Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ENACT THE CONTINUING CARE RETIREMENT COMMUNITIES ACT, AS
3 RECOMMENDED BY THE DEPARTMENT OF INSURANCE.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Article 64 of Chapter 58 of the General Statutes is repealed.

6 SECTION 2. Chapter 58 of the General Statutes is amended by adding a new Article
7 to read:

8 "Article 64A.

9 "Continuing Care Retirement Communities.

10 "Part 1. General Provisions.

11 "**§ 58-64A-1. Title.**

12 This Article shall be known and may be cited as the "Continuing Care Retirement
13 Communities Act."

14 "**§ 58-64A-2. Legislative intent.**

15 The General Assembly recognizes that continuing care retirement community residents often
16 expend a significant portion of their savings when contracting with a provider for continuing care
17 and devastating consequences can result if a provider becomes insolvent or unable to provide
18 continuing care. It is the intent of the General Assembly to promote the dignity and protect the
19 health, safety, and welfare of older citizens of North Carolina by (i) encouraging the development
20 of continuing care retirement communities and (ii) requiring providers offering or providing
21 continuing care in this State to obtain a license and to be monitored and regulated by the North
22 Carolina Department of Insurance under this Article. This Article applies to both for-profit and
23 nonprofit providers.

43 admissions policies at the continuing care retirement community sponsoring
44 the continuing care at home program.
- 45 (14) Continuing care retirement community. – A retirement community consisting
46 of one or more structures where a provider renders continuing care to

9 operating losses or expenses, and net cash proceeds from entrance fees, minus
10 entrance fee amortization, entrance fee refunds contractually past due, and
11 other noncash operating gains or revenues divided by annual debt service.
12 Entrance fees received from the initial residents of independent living units at
13 a continuing care retirement community that have been financed in whole or

42 accommodations may be in the form of apartments, flats, houses, cottages,
43 condominium units, or rooms. Receiving home care or similar services,

19 dividing occupied living unit days by living unit days available. For purposes
20 of this definition, "living unit days available" is the maximum number of
21 living unit days that would have been provided if all available living units
22 were filled during the given time period. The total shall equal the sum of all
23 living units, minus any living units that are unavailable for occupancy, on each
24 day for the given time period. For purposes of this definition, "occupied living
25 unit days" is the sum of each daily living unit census at the continuing care
26 retirement community for a given time period, excluding any second person
27 occupants. The total shall equal the sum of each daily census for the given
28 time period.

13 Commissioner pursuant to G.S. 58-64A-210, or when the payment would have the effect of
14 creating a hazardous condition in the provider or cause the provider to not be in satisfactory
15 actuarial balance.

16 **"§ 58-64A-20. Commissioner approval required to offer or provide continuing care.**

1 (a) A provider shall deliver a current disclosure statement meeting the requirements of
2 G.S. 58-64A-150 to the person or the person's legal representative with whom a binding
3 reservation agreement, continuing care contract, or continuing care at home contract is to be
4 entered into. The disclosure statement shall be delivered no later than the earliest of the following
5 occurrences: (i) the execution of a binding reservation agreement, continuing care contract, or
6 continuing care at home contract, or (ii) the transfer of any money or other consideration, other
7 than a nonbinding reservation agreement deposit, to a provider by or on behalf of a prospective
8 resident. For purposes of this subsection, a disclosure statement is current if (i) it is dated within
9 one year plus 160 days prior to the date of delivery and (ii) it is the most recently recorded
10 disclosure statement on file with the Commissioner.

11 (b) The delivery required by this section may be by electronic means if the provider
12 obtains the written consent of the person with whom the binding reservation agreement,
13 continuing care contract, or continuing care at home contract is to be entered into. For the
14 purposes of this subsection, delivery by electronic means shall mean delivery by either of the
15 following methods:

16 (1) Delivery to an electronic mail address at which the person has consented to
17 receive the disclosure statement.

18 (2) Both of the following:

19 a. Posting the disclosure statement on an electronic network or site
20 accessible by the internet through use of a mobile application,
21 computer, mobile device, tablet, or any other electronic device.

