3 ONE-YEAR EXTENSION OF THE VIRTUAL CHARTER SCHOOL PILOT PROGRAM.
4 The General Assembly of North Carolina enacts:

5 **SECTION 1.(a)** Article 14A of Chapter 115C of the General Statutes is amended by
6 adding a new Part to read:

7 "Part 7. Remote Charter Academies.

8 **"§ 115C-218.120. Remote charter academies.**

9 (a) As part of an application or modification of a charter, a nonprofit may apply to the
10 State Board of Education for approval to include a remote charter academy that meets the
11 requirements of this Part as part of the nonprofit's charter. A charter that includes a remote charter
12 academy may do any of the following:

13 (1) Provide only remote instruction to enrolled students served by the charter in
14 accordance with this Part.

15 (2) Provide remote instruction to students enrolled in the remote charter academy
16 and provide in-person instruction to other students served by the charter.

17 (3) Provide enrolled students both remote instruction and in-person instruction. A
18 student who receives more than half of the student's instruction through
19 remote instruction shall be classified as enrolled in the charter's remote charter
20 academy.

21 (b) As part of the application or modification of a charter, the nonprofit shall designate
22 which of the following enrollment areas the remote charter academy will use to enroll students:

23 (1) A statewide remote charter academy that admits students in accordance with
24 G.S. 115C-218.45.

25 (2) A regional remote charter academy that, notwithstanding
26 G.S. 115C-218.45(a), admits students only from the county in which the
27 charter school facility is located and the counties of the State geographically
28 contiguous to that county.

29 (c) A remote charter academy provides instruction primarily online through a
30 combination of synchronous and asynchronous instruction delivered to students in a remote
31 location outside of the charter school facility. A remote charter academy may include any
32 combination of grade levels.

33 (d) Notwithstanding G.S. 115C-84.3, an approved remote charter academy may satisfy
34 the minimum required number of instructional days or hours for the school calendar through
35 remote instruction.

36 **"§ 115C-218.121. Remote charter academy enrollment.**

1 (a) A student shall not be assigned to attend a remote charter academy without parental
2 consent. A board of directors shall require an application to secure parental consent prior to
3 enrollment of a student in a remote charter academy.

4 (b) A remote charter academy shall identify characteristics for successful remote learning
5 and establish criteria for admittance to a remote charter academy and shall make that information
6 available to parents.

7 (c) A student may not be denied admission to the remote charter academy solely on the
8 basis that the student is a child with a disability. If a student is admitted to a remote charter
9 academy, that student's IEP team, as defined in G.S. 115C-106.3, or section 504 team, 29 U.S.C.
10 § 794, must plan for a successful student entry and accommodations necessary to provide for a
11 free appropriate public education in the remote charter academy.

12 (d) A charter that provides in-person instruction may reassign a student to in-person
13 instruction during the school year if the board of directors determines that in-person instruction
14 would better ensure academic success for that student. The board of directors may delegate this
15 authority to the chief administrator.

16 **"§ 115C-218.122. Remote charter academy requirements.**

17 (a) Except as provided in this Part, a remote charter academy shall meet the same
18 requirements as for other charter schools established by this Article.

19 (b) A remote charter academy shall provide all of the following to enrolled students:

20 (1) Any hardware and software needed to participate in the remote charter
21 academy. Students may not be charged rental fees but may be charged damage
22 fees for abuse or loss of hardware or software under rules adopted by the State
23 Board of Education.

24 (2) Access to a learning management platform that enables monitoring of student
25 performance and school-owned devices, as well as allows video conferencing
26 and supervised text-based chat for synchronous communication.

27 (3) Access to the internet that is available during instructional hours, evenings,
28 and weekends.

29 (4) Technical support that is available during instructional hours.

30 (5) For children with an individualized education program (IEP), as defined in
31 G.S. 115C-106.3, or a section 504 plan, 29 U.S.C. § 794, adaptive or assistive
32 devices, transportation, and in-person services as required by that program or
33 plan.

34 (c) A remote charter academy may require students to attend in person to fulfill
35 State-mandated student assessments. A remote charter academy may conduct optional in-person
36 meetings between students and instructors or parents and instructors at a charter school facility.

37 (d) The employees of a remote charter academy shall meet the same licensure and
38 evaluation requirements as required by G.S. 115C-218.90. The remote charter academy shall
39 ensure sufficient digital teaching and learning support staff, including, at a minimum, the
40 following:

41 (1) An instructional technology facilitator.

42 (2) A school library media coordinator.

43 (3) A data manager.

44 (4) Sufficient remote technicians to ensure technical support throughout the
45 instructional day for staff and students.

46 **"§ 115C-218.123. Remote charter academy approval process.**

47 (a) A nonprofit seeking to provide a remote charter academy shall submit to the State
48 Board of Education as part of the application for approval or modification of a charter a plan that
49 provides for the following:

50 (1) Whether the enrollment area of the remote charter academy will be statewide
51 or regional.

- 1 (2) The range of grades for which the remote charter academy will offer courses.
2 (3) The method by which the remote charter academy will monitor calendar
3 compliance, enrollment, daily attendance, course credit accrual, progress
4 toward graduation, and course completion.
5 (4) Hardware, software, and learning management platforms that support online
6 learning.
7 (5) The measures used to ensure that both synchronous and asynchronous remote
8 instruction time, practice, and application components support learning
9 growth that continues toward mastery of student achievement goals for the
10 charter's educational program.
11 (6) The professional development that will be provided to those teaching in the
12 remote charter academy related to the pedagogy of providing remote
13 instruction.
14 (7) The identified characteristics for successful remote learning and criteria for
15 admission to the remote charter academy. The board of directors shall identify
16 the means by which information will be communicated to the parents and legal
17 guardians of prospective applicants and current enrollees about the remote
18 charter academy and those characteristics and criteria to allow for informed
19 decisions about enrollment.
20 (8) Any school nutrition services or transportation services that will be provided
21 to students.

22 (b) The State Board of Education shall review and approve a charter or charter
23 modification for the creation of a remote charter academy that meets the requirements established
24 in this Part for a term of five years. The State Board of Education shall approve a minimum of
25 two statewide remote charter academies that meet the qualifications of this Part for operation
26 beginning with the 2026-2027 school year and thereafter.

27 **"§ 115C-218.124. Operation and renewal of remote charter academies.**

28 (a) Each approved remote charter academy shall adhere to the plan submitted to and
29 approved by the State Board of Education as part of the approved charter unless the board of
30 trustees obtains a charter modification.

31 (b) Each approved remote charter academy shall receive a school code.

32 (c) A nonprofit may apply for renewal of the remote charter academy for additional terms
33 of five years. The State Board shall consider compliance with the requirements of this Part and
34 success of the remote charter academy in the prior five years in determining whether to approve
35 a request for renewal of a remote charter academy.

36 **"§ 115C-218.125. Evaluation.**

37 The State Board of Education shall evaluate the success of remote charter academies
38 approved under this Part. Success shall be measured by school performance scores and grades,
39 retention rates, attendance rates, and, for grades nine through 12, high school completion and
40 dropout rates. The Board shall report by November 15 of each year to the Joint Legislative
41 Education Oversight Committee on the evaluation of these academies and on any recommended
42 statutory changes."
