HOUSE BILL DRH50024-NJ-18A

Short Title: RBG Act.

(Public)

Sponsors: Representative von Haefen.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO REMOVE BARRIERS TO GAIN ACCESS TO ABORTION ACT (RBG ACT).

3 Whereas, the ability to access safe and legal abortion is a critical component of a
4 patient's health and dignity, as well as independence, freedom, and equality; and

5 Whereas, throughout pregnancy, patients must be able to make their own health care
6 decisions with the advice of health care professionals they trust and without government
7 interference; and

8 Whereas, North Carolina has limited access to abortion services by enacting a
9 growing number of hurdles, restrictions, and requirements that serve no medical purpose and are
10 intended to make it more difficult for patients to access health care; and

11 Whereas, the impact of abortion restrictions is predominantly felt by those who
12 already experience systemic barriers to health care, including young people, people of color and
13 those with disabilities, individuals with low incomes, and those who live in rural areas or are
14 undocumented; Now, therefore,

15 The General Assembly of North Carolina enacts:
