A BILL TO BE ENTITLED
AN ACT TO ESTABLISH GOVERNING STANDARDS FOR THE PROVISION OF
SURGICAL GENDER TRANSITION PROCEDURES TO PERSONS UNDER
EIGHTEEN YEARS OF AGE.

The General Assembly of North Carolina enacts:

SECTION 1. (a) Chapter 90 of the General Statutes is amended by adding a new
Article to read:

"Article 1M.

The following definitions apply in this Article:

(1) Biological sex. – The biological indication of male and female in the context
of reproductive potential or capacity, such as sex chromosomes, naturally
occurring sex hormones, gonads, and nonambiguous internal and external
genitalia present at birth, without regard to an individual's psychological,
chosen, or subjective experience of gender.

(2) Gender. – The psychological, behavioral, social, and cultural aspects of being
male or female.

(3) Gender reassignment surgery. – Any medical or surgical service that seeks to
surgically alter or remove healthy physical or anatomical characteristics or
features that are typical for the individual's biological sex, in order to instill or
create physiological or anatomical characteristics that resemble a sex different
from the individual's biological sex, including a genital or non-genital gender
reassignment surgery as defined in this section.

(4) Gender transition. – The process in which a person goes from identifying with
and living as a gender that corresponds to his or her biological sex to
identifying with and living as a gender different from his or her biological sex,
and may involve social, legal, or physical changes.

(5) Genital gender reassignment surgery. – A gender reassignment surgery
performed for the purpose of assisting an individual with a gender transition,
including, without limitation, any of the following:

a. Surgical procedures such as penectomy, orchiectomy, vaginoplasty,
cloroplasty, or vulvoplasty for biologically male patients or
hysterectomy or ovariectomy for biologically female patients.

b. Reconstruction of the fixed part of the urethra with or without a
metoidioplasty.
c. Phalloplasty, vaginectomy, scrotoplasty, or implantation of erection or testicular prostheses for biologically female patients.

(6) Health care provider. – A person who is licensed, certified, or otherwise authorized by the laws of this State to administer health care in the ordinary course of the practice of his or her profession.

(7) Minor. – An individual who is younger than 18 years of age.

(8) Non-genital gender reassignment surgery. – A gender reassignment surgery performed for the purpose of assisting an individual with a gender transition, including, without limitation, any of the following:
   a. Surgical procedures for biologically male patients, such as augmentation mammoplasty, facial feminization surgery, liposuction, lipofilling, voice surgery, thyroid cartilage reduction, gluteal augmentation, hair reconstruction, or various aesthetic procedures.
   b. Surgical procedures for biologically female patients, such as subcutaneous mastectomy, voice surgery, liposuction, lipofilling, pectoral implants, or various aesthetic procedures.

(9) Physician. – An individual licensed to practice medicine under Article 1A of Chapter 90 of the General Statutes.

(10) Surgical gender transition procedure. – Any surgical service, including, without limitation, genital gender reassignment surgery and non-genital reassignment surgery, physician's services, and inpatient and outpatient hospital services related to gender transition, that seeks to do any of the following for the purpose of effecting a gender transition:
   a. Alter or remove physical or anatomical characteristics or features that are typical for the individual's biological sex.
   b. Instill or create physiological or anatomical characteristics that resemble a sex different from the individual’s biological sex.

(a) Notwithstanding any other provision of law, it shall be unlawful for any physician or other health care provider to provide surgical gender transition procedures to any individual under 18 years of age, except as provided in this Article. A physician or other health care provider shall not refer any individual under 18 years of age to any health care provider for surgical gender transition procedures.

(b) A physician or other health care provider shall not be prohibited from providing any of the following procedures to a minor:

   (1) Services to persons born with a medically verifiable disorder of sex development, including a person with external biological sex characteristics that are unresolvedly ambiguous, such as those born with 46 XX chromosomes with virilization, 46 XY chromosomes with under-virilization, or having both ovarian and testicular tissue.

   (2) Services provided when a physician has otherwise diagnosed a disorder of sexual development that the physician has determined through genetic or biochemical testing that the person does not have normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action.

   (3) The treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of gender transition procedures, whether or not the gender transition procedure was performed in accordance with State and federal law.

   (4) Breast reduction procedures for a female patient causing a physical disorder.

   (5) Any procedure undertaken because the individual suffers from a physical disorder, physical injury, or physical illness that would, as certified by a
(6) Any procedure, including those listed in G.S. 90-21.140(8), which a treating physician certifies is medically necessary to treat a physiological condition.

(c) A State, county, or local health care facility, physician, or health care provider shall not perform surgical gender transition procedures for a minor, except as provided in this Article.

(d) Nothing in this Article shall be construed to require a physician or health care provider to perform a surgical gender transition procedure.

SECTION 1.(b) Article 6 of Chapter 143C of the General Statutes is amended by adding a new section to read:

"§ 143C-6-5.6. Limitation on use of State funds for surgical gender transition procedures.

No State funds may be used, directly or indirectly, for the performance of or in furtherance of surgical gender transition procedures for individuals under 18 years of age, or to support the administration of any governmental health plan or government-offered insurance policy offering surgical gender transition procedures to individuals under 18 years of age."

SECTION 2. This act becomes effective October 1, 2023.
