Referred to:			
	April 19, 2023		
	A BILL TO BE ENTITLED		
AN ACT TO PRO	OHIBIT GENDER TRANSITION PROCEDURES FOR MINORS.		
The General Asse	embly of North Carolina enacts:		
SECT	TION 1. Chapter 90 of the General Statutes is amended by adding a new Article		
to read:			
	"Article 1N.		
	"Gender Transition Procedures on Minors.		
8 " <u>§ 90-21.150. Definitions.</u>			
The following	definitions apply in this Article:		
<u>(1)</u>	Biological sex. – The biological indication of male and female in the context		
	of reproductive potential or capacity, such as sex chromosomes, naturally		
	occurring sex hormones, gonads, and nonambiguous internal and external		
	genitalia present at birth, without regard to an individual's psychological,		
	chosen, or subjective experience of gender.		
<u>(2)</u>	<u>Cross-sex hormones. – Supraphysiologic doses of testosterone or other</u>		
	androgens to members of the female biological sex or supraphysiologic doses		
	of estrogen or synthetic compounds with estrogenic activity to members of the		
	male biological sex when used for the purpose of assisting an individual with		
	a gender transition.		
<u>(3)</u>	Gender. – The psychological, behavioral, social, and cultural aspects of being		
	male or female.		
<u>(4)</u>	Gender reassignment surgery. – Any surgical service that seeks to surgically		
	alter or remove healthy physical or anatomical characteristics or features that		
	are typical for the individual's biological sex, in order to instill or create		
	physiological or anatomical characteristics that resemble a sex different from		
	the individual's biological sex, including a genital or non-genital gender		
. .	reassignment surgery as defined in this section.		
<u>(5)</u>	Gender transition. – The process in which a person goes from identifying with		
	and living as a gender that corresponds to his or her biological sex to		
	identifying with and living as a gender different from his or her biological sex		
(-)	and may involve social, legal, or physical changes.		
<u>(6)</u>	Genital gender reassignment surgery. – A gender reassignment surgery		
	performed for the purpose of assisting an individual with a gender transition,		
	including, without limitation, any of the following:		
	Referred to: AN ACT TO PROTHER General AssessECT to read: "§ 90-21.150. Do The following (1)		

<u>a.</u>

		<u>3_7</u>	sexual development that the physician has determined through genetic or

- biochemical testing that the person does not have normal sex chromosome structure, sex steroid hormone production, or sex steroid hormone action.
 - (3) The treatment of any infection, injury, disease, or disorder that has been caused by or exacerbated by the performance of gender transition procedures, whether or not the gender transition procedure was performed in accordance with State and federal law.
 - (4) Breast reduction procedures for a female patient causing a physical disorder.
 - (5) Any procedure undertaken because the individual suffers from a physical disorder, physical injury, or physical illness that would, as certified by a physician, place the individual in imminent danger of death or impairment of major bodily function unless surgery is performed.
 - (6) Any surgery, including those listed in G.S. 90-21.150(6) and (9), which a treating physician certifies is medically necessary to treat a physiological condition.
 - (b) Notwithstanding G.S. 90-21.151, a medical professional shall not be prohibited from continuing or completing a course of treatment for a minor that includes a surgical gender transition procedure, or the administration of puberty-blocking drugs or cross-sex hormones, if all of the following apply:
 - (1) The course of treatment commenced prior to October 1, 2023, and was still active as of that date.
 - (2) In the reasonable medical judgment of the medical professional, it is in the best interest of the minor for the course of treatment to be continued or completed.
 - (3) The minor's parents or guardians consent to the continuation or completion of treatment.
 - (c) Except as provided in G.S. 90-21.151, nothing in this Article shall be construed to prohibit treatment provided by a licensed mental health professional which is provided within the scope of that professional's practice.
 - (d) No medical professional, or an entity that employs or contracts with a medical professional, shall be required to perform a surgical gender transition procedure or prescribe, provide, or dispense puberty-blocking drugs or cross-sex hormones. No hospital or other healthcare institution shall be required to participate in, or allow the use of, its facilities by a medical professional performing a surgical gender transition procedure or prescribing, providing, or dispensing puberty-blocking drugs or cross-sex hormones, regardless of whether the medical professional is employed by, under contract with, or has admitting privileges at the hospital or other healthcare institution. No medical professional, entity, hospital, or other healthcare institution shall be civilly, criminally, or administratively liable for exercising his, her, or its rights under this subsection.

