HOUSE BILL DRH10547-NIa-156A

## Short Title: Loc. Gov. Eco. Dev. Capacity Distress Funding. (Public) Sponsors: Representative Reives. Referred to:

A BILL TO BE ENTITLED

AN ACT TO CREATE A GRANT PROGRAM TO PROVIDE QUALIFYING LOCAL GOVERNMENTS WITH GRANT FUNDING FOR SPECIFIC PURPOSES AND TO APPROPRIATE MONEY FOR PURPOSES CONSISTENT WITH THE GRANT PROGRAM.

The General Assembly of North Carolina enacts:

**SECTION 1.(a)** Definitions. – The following definitions apply in this act:

- (1) Department. The Department of Commerce.
- (2) Eligible entity. Any of the following organizations:
  - a. The North Carolina Association of Regional Councils of Government.
  - b. The North Carolina League of Municipalities.
  - c. The North Carolina Association of County Commissioners.
- (3) Qualifying local government. A county, or city located within a county, that is ranked within the 20 most distressed counties in the State pursuant to G.S. 143B-437.08.

**SECTION 1.(b)** Findings. – The General Assembly finds that it is the policy of the State to provide resources to stimulate economic development throughout the State and that it is of particular importance to stimulate economic development in the rural and most economically distressed parts of the State. The General Assembly further finds that many of the most economically distressed counties in North Carolina lack the resources necessary both to develop the capacity for economic development and to apply for economic development or water resource projects, thereby rendering those counties unable to take advantage of State and federal programs without dedicated capacity building and grant writing support.

**SECTION 1.(c)** Funding. – There is appropriated from the General Fund to the Department the sum of twenty-one million dollars (\$21,000,000) in nonrecurring funds for the 2024-2025 fiscal year to be allocated as provided in subdivisions (1) through (3) of this subsection. Funds appropriated under this subsection shall not revert but shall remain available for the purposes provided in this act until expended. Up to one percent (1%) of the funds allocated to each eligible entity by this subsection may be used by that entity for administrative purposes. Subject to the conditions set forth in subsection (d) of this section, the funds appropriated under this subsection shall be allocated as follows:
