 39 **PART IV. SHORT-TIME COMPENSATION PROGRAM**

40 **SECTION 4.(a)** Chapter 96 of the General Statutes is amended by adding a new
 41 Article to read:

42 "Article 6.

43 "Short-Time Compensation.

44 "**§ 96-45. Short-time compensation.**

45 (a) Definitions. – The following definitions apply in this section:

- 46 (1) Affected unit. – A specified plant, department, shift, or other definable unit of
 47 two or more employees designated by the employer to participate in a
 48 short-time compensation plan.
- 49 (2) Employer-sponsored training. – A training component sponsored by an
 50 employer to improve the skills of the employer's workers.

- 1 (3) Normal weekly hours of work. – The number of hours in a week that an
2 individual would regularly work for the short-time compensation employer,
3 not to exceed 40 hours, excluding overtime.
- 4 (4) Short-time compensation benefits. – Benefits payable to individuals in an
5 affected unit under an approved short-time compensation plan.
- 6 (5) Short-time compensation employer. – An employer with a short-time
7 compensation plan in effect.
- 8 (6) Short-time compensation plan or plan. – An employer's written plan for
9 reducing unemployment under which an affected unit shares the work
10 remaining after its normal weekly hours of work are reduced.
- 11 (b) Approval of Plans. – An employer wishing to participate in the short-time
12 compensation program must submit a signed, written, short-time compensation plan to the
13 Division. The Division shall approve the plan if all of the following criteria are met:
- 14 (1) The plan applies to and identifies each specific affected unit.
- 15 (2) The individuals in the affected unit are identified by name and social security
16 number.
- 17 (3) The normal weekly hours of work for individuals in the affected unit are
18 reduced by at least ten percent (10%) and by not more than forty percent
19 (40%).
- 20 (4) The plan includes a certified statement by the employer that the aggregate
21 reduction in work hours is in lieu of layoffs that would affect at least ten
22 percent (10%) of the employees in the affected unit and that would have
23 resulted in an equivalent reduction in work hours.
- 24 (5) The plan applies to at least ten percent (10%) of the employees in the affected
25 unit.
- 26 (6) The plan is approved in writing by the collective bargaining agent for each
27 collective bargaining agreement covering any individual in the affected unit.
- 28 (7) The plan does not serve as a subsidy to seasonal employers during the
29 off-season or as a subsidy to employers who traditionally use part-time
30 employees.
- 31 (8) The plan certifies that, if the employer provides fringe benefits to any
32 employee whose workweek is reduced under the program, the fringe benefits
33 will continue to be provided to the employee participating in the short-time
34 compensation program under the same terms and conditions as though the
35 workweek of such employee had not been reduced or to the same extent as
36 other employees not participating in the short-time compensation program. As
37 used in this subdivision, the term "fringe benefits" includes, but is not limited
38 to, health insurance, retirement benefits under defined benefit pension plans
39 as defined in the Employee Retirement Income Security Act of 1974, 29
40 U.S.C. § 1002(35), contributions under a defined contribution plan as defined
41 in section 414(i) of the Internal Revenue Code, paid vacation and holidays,
42 and sick leave.
- 43 (9) The plan describes the manner in which the requirements of this subsection
44 will be implemented, including a plan for giving notice, if feasible, to an
45 employee whose workweek is to be reduced, together with an estimate of the
46 number of layoffs that would have occurred absent the ability to participate in
47 short-time compensation.
- 48 (10) The terms of the employer's written plan and implementation are consistent
49 with employer obligations under applicable federal laws and laws of this State.
- 50 (11) The employer has filed all quarterly reports and other reports required under
51 this Chapter and has paid all obligation assessments, contributions,

1 reimbursements in lieu of contributions, interest, and penalties due through
2 the date of the employer's application.

3 The Division shall approve or disapprove a short-time compensation plan in writing within
4 15 days after its receipt. If the plan is denied, the Division shall notify the employer of the reasons
5 for disapproval. A plan takes effect on the date of its approval by the Division and expires at the
6 end of the twelfth full calendar month after its effective date.

7 (c) Revocation of Approval. – The Division shall periodically monitor the employer's
8 plan compliance and operations. Plan approval may be revoked based on good cause, including
9 the failure to comply with assurances provided in the plan such as that the aggregate reduction
10 in hours is in lieu of layoffs.