"§ 90-21.153. Penalties.

A violation of any of the provisions of this Article by a medical professional shall be considered unprofessional conduct and shall result in the revocation of the medical professional's license to practice."

SECTION 2. Article 1N of Chapter 90 of the General Statutes, as enacted by Section 1 of this act, is amended by adding a new section to read:

"§ 90-21.154. Civil remedies.

(a) Any (i) medical professional who performs a surgical gender transition procedure on a minor or who prescribes, provides, or dispenses puberty-blocking drugs or cross-sex hormones to a minor and (ii) entity that employs or contracts with a medical professional who performs a surgical gender transition procedure on a minor or who prescribes, provides, or dispenses puberty-blocking drugs or cross-sex hormones to a minor shall be liable to the minor for any

1 2

physical, psychological, emotional, or physiological harms the minor suffers as a result of the surgical gender transition procedure, puberty-blocking drugs, or cross-sex hormones.

- (b) A minor who suffers an injury described in subsection (a) of this section, or a parent or guardian of a minor who suffers an injury described in subsection (a) of this section, may bring a civil action within the latter of 25 years from the day the minor reaches 18 years of age or four years from the time of discovery by the injured party of both the injury and the causal relationship between the treatment and the injury against the offending medical professional or entity. If the minor who suffered any injury described in subsection (a) of this section is under a legal disability upon attaining 18 years of age, the time limitation in this subsection does not begin to run until that legal disability is removed. An individual commencing an action under this section may seek the following relief:
 - (1) Declaratory or injunctive relief.
 - (2) Compensatory damages, including pain and suffering, loss of reputation, loss of income, and loss of consortium, which includes the loss of expectation of sharing parenthood.
 - (3) Punitive damages.
 - (4) Attorneys' fees and court costs.
 - (5) Any other appropriate relief.
- (c) Minors bringing an action under this section may do so through a parent or guardian prior to attaining majority and may do so in their own name after attaining majority. Notwithstanding G.S. 143-299, any action brought under this section may be commenced within the time frames described in subsection (b) of this section.
- (d) G.S. 90-21.19(a) shall not apply to damages awarded in an action brought under this section.
- (e) <u>Medical professionals and entities employing or contracting with medical professionals may not seek a contractual waiver of the liability imposed under this section. Any attempted waiver is null and void."</u>

SECTION 3. Article 6 of Chapter 143C of the General Statutes is amended by adding a new section to read:

"§ 143C-6-5.6. Limitation on use of State funds for gender transition procedures.

- (a) The following definitions apply in this section:
 - (1) Cross-sex hormones. As defined in G.S. 90-21.150.
 - (2) Minor. As defined in G.S. 90-21.150.
 - (3) Puberty-blocking drugs. As defined in G.S. 90-21.150.
 - (4) Surgical gender transition procedure. As defined in G.S. 90-21.150.
- (b) No State funds may be used, directly or indirectly, for the performance of or in furtherance of surgical gender transition procedures, or to provide puberty-blocking drugs or cross-sex hormones to a minor, or to support the administration of any governmental health plan or government-offered insurance policy offering surgical gender transition procedures, puberty-blocking drugs, or cross-sex hormones to a minor.
- (c) Subsection (b) of this section shall not apply to the State Health Plan for Teachers and State Employees."
- **SECTION 4.** If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application and, to this end, the provisions of this act are severable.
- **SECTION 5.** Section 2 of this act becomes effective July 1, 2023. Sections 1 and 3 of this act become effective October 1, 2023. Subsection (c) of G.S. 143C-6-5.6, as enacted by Section 3 of this act, expires 30 days after the Memorandum and Order, dated June 10, 2022, or the permanent injunction ordered therein in Kadel v. Folwell, 1:19CV272 is vacated, overturned, or is no longer in force. The State Health Plan for Teachers and State Employees shall notify the

- 1 Revisor of Statutes if the order or injunction is vacated, overturned, or no longer in force. The
- 2 remainder of this act is effective when it becomes law.
