50 person or missing child as described in subsection (a) of this section, and at the time of receipt
51 no more than 72 hours have passed since the person or child went missing, the Center or law

1 enforcement agency shall issue an alert providing for rapid dissemination of information
2 statewide regarding the missing person or missing child. The Center or law enforcement agency
3 shall make every effort to disseminate the information as quickly as possible when the person's
4 or child's status as missing has been reported to a law enforcement agency.

5 (c) The Center and all law enforcement agencies shall adopt guidelines and develop
6 procedures for issuing an alert for missing persons and missing children as described in
7 subsection (a) of this section and shall provide education and training to encourage radio and
8 television broadcasters to participate in the alert. The guidelines and procedures shall ensure that
9 specific health information about the missing person or missing child is not made public through
10 the alert or otherwise.

11 (d) The Center and all law enforcement agencies shall consult with the Department of
12 Transportation and develop a procedure for the use of overhead permanent changeable message
13 signs to provide information on the missing person or missing child meeting the criteria of this
14 section when information is available that would enable motorists to assist in the recovery of the
15 missing person or missing child. The Center and the Department of Transportation shall develop
16 guidelines for the content, length, and frequency of any message to be placed on an overhead
17 permanent changeable message sign."