11 (d) Eligibility Requirements for Short-Time Compensation Benefits. – Except as
12 provided in this subsection, an individual is eligible to receive short-time compensation benefits
13 for any week only if the individual complies with this Chapter and the Division finds that (i) the
14 individual is employed as a member of an affected unit in an approved plan that was approved
15 before the week and is in effect for the week, (ii) the individual is able to work and is available
16 for additional hours of work or for full-time work with the short-time employer, and (iii) the
17 normal weekly hours of work of the individual are reduced by at least ten percent (10%) but not
18 by more than forty percent (40%), with a corresponding reduction in wages.

19 The Division may not deny short-time compensation benefits to an individual who is
20 otherwise eligible for these benefits for any week by reason of the application of any provision
21 of this Chapter relating to availability for work, active search for work, or refusal to apply for or
22 accept work from other than the short-time compensation employer of that individual. The
23 Division may not deny short-time compensation benefits to an individual who is otherwise
24 eligible for these benefits for any week because such individual is participating in an
25 employer-sponsored training or a training under the Workforce Innovation and Opportunity Act
26 to improve job skills when the training is approved by the Department.

27 Notwithstanding any other provision of law, an individual is deemed unemployed in any
28 week for which compensation is payable to the individual, as an employee in an affected unit,
29 for less than the individual's normal weekly hours of work in accordance with an approved
30 short-time compensation plan in effect for the week.

31 (e) Weekly Benefit Amount. – The weekly short-time compensation benefit amount
32 payable to an individual is equal to the product of the individual's weekly benefit amount and the
33 ratio of the number of normal weekly hours of work for which the employer would not
34 compensate the individual to the individual's normal weekly hours of work. The benefit amount,
35 if not a multiple of one dollar (\$1.00), is rounded downward to the next lower multiple of one
36 dollar (\$1.00).

37 (f) Total Benefit Amount. – An individual may not be paid benefits under this section in
38 an amount that is more than the individual's maximum entitlement, and an individual may not be
39 paid short-time compensation benefits in excess of that maximum.

40 (g) Effect of Benefit. – The short-time compensation benefits paid to an individual shall
41 be deducted from the total benefit amount established for that individual. An individual who
42 receives all of the short-time compensation or combined reemployment assistance or
43 unemployment compensation and short-time compensation available in a benefit year is
44 considered an exhaustee for purposes of the extended benefits program and, if otherwise eligible
45 under those provisions, is eligible to receive extended benefits. An otherwise eligible individual
46 may not be disqualified from benefits for leaving employment instead of accepting a reduction
47 in hours under an approved plan.

48 (h) Allocation of Charges. – Except when the result is inconsistent with the other
49 provisions of this Chapter, short-time compensation benefits shall be charged to the employment
50 record of employers.

1 (i) Seasonal, temporary, or intermittent employees are not eligible for participation in the
2 program. The following definitions apply in this subsection:

3 (1) Seasonal employment. – Employment with an employer who experiences at
4 least a twenty percent (20%) difference between its highest level of
5 employment during a particular season and its lowest level of employment
6 during the off-season in each of the previous three years as reported to the
7 State agency, and/or employees are hired to work on a temporary basis by
8 employers that need extra help during a particular season.

9 (2) Temporary employment. – Employment where an employee is expected to
10 remain in a position for only a limited period of time and/or is hired by a
11 temporary agency to fill a gap in an employer's workforce.

12 (3) Intermittent employment. – Employment that is not continuous but may
13 consist of periodic intervals of weekly work and intervals of no weekly work."

14 **SECTION 4.(b)** The Short-Time Compensation Program (Program) established in
15 G.S. 96-45, as enacted by this act, shall be suspended if North Carolina's Unemployment
16 Insurance Trust Fund balance falls below two billion dollars (\$2,000,000,000), as reported in the
17 State Unemployment Insurance Trust Fund Solvency Report (Solvency Report) issued each
18 March by the U.S. Department of Labor, Office of Unemployment Insurance, Division of Fiscal
19 and Actuarial Services. Suspension of the Program will cease when the Solvency Report indicates
20 that the State's UI Trust Fund balance has been replenished to the amount of at least two billion
21 dollars (\$2,000,000,000).

22 **SECTION 4.(c)** This section is effective when it becomes law.
23

24 **PART V. EFFECTIVE DATE**

25 **SECTION 5.** Sections 1 and 3 of this act become effective July 1, 2024. The
26 remainder of this act is effective when it becomes law and applies to requests for employment
27 outcome data received on or after that date.
