 - (3) One community birth consumer who shall serve for a term of two years.
 - (4) One Certified Nurse-Midwife experienced in community birth who shall serve a term of two years.

<u>Upon the expiration of the terms of the initial Council members, members shall be appointed for terms of four years and shall serve until their successors are appointed. No member may serve more than two consecutive terms.</u>

- (b) Qualifications. Each Council member shall be a resident of this State. The members who are health care providers shall hold current licenses from the Council and remain in good standing with the Council during their terms.
- (c) <u>Vacancies.</u> Any vacancy shall be filled by the Secretary of the Department of Health and Human Services. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed.
- (d) Removal. The Council may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. If a Council member is absent from three consecutive Council meetings without excuse, that member shall be removed from office, and a new member shall be appointed by the Secretary of the Department of Health and Human Services. An absence shall be deemed excused if caused (i) by a health problem or condition verified in writing by a licensed physician or (ii) by an accident or similar unforeseeable tragedy or event, on or before the next Council meeting. A member subject to disciplinary proceedings in the member's capacity as a health care provider shall be disqualified from participating in the official business of the Council until the charges have been resolved.
- (e) <u>Compensation. Each member of the Council shall receive per diem and reimbursement for travel and subsistence as provided in G.S. 93B-5.</u>
- (f) Officers. The officers of the Council shall be a chair, a vice-chair, and other officers deemed necessary by the Council to carry out the purposes of this Article. All officers shall be elected annually by the Council for two-year terms and shall serve until their successors are elected and qualified. No person may serve as chair for more than six consecutive years.
- (g) Meetings. The Council shall hold its first meeting within 45 days after the appointment of its members and shall hold at least two meetings each year to conduct business and to review the standards and rules previously adopted by the Council. The Council shall establish the procedures for calling, holding, and conducting regular and special meetings. A majority of Council members shall constitute a quorum. The Council shall hold such meetings during the year as it deems necessary, one of which shall be an annual meeting. The Department, the chairperson, or a majority of the Council shall have the authority to call additional meetings.
- (h) Notice of Meeting; Records. Public notice shall be given for all meetings and all meetings are open to the public. All records are available to the public. Persons wishing to obtain copies of records may request copies, in writing, from the Council.
- (i) The Council shall adopt rules within one year of the initial meeting to implement the provisions of this Article.

Conduct investigations for the purpose of determining whether violations of 16 (9) 17 this Article or grounds for disciplining midwives exist. 18 <u>(10)</u> Maintain a record of all proceedings and make available to all licensed 19 midwives and other concerned parties an annual report of all Council action. 20 (11)Adopt a seal containing the name of the Council for use on all official 21 documents and reports issued by the Council. 22 <u>(12)</u> Educate the public and other providers of maternity care about the role of the 23 licensed midwife. 24 "§ 90-178.15. Requirements for licensure. 25 An applicant shall be licensed to practice as a midwife under this Article if the applicant 26 meets all of the following requirements: 27 Completes an application on a form approved by the Council. <u>(1)</u> 28 <u>(2)</u> Has completed all required educational and clinical training, including 29 education in emergency skills for pregnancy, birth, and newborn care and 30 other midwifery topics addressing all ICM Core Competencies, as determined 31 by US MERA, and has earned the national midwifery certification credential 32 awarded by a national midwifery certification agency accredited by the 33 National Commission on Certifying Agencies (NCCA), the accrediting body 34 of the Institute of Credentialing Excellence. 35 Submits proof to the Council of current cardiopulmonary resuscitation (CPR) <u>(3)</u> 36 certification and neonatal resuscitation (NRP) certification. 37 <u>(4)</u> Has read, understands, and agrees to practice under the guidelines set forth in this Article and any rules adopted pursuant to this Article. 38 39 Pays the required fees in accordance with G.S. 90-178.19. (5) 40 "§ 90-178.16. Responsibilities of a licensed midwife; display of license. A Certified Professional Midwife licensed under this Article shall practice according 41 42 to the National Association of Certified Professional Midwives (NACPM) Standards of Practice 43 and shall have the following responsibilities: 44 Provide care for the healthy client who is expected to have a normal (1) 45 pregnancy, labor, birth, and postpartal phase in the setting of their choice. 46 (2) Ensure that the client has signed an informed consent form. This form shall 47 include information to inform the client of the qualifications of the licensee,

DRH30253-NB-140 Page 4

and the process of shared decision making and refusal.

Order routine antepartal or postpartal screening or laboratory analysis to be

performed by a licensed laboratory or testing facility, when necessary.

- Develop an emergency plan in collaboration with the client that shall include transfer plans for the client in the event of an emergency.
 - (5) Determine the progress of labor, monitor fetal and maternal status, and when labor is well-established, be available until delivery is accomplished.
 - (6) Remain with the mother during the postpartal period until the conditions of the mother and newborn are stabilized.
 - (7) Instruct the parents regarding the requirements of newborn screening.
 - (8) Instruct the parents regarding the requirement of newborn hearing screening.
 - (9) Submit and maintain a birth certificate of live birth in accordance with the requirements of Article 4 of Chapter 130A of the General Statutes.
 - (10) Practice in compliance with the requirements of this Article and any rules adopted pursuant to this Article.
 - (b) A midwife licensed pursuant to this Article shall display the license at all times in a conspicuous place where the licensed midwife is practicing, when applicable.