22 b. Sending separate notice of the posting described in sub-subdivision a.
23 of this subdivision to the electronic mail address at which the person
24 consented to receive notice of the disclosure statement posting.

25 (c) After receiving delivery of a disclosure statement pursuant to this section, a
26 prospective resident shall sign an acknowledgement of receipt. The acknowledgement shall
27 include (i) the date, (ii) the name of the person signing, and (iii) the date of the disclosure
28 statement received, including date revised, if any. The provider shall provide a copy of the
29 acknowledgement of receipt to the person signing and shall maintain the original. The
30 acknowledgement of receipt required by this subsection may be received, given, and maintained
31 in either an electronic or paper form.

32 (d) A copy of all disclosure statements, including all amendments, filed with and
33 recorded by the Commissioner shall be maintained by the provider, in either electronic or paper
34 form, for at least five years.

35 **"§ 58-64A-160. Annual revised disclosure statements.**

36 (a) Within 150 days following the end of each fiscal year, a provider shall file with the
37 Commissioner a revised disclosure statement setting forth current information required pursuant
38 to G.S. 58-64A-150. The annual disclosure statement revision shall be accompanied by an annual
39 filing fee of two thousand dollars (\$2,000).

40 (b) Within five business days of receipt of an annual revised disclosure statement and the
41 annual filing fee, the Commissioner shall notify the provider in writing that (i) the revised
42 disclosure statement has been received and recorded, (ii) the provider has met the filing
43 requirements of this section, and (iii) the annual revised disclosure statement is now considered
44 to be the current disclosure statement for purposes of this Article. After sending the notice, the
45 Commissioner shall post the annual revised disclosure statement on the Department's website
46 within five business days. After receiving the Commissioner's notice, the provider shall make the
47 annual revised disclosure statement available to all residents and depositors either in electronic
48 or paper form.

49 (c) The Commissioner may, upon a showing of good cause by the provider, extend the
50 due date of the annual disclosure statement revision for a reasonable period of time not to exceed
51 30 days.

1 (d) If the annual disclosure statement revision is not received by the due date and no
2 extension has been granted, a one thousand dollar (\$1,000) late fee shall accompany submission
3 of the annual disclosure statement revision. If the annual disclosure statement revision is more
4 than 30 days past due, an additional fee of thirty dollars (\$30.00) for each day over the first 30
5 days shall accompany submission of the annual disclosure statement revision. The Commissioner
6 may waive the late fee upon a showing of good cause by the provider.

7 **"§ 58-64A-165. Other revisions to disclosure statement.**

8 (a) A provider may revise its disclosure statement at any time if, in the opinion of the
9 provider, revision is necessary to prevent an otherwise current disclosure statement from
10 containing a material misstatement of fact or omitting a material fact required to be stated therein.
11 A provider that revises its disclosure statement for this purpose shall submit the revised disclosure
12 statement to the Commissioner before delivery of the disclosure statement to any resident or
13 prospective resident.

14 (b) If a disclosure statement is revised in accordance with this section or
15 G.S. 58-64A-150(g), the cover page shall additionally be revised to reflect the revision date.

16 (c) Within five business days of receipt of a revised disclosure statement pursuant to this
17 section, the Commissioner shall notify the provider in writing that the revised disclosure
18 statement has been received and recorded and is considered to be the current disclosure statement
19 for purposes of this Article. After sending this notification, the Commissioner shall post the
20 revised disclosure statement on the Department's website within five business days. After
21 receiving the Commissioner's notification, a provider revising its disclosure statement pursuant
22 to this section shall make the revised disclosure statement available to all residents either in
23 electronic or paper form.

46 exceed the amount of consideration transferred to the provider by the
47 depositor or a service charge be assessed due to the termination of the
48 agreement because of the failure of the provider to meet its obligations
49 under the agreement, or upon the failure of the provider to obtain a

28 the entrance fee. In no event shall the service charge exceed the amount of
29 consideration transferred to the provider by the resident, or a service charge
30 be assessed due to the termination of the contract because of the failure of the
31 provider to meet its obligations under the contract, or upon the failure of the
32 provider to obtain a permanent license in accordance with this Article.

10 proposed by the applicant, as evidenced by the market study.

