7 **SECTION 1.** G.S. 47C-3-118 reads as rewritten:

8 **"§ 47C-3-118. Association records.**

9 (a) The association shall keep financial records sufficiently detailed to enable the
10 association to comply with this chapter. All financial and other records, including records of
11 meetings of the association and executive board, shall be made reasonably available for
12 examination by any unit owner and the unit owner's authorized agents as required by the bylaws
13 and by Chapter 55A of the General Statutes if the association is a nonprofit corporation. If the
14 bylaws do not specify particular records to be maintained, the association shall keep accurate
15 records of all cash receipts and expenditures and all assets and liabilities. In addition to any
16 specific information that is required by the bylaws to be assembled and reported to the unit
17 owners at specified times, the association shall make an annual income and expense statement
18 and balance sheet available to all unit owners at no charge and within 75 days after the close of
19 the fiscal year to which the information relates. Notwithstanding the bylaws, a more extensive
20 compilation, review, or audit of the association's books and records for the current or immediately
21 preceding fiscal year may be required by a vote of the majority of the executive board or by the
22 affirmative vote of a majority of the unit owners present and voting in person or by proxy at any
23 annual meeting or any special meeting duly called for that purpose.

24 (a1) The association, upon written request, shall furnish to a unit owner or the unit owner's
25 authorized agents the contract(s) between the association and the community association
26 manager relating to the management of the association. The association must provide the
27 requestor either a physical copy of the contract or with an agreeable time to review the contract
28 in person. For purposes of this subsection, "community association" means an association or
29 organization of the owners of residential condominiums, timeshares, townhouses, apartments, or
30 lots in a planned community or subdivision that is subject to a uniform scheme of restrictive
31 covenants, in which owner membership is made mandatory by covenant, contract, or deed, and
32 is authorized to collect dues, assessments, or other payments from owner-members. "Community
33 association manager" means any person, partnership, firm, corporation, limited liability
34 company, association, or other business entity who, for compensation or other valuable
35 consideration or promise thereof, performs any of the following on behalf of a community
36 association:

2 financial, or other transactions and communications with association members
3 and nonmembers.
- 4 (2) Executes the resolutions and decisions of the government of a community
5 association or, with the authority of the association, enforces the rights of the
6 association secured by statutes, contract, covenant, rule, or bylaw.
- 7 (3) Collects, disburses, or otherwise exercises dominion or control over money or
8 other property belonging to a community association.
- 9 (4) Prepares budgets, financial statements, or other financial reports for a
10 community association.

12 purchase of property or goods for or on behalf of a community association.

14 through (5) of this subsection on behalf of a community association.

15 (b) The association, upon written request, shall furnish a unit owner or the unit owner's
16 authorized agents a statement setting forth the amount of unpaid assessments and other charges
17 against a unit. The statement shall be furnished within 10 business days after receipt of the request
18 and is binding on the association, the executive board, and every unit owner. The association, its
19 managers, or its agents may charge a reasonable fee for providing statements of unpaid
20 assessments and other charges, not to exceed two hundred dollars (\$200.00) per statement or
21 request, and an additional expedite fee in an amount not to exceed one hundred dollars (\$100.00)
22 if the request is made within 48 hours of closing.

23 (c) In addition to the limitations of Article 8 of Chapter 55A of the General Statutes, no
24 financial payments, including payments made in the form of goods and services, may be made
25 to any officer or member of the association's executive board or to a business, business associate,
26 or relative of an officer or member of the executive board, except as expressly provided for in
27 the bylaws or in payments for services or expenses paid on behalf of the association which are
