SENATE BILL DRS45116-MG-93

Short Title: Exempt Vascular Access Providers From CON. (Public)

Sponsors: Senators Hise and Krawiec (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT EXEMPTING PROVIDERS OF PHYSICIAN OFFICE-BASED VASCULAR
3 ACCESS PROCEDURES FROM CERTIFICATE OF NEED REVIEW.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. G.S. 131E-175 is amended by adding the following new subdivisions
6 to read:

7 "(13) That physicians providing care for vascular access sites in unlicensed settings
8 should be given an opportunity to obtain a license to provide those services to
9 ensure the safety of patients and the provision of quality care.

10 (14) That demand for establishing and maintaining sites for vascular access
11 procedures, which are commonly performed in emergency departments, is
12 increasing at a rapid rate as more North Carolinians are living longer with
13 end-stage renal disease.

14 (15) That continuing to treat vulnerable patients with end-stage renal disease in
15 nonhospital settings lowers costs, reduces overnight hospital stays, and keeps
16 patients healthier."

17 SECTION 2. G.S. 131E-178 reads as rewritten:

18 "§ 131E-178. Activities requiring certificate of need; limited exemptions for
19 gastrointestinal endoscopy and vascular access for hemodialysis.

20 (a) No person shall offer or develop a new institutional health service without first
21 obtaining a certificate of need from the ~~Department; provided, however, no~~ Department, except
22 as provided in subsections (a1) and (a2) of this section.

23 (a1) No person who provides gastrointestinal endoscopy procedures in one or more
24 gastrointestinal endoscopy rooms located in a nonlicensed setting, shall be required to obtain a
25 certificate of need to license that setting as an ambulatory surgical facility with the existing
26 number of gastrointestinal endoscopy rooms, provided ~~that~~ that the person meets all of the
27 following criteria:

28 (1) The license application is postmarked for delivery to the Division of Health
29 Service Regulation by December 31, ~~2006;~~2006.

30 (2) The applicant verifies, by affidavit submitted to the Division of Health Service
31 Regulation within 60 days of the effective date of this act, that the facility was
32 in operation as of the effective date of this act or that the completed application
33 for the building permit for the facility was submitted by the effective date of
34 this ~~act;~~act.

35 (3) The facility has been accredited by The Accreditation Association for
36 Ambulatory Health Care, ~~The Joint Commission on Accreditation of~~

~~Healthcare Organizations, The Joint Commission, or The American Association for Accreditation of Ambulatory Surgical Facilities by the time the license application is postmarked for delivery to the Division of Health Service Regulation of the Department; and Department.~~

- (4) The license application includes a commitment to and a plan for serving indigent and medically underserved populations.

All other persons proposing to obtain a license to establish an ambulatory surgical facility for the provision of gastrointestinal endoscopy procedures shall be required to obtain a certificate of need. The annual State Medical Facilities Plan shall not include policies or need determinations that limit the number of gastrointestinal endoscopy rooms that may be approved.

(a2) No person who provides vascular access for hemodialysis in a physician office-based vascular access center located in a nonlicensed setting shall be required to obtain a certificate of need to license that setting as an ambulatory surgical facility with the existing number of vascular access procedure rooms, provided that the person meets all of the following criteria:

- (1) The license application is postmarked for delivery to the Division of Health Service Regulation by December 31, 2023.
- (2) The applicant verifies, by affidavit submitted to the Division of Health Service Regulation within 60 days after the effective date of this act, that the facility was in operation as of the effective date of this act or that the completed application for the building permit for the facility was submitted by the effective date of this act.
- (3) The facility has been accredited by the Accreditation Association for Ambulatory Health Care, The Joint Commission, or the American Association for Accreditation of Ambulatory Surgical Facilities by the time the license application is postmarked for delivery to the Division of Health Service Regulation of the Department.
- (4) The license application includes a commitment to and a plan for serving indigent and medically underserved populations.

All other persons proposing to obtain a license to establish an ambulatory surgical facility for the provision of vascular access site management shall be required to obtain a certificate of need. The annual State Medical Facilities Plan shall not include policies or need determinations that limit the number of vascular access procedure rooms that may be approved.

...."

SECTION 3. This act becomes effective October 1, 2023.