11 (5) The program proposed by the applicant will not have a detrimental financial

26 (2) A provision that, if a resident dies prior to the effective start date of services,

29 canceled.

30 (3) A provision that, for rescinded or canceled contracts under this subsection, the
31 resident, or the resident's legal representative, shall receive a refund of all
32 money or other consideration transferred to the provider, less (i) periodic fees

1 (5) Statement of changes in net assets or equity.
2 (6) Notes to financial statements.
3 (c) The audited financial statements shall be prepared in accordance with one of the
4 following requirements:

5 (1) If a provider is required by generally accepted accounting principles to have
6 their financial statements consolidated with other persons, the audited
7 consolidated financial statements shall include a consolidating balance sheet,
8 a consolidating statement of operations and changes in net assets or equity,
9 and a consolidating statement of cash flows as supplemental information to
10 the audited consolidated financial statements. This supplemental information
11 shall also include a statement of operations for each continuing care retirement
12 community operated by the provider under this Article.

16 operations and changes in net assets or equity, and a combining statement of
17 cash flows as supplemental information to the audited combined financial
18 statements. This supplemental information shall also include a statement of

30 (4) If the provider is not required by generally accepted accounting principles to
31 have their financial statements consolidated with other persons, does not
32 include one or more persons acting in concert to offer and provide continuing
33 care, and is not part of an obligated group, then the audited financial
34 statements shall be a stand-alone financial audit of the provider. The audited
35 financial statements must include as supplemental information, if the provider
36 operates more than one continuing care retirement community or has
37 operations that are separate and distinct from the operation of a continuing
38 care retirement community or communities under this Article, a statement of
39 operations for each continuing care retirement community operated by the
40 provider under this Article.

41 (d) If a provider is also licensed to provide continuing care at home, the audited financial
42 statements shall account for the related revenue and expenses generated from the continuing care
43 at home program separate from the provider's other operations when providing the information
44 required by this section.

45 **"§ 58-64A-205. Quarterly reporting.**

46 Within 45 days after the end of each fiscal quarter, a provider shall file with the

12 person currently holding the position, a brief biography of the person
13 currently holding the position, and the date the position change took
14 place.

15 b. Any change in the organizational documents of the provider, including
16 changes in the provider's articles of incorporation and bylaws. Copies
17 of the changed documents shall be submitted with the notification to
18 the Commissioner.

19 **"§ 58-64A-210. Actuarial study.**

20 (a) A provider shall submit to the Commissioner, at least once every three years, an
21 actuarial study prepared in accordance with accepted actuarial standards of practice for each
22 continuing care retirement community operated by the provider in this State and any continuing
23 care at home program that the provider is licensed for pursuant to this Article.

24 (b) If the actuary is unable to form an opinion, or if the opinion is adverse or qualified,
25 the statement of actuarial opinion and the actuarial study shall specifically state the reason.

26 (c) The Commissioner may request the information required in this section more
27 frequently to assist in the determination of a possible hazardous condition.

28 (d) A provider required to file an actuarial study under this section that held a license on
29 the effective date of this section shall file an actuarial study with the Commissioner before the
30 expiration of three years following the effective date of this section. Thereafter, each provider
31 shall file its required actuarial study before the expiration of three years following the date it last
32 filed an actuarial study with the Commissioner.

33 (e) A provider required to file an actuarial study under this section that did not hold a
34 license on the effective date of this section shall file its first actuarial study within 45 days
35 following the due date for the provider's annual audited financial statements for the fiscal year in
36 which the provider obtained its permanent license. Thereafter, the provider shall file its required
37 actuarial study before the expiration of three years following the date it last filed an actuarial
38 study with the Commissioner.

39 (f) A provider that only offers health care on a fee-for-service basis or only provides a
40 limited discount or limited number of free days in a long-term care facility shall be exempt, unless
41 otherwise required by the Commissioner, from the actuarial study requirement in this section.
42 Providers exempt pursuant to this subsection shall submit to the Commissioner, at least once
43 every five years, an actuarial projection of future population flows and adult care home bed and
44 nursing bed needs using appropriate mortality, morbidity, withdrawal, occupancy, and other
45 demographic assumptions and using a projection period that extends to a point at which, in the
46 actuary's professional judgment, the use of a longer period would not materially affect the results
47 and conclusions. The Commissioner may require an actuarial projection of future population
48 flows and adult care home bed and nursing bed needs sooner if there has been an increase or
49 decrease of twenty percent (20%) or more of one or more types of living units at a continuing
50 care retirement community during the provider's most recent fiscal year.

