The General Assembly of North Carolina enacts:

**SECTION 1.** There is established the North Carolina Task Force on the Fair Publishing of Crowd-Sourced Reviews (Task Force). The purpose of the Task Force is to (i) study the practices of platforms publishing crowd-sourced reviews, (ii) study the relationship between those practices and the public's ability to accurately assess businesses, and (iii) recommend initiatives that are appropriately compliant with federal law but that are tailored to needs and goals of North Carolina consumers and businesses. In carrying out this study, the Task Force shall examine the following:

- (1) The substance and ordering of reviews published by a platform as compared to the substance and ordering of reviews submitted to the publishing platform.
- (2) The correlation, if any, between revenue received by the platform operator from businesses and the substance and ordering of reviews for those businesses as compared to other businesses reviewed on the platform.
- (3) The ability of business owners to request and acquire from the platform contact information for reviewers leaving negative reviews.
- (4) The financial cost to North Carolina businesses and consumers of any publishing practices the Task Force deems unfair and the comparative projected impact of implementing fairer practices. The Task Force shall give particular attention to the costs and projected impacts for North Carolina small businesses.
- (5) Feasible steps the State can take to encourage or require fairer publishing practices.

8 first meeting as soon as practicable after appointments have been made.

9 **SECTION 4.** The Legislative Services Commission shall grant adequate meeting  
10 space to the Task Force in the State Legislative Building or the Legislative Office Building. The  
11 Legislative Services Commission shall allocate from a portion of the funds appropriated to the
