Commissioner to carry out the purposes of this section, including any of the following:
- 31            (1) Accounting compilations.
- 32            (2) Information lists and data concerning student loan servicing activities in a  
33 format prescribed by the Commissioner.
- 34            (3) Periodic reports, including any of the following:
- 35                a. Annual report questionnaires.
- 36                b. Any report required by the NMLS.
- 37        (e) To carry out the purposes of this section, the Commissioner may do any of the  
38 following:
- 39            (1) Retain attorneys, accountants, or other professionals and specialists as  
40 examiners, auditors, or investigators to assist with the investigation or  
41 examination.
- 42            (2) Enter into agreements or relationships with other governmental agencies or  
43 regulatory associations to improve efficiencies and reduce the regulatory  
44 burden by sharing resources, standardized or uniform methods or procedures,  
45 or documents or information obtained under this section.
- 46            (3) Use, hire, contract, or employ publicly or privately available analytical  
47 systems, methods, or software.
- 48            (4) Accept and rely on investigation and examination reports made by other  
49 governmental agencies.

1           (5)    Accept an audit report made by an independent certified public accountant  
2                   and incorporate the audit report in the report of the investigation or  
3                   examination or other writing of the Commissioner.

4           (f)    The Commissioner may take any action described in G.S. 53-455 or G.S. 53-456,  
5 including summary suspension of the license, if a student loan servicer fails within 20 days, or a  
6 lesser time if requested for good cause, to do any of the following:

7           (1)    Respond to inquiries from the Commissioner regarding any complaint filed  
8                   against the student loan servicer that appears to involve a violation of this  
9                   Article or any rule adopted or order issued under this Article.

10          (2)    Respond to and cooperate fully with notices from the Commissioner relating  
11                   to the scheduling and conducting of an investigation or examination.

12          (3)    Consent to a criminal history record check. The refusal constitutes grounds  
13                   for the Commissioner to deny licensure to the applicant as well as any person  
14                   controlled by the applicant.

15 **"§ 53-453. Confidentiality.**

16          (a)    All information obtained by the Commissioner under this Article is subject to  
17 confidential treatment as provided in G.S. 53C-2-7.

18          (b)    Notwithstanding any State law to the contrary, the Commissioner shall report  
19 enforcement actions under this Article and any other relevant information to the NMLS.

20          (c)    The Commissioner may enter into written agreements with other governmental  
21 agencies, the Conference of State Bank Supervisors, or other associations representing  
22 governmental agencies and may share otherwise confidential information pursuant to these  
23 agreements.

24          (d)    The requirements of G.S. 53C-2-7 regarding the privacy or confidentiality of any  
25 information provided under subsections (b) and (c) of this section, and any privilege arising under  
26 any other federal or State law with respect to the information, continues to apply to the  
27 information after it has been disclosed to an entity described in subsection (b) or (c) of this  
28 section. Information held by the entity is not subject to disclosure under any State law governing  
29 the disclosure to the public of information held by an officer or agency of the State. The entities  
30 described in subsection (b) or (c) of this section may share information with all State and federal  
31 regulatory officials with student loan industry oversight authority without the loss of privilege or  
32 the loss of confidentiality protections provided by State and federal law.

33          (e)    Nothing in this section prohibits the Commissioner from releasing to the public a list  
34 of persons licensed under this Article or aggregated financial data on these licensees.

35 **"§ 53-454. Regulatory authority.**

36          (a)    Unless otherwise provided, all actions, hearings, and procedures under this Article  
37 are governed by Article 3A of Chapter 150B of the General Statutes.

38          (b)    Upon the issuance of any summary order permitted under this Article, including  
39 summary suspensions and cease and desist orders, the Commissioner shall promptly notify the  
40 licensee that the order has been entered and the reasons for the order. Within 20 days of receiving  
41 notice of the order, the licensee may request in writing a hearing before the Commissioner. The  
42 Commissioner shall schedule a hearing within 15 days of receiving the request. If the licensee  
43 does not request a hearing, the order remains in effect unless it is modified or vacated by the  
44 Commissioner.

45 **"§ 53-455. Disciplinary action.**

46          (a)    The Commissioner may, by order, deny, suspend, revoke, or refuse to renew a license  
47 under this Article or may restrict the manner in which a licensee or a controlling person of a  
48 licensee engages in student loan servicing, if the Commissioner finds both of the following:

49           (1)    The order is in the public interest.