"§ 90-178.17. License renewal; inactive status; lapsed license.

- (a) An initial license to practice as a midwife shall be valid for two years. After the initial license expires, a license shall be renewed every two years. All applications for renewal shall be filed with the Council and shall be accompanied by the renewal fee in accordance with G.S. 90-178.19 and proof of current certification from NARM or AMCB. Compliance with NARM or AMCB recertification requirements shall include (i) remaining in good standing with NARM or AMCB, (ii) maintaining current cardiopulmonary resuscitation (CPR) and neonatal resuscitation (NRP) certifications, and (iii) completing any continuing education requirements.
- (b) A license that has expired for failure to renew may be reinstated after the applicant pays any late and renewal fees as required by G.S. 90-178.19 and complies with any other rules adopted pursuant to this Article.
- (c) Upon written request to the Council, the Council may grant a licensed midwife inactive status. While inactive, the midwife shall not practice midwifery in this State and shall not be subject to license renewal requirements established by the Council. A midwife may change the midwife's status from inactive to active by (i) submitting a written request to the Council and (ii) fulfilling the requirements for renewal described under subsection (a) of this section.
- (d) A midwife who does not seek inactive status and allows the license to expire after a 90-day grace period shall apply for a new license as prescribed in this Article.

"§ 90-178.18. Reciprocity.

The Council may, upon application and payment of proper fees, grant a license to an individual who resides in this State and has been licensed, certified, or registered to practice as a midwife in another jurisdiction if that jurisdiction's standards of competency are substantially equivalent to those provided in this Article in accordance with rules adopted by the Council.

"§ 90-178.19. Fees.

- (a) All fees shall be set by the Council, in consultation with the Division, pursuant to rules adopted under this Article. All fees payable to the Council shall be deposited in the name of the Council in financial institutions designated by the Council as official depositories and shall be used to pay all expenses incurred in carrying out the purposes of this Article.
- (b) All salaries, compensation, and expenses incurred or allowed to carry out the purposes of this Article shall be paid by the Council exclusively out of the fees received by the Council as authorized by this Article or funds received from other sources.

"§ 90-178.20. Midwifery formulary.

The Council shall establish a formulary of drugs and devices that are appropriate to midwifery care. Licensed midwifes shall dispense only those drugs and devices in accordance with the current formulary defined by the Council. Licensed midwives shall comply with applicable State and federal laws and rules relating to prescribing and administering of drugs. Licensed midwives shall maintain proper records of obtaining, storing, and administering drugs and devices. Nothing

DRH30253-NB-140 Page 5

in this section shall be construed to preclude a midwife from carrying out the prescribed medical orders of a licensed health care provider authorized to prescribe.

"§ 90-178.21. Suspension, revocation, and refusal to renew license.

- (a) The Council may issue a letter of reprimand, deny, refuse to renew, suspend, or revoke an application for licensure or a license if the applicant or licensee does any of the following:
 - (1) Gives false information or withholds material information from the Council in procuring or attempting to procure a license.
 - (2) Gives false information or withholds material information from the Council during the course of an investigation conducted by the Council.
 - (3) Has been convicted of or pled guilty or no contest to a crime that indicates the person is unfit or incompetent to practice midwifery as defined in this Article or that indicates the person has deceived, defrauded, or endangered the public.
 - (4) Has a habitual substance abuse problem or mental impairment that interferes with his or her ability to provide appropriate care as established by this Article or rules adopted by the Council.
 - (5) Has demonstrated gross negligence, incompetency, or misconduct in the practice of midwifery as defined in this Article.
 - (6) Has had an application for licensure or a license to practice midwifery in another jurisdiction denied, suspended, or revoked for reasons that would be grounds for similar action in this State.
 - (7) Has willfully violated any provision of this Article or rules adopted by the Council.
- (b) The taking of any action authorized under subsection (a) of this section may be ordered by the Council after a hearing is held in accordance with Article 3A of Chapter 150B of the General Statutes. The Council may reinstate a revoked license if it finds that the reasons for revocation no longer exist and that the person can reasonably be expected to perform the services authorized under this Article in a safe manner.

"§ 90-178.22. Enjoining illegal practices; vicarious liability.

- (a) The Council may apply to the superior court for an order enjoining violations of this Article. Upon a showing by the Council that any person has violated this Article, the court may grant injunctive relief.
- (b) No health care provider or medical facility shall be liable for an injury to a woman or infant arising during childbirth and resulting from an act or omission by a midwife licensed under this Article, regardless of whether the health care provider has consulted with or accepted a referral from the licensee."

SECTION 2. This act becomes effective October 1, 2023.
