3 NONGOVERNMENTAL INDEPENDENT CONTRACTORS WORKING WITH AND  
4 FOR CERTAIN PUBLIC AGENCIES.

5 The General Assembly of North Carolina enacts:

6 **SECTION 1.** Article 31 of Chapter 143 of the General Statutes is amended by adding  
7 a new section to read:

8 "**§ 143-300.1B. Limited liability for nongovernmental organizations with agencies.**

9 (a) The following definitions apply in this section:

10 (1) Health, human, and welfare services. – All services provided by the  
11 Department of Health and Human Services and its various divisions, in  
12 conjunction with or through nongovernmental organizations.

13 (2) Nongovernmental organization. – Any corporation, organization, or  
14 association, incorporated or otherwise, that is organized or operating in the  
15 State.

16 (3) Public agency. – The Department of Health and Human Services and any  
17 county or local agency affiliated with the Department.

18 (b) Notwithstanding any provision of law to the contrary, any nongovernmental  
19 organization that contracts with the public agency for the provision of health, human, and welfare  
20 services may be held liable for injury or damage caused by the negligence of the  
21 nongovernmental organization, but shall not be held liable for the injury or damage caused by  
22 the public agency, including any officer, employee, involuntary servant, volunteer, or agent of  
23 the public agency acting within the scope of their employment or contract.

24 (c) The nongovernmental organization and the public agency shall each bear the costs of  
25 defending itself against their respective acts and omissions and claims arising from those acts  
26 and omissions.

27 (d) Notwithstanding any provision of law to the contrary, this section shall not be waived  
28 or suspended by any court of competent jurisdiction. Any contract provision between parties  
29 which purports to impose on a nongovernmental organization any liability in tort for injury or  
30 damage, including bodily injury, mental anguish, property, economic, or noneconomic damages  
31 or loss caused by or resulting from a public agency's negligence, in whole or in part, shall be void  
32 and unenforceable. This section does not limit or affect the immunity provided by other State or  
33 federal law that would otherwise be an available defense to either party."

34 **SECTION 2.** Article 31 of Chapter 143 of the General Statutes is amended by adding  
35 a new section to read:

1 **"§ 143-300.1C. Limited liability for contractors with agencies.**

2 (a) The following definitions apply in this section:

3 (1) Health, human, and welfare services. – All services provided by the  
4 Department of Health and Human Services and its various divisions, in  
5 conjunction with or through nongovernmental independent contractors.

6 (2) Nongovernmental independent contractor. – An organization or individual

14 contracts with the public agency for the provision of health, human, and welfare services, while  
15 the nongovernmental independent contractor is performing or providing health, human, and  
16 welfare services within the scope of the contract or agreement.

17 (c) In performance of health, human, and welfare services, the nongovernmental

27 before the Industrial Commission.

28 (e) If any civil action is commenced against a nongovernmental independent contractor  
29 alleging death, bodily injury, or other injury to the claimant arising out of any action or omission  
30 within the scope of the nongovernmental independent contractor's performance or provision of  
31 health, human, and welfare services, the State shall indemnify the nongovernmental independent  
32 contractor for any damages incurred in excess of the monetary limits in G.S. 143-299.2 as applied  
33 in subsection (d) of this section.

34 (f) Damages, court costs, litigation expenses, and other costs of indemnification,

38 applied in subsection (d) of this section against the nongovernmental independent contractor, or  
39 upon the settlement of a claim in excess of those limits, the claimant or his or her representative  
40 shall file a copy of that judgment or settlement within 60 days after the effective date of that  
41 settlement or judgment with the Industrial Commission."