50           (2)    The licensee or a controlling person of the licensee has done or is subject to  
51 any of the following:

- 1           a. Submitted an application for licensure, report, or other document to  
2           the Commissioner that, as of its effective date or later, contained a  
3           statement that, in light of the circumstances under which it was made,  
4           is false or misleading with respect to a material fact.  
5           b. Violated any provision of this Article or rule adopted or order issued  
6           under this Article.  
7           c. Is permanently or temporarily enjoined by a court from engaging in  
8           student loan servicing.  
9           d. Is the subject of an order entered within the past five years by any  
10           governmental agency with jurisdiction over the student loan servicing  
11           industry.

12           (b) If the Commissioner has reason to believe that a licensee has violated any provision  
13           of this Article or rule adopted or order issued under this Article, the Commissioner may take any  
14           of the following actions:

- 15                   (1) Summarily order the licensee to cease and desist from any harmful activities  
16                   or violations of this Article.  
17                   (2) Summarily suspend the license of the licensee.

18           This subsection supplements the Commissioner's authority under G.S. 150B-3(c).

19           (c) If a licensee is accused of any act or omission that would subject the licensee to  
20           disciplinary action under this section, the licensee, with the approval of the Commissioner, may  
21           surrender the license and all of the rights and privileges pertaining to it. A person that surrenders  
22           a license is not eligible for licensure under this Article during any period specified by the  
23           Commissioner.

24           **"§ 53-456. Civil penalty; restitution; disgorgement; authority to prohibit certain conduct.**

28           clear proceeds of civil penalties imposed pursuant to this section shall be remitted to the Civil  
29           Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

30           (b) Restitution. – If a student loan servicer violates this Article or rule adopted or order  
31           issued under this Article, the Commissioner may order the student loan servicer to pay restitution  
32           to a borrower injured by the violation.

33           (c) Disgorgement. – The Commissioner may require a student loan servicer to disgorge  
34           and pay to the borrower or other person any amount received by the student loan servicer  
35           collected in violation of Chapter 24 of the General Statutes.

36           (d) Authority to Prohibit. – The Commissioner may prohibit a student loan servicer from  
37           engaging in acts or practices in connection with student loan servicing that the Commissioner  
38           finds to be unfair, deceptive, designed to evade the laws of this State, or not in the best interest  
39           of the borrowing public.

40           **"§ 53-457. Civil remedy.**

41           (a) A borrower may bring a civil action for damages against a student loan servicer for  
42           an injury caused by the student loan servicer's violation of this Article or rule adopted or order  
43           issued under this Article. If the violation occurs in connection with the sale, assignment, or other  
44           transfer of the servicing between two student loan servicers, the student loan servicers remain  
45           jointly and severally liable for the injury.

46           (b) A violation of this Article or rule adopted or order issued under this Article is an  
47           unfair or deceptive trade practice for purposes of Chapter 75 of the General Statutes. Nothing in  
48           this Article limits any claim otherwise arising under G.S. 75-1.1.

2           under this Article.

3           (2)   Appointed the Secretary of State as the licensee's agent for the purpose of  
4           accepting service of process in an action arising under this Article.

5           (b)   The Commissioner is deemed to have complied with the requirement of law  
6           concerning service of process upon mailing by certified mail notice to a licensee, postage prepaid  
7           and addressed to the last known address on file with the Commissioner.

8           **"§ 53-459. Rules; appeal by aggrieved person.**

9           (a)   The Commissioner may adopt any rule that the Commissioner deems necessary to  
10          carry out the provisions of this Article.

11          (b)   Pursuant to G.S. 53C-2-6(b), any person aggrieved by any rule adopted or order  
12          issued by the Commissioner may appeal to the State Banking Commission for review upon  
13          providing a written notice of appeal within 20 days after the rule was adopted or order was issued.  
14          The notice of appeal shall specifically state the grounds for appeal and, in the case of an appeal  
15          from a contested case proceeding before the Commissioner, shall set forth in numbered order the  
16          assignments of error for review by the State Banking Commission. Failure to specify the  
17          assignments of error or failure to comply with the briefing schedule provided by the State  
18          Banking Commission constitutes grounds to dismiss the appeal. Any party aggrieved by a  
19          decision of the State Banking Commission may petition for judicial review pursuant to  
20          G.S. 53C-2-6(b).

21          **"§ 53-460. Commissioner's participation in nationwide registry.**