51 **"§ 58-64A-215. Additional reporting.**

1 If the Commissioner determines that additional information is needed to properly monitor the

3 otherwise needed to protect the interests of residents and the general public, the Commissioner
4 may require a provider licensed under this Article to file any of the following:

9 Commissioner may reasonably require regarding (i) the provider, (ii) the
10 provider's obligated group, (iii) the continuing care retirement community, or

12 relationship with the related party in order to meet the financial requirements
13 of this Article, or has a material amount invested in, or has a material amount
14 of receivables due from, the related party.

15 "Part 9. Notification Requirements.

16 "**§ 58-64A-220. Notifications to Commissioner and residents.**

17 A provider shall notify the Commissioner and all residents in writing within 10 business days
18 whenever any of the following apply:

25 contractually past due.

30 percentage shall be based on the type of living unit being reduced.
- 31 (5) The provider makes any change to its name, or the name of a continuing care
32 retirement community operated by the provider in this State, including the
33 adoption of an assumed business name.
- 34 (6) Any proceeding for denial, suspension, or revocation of any license or permit
35 needed to operate all or part of a continuing care retirement community in this
36 State.

37 "**§ 58-64A-225. Material changes or deviations in information.**

38 (a) An applicant or provider shall notify the Commissioner of material changes or
39 deviations in any information submitted to the Commissioner pursuant to this Article within 10
40 business days after the applicant or provider becomes aware of the change or deviation.

41 (b) Within 30 days after receiving notice of a material change or deviation, the
42 Commissioner shall advise the applicant or provider in writing whether any additional action
43 needs to be taken as a result of the material change or deviation.

44 (c) The Commissioner may suspend any approval, certification, license, or permit issued
45 pursuant to this Article if the applicant or provider fails to give written notice of material changes
46 or deviations required by this section. The suspension shall remain in effect until the
47 Commissioner has (i) assessed the potential impact of the material changes or deviations on the
48 applicant or provider and the interests of residents and depositors and (ii) taken any action
49 necessary under this Article to protect the interests of any residents and depositors.

50 (d) For the purposes of this section, material changes or deviations mean any change or
51 extraordinary occurrence which creates or causes, or could create or cause, an applicant or

1 provider to be in a hazardous condition or, for a proposed continuing care retirement community
2 or proposed expansion of a continuing care retirement community, to no longer be financially
3 viable.

10 (b) A provider or any other person who owns the real property used in the operations of
11 a continuing care retirement community shall obtain approval from the Commissioner before
12 consummating any sale or transfer of any real property used in the operations of a continuing
13 care retirement community, including a sale-leaseback transaction, or any interest in a continuing

15 transferee.

16 (c) A provider shall obtain approval from the Commissioner before consummating any
17 purchase of real property currently leased and used by the provider in the operations of a
18 continuing care retirement community. Any purchase option to be entered into by the provider

20 escrow account or secured in another method acceptable to the Commissioner.

21 (d) A provider shall request approval of any transaction listed in subsection (b) or (c) of
22 this section by filing a request for approval with the Commissioner, made under oath or

44 provisions of this section.

45 **"§ 58-64A-235. Change of control of a provider.**

46 (a) No person shall enter into an agreement to merge with, or to otherwise acquire control
47 of, a provider holding a certificate or license under this Article unless the transaction is approved
48 by the Commissioner. To obtain the Commissioner's approval, the acquiring person shall file a

28 to the filing of the written notice.

29 **(4)** Any plans or proposals that each acquiring person may have to liquidate the
30 provider, or any continuing care retirement community operated by the

36 **(6)** A description of any change in the provision of goods and services to the
37 provider and residents.

38 **(7)** A description of any agreements made or to be made with residents which will
39 amend any continuing care or continuing care at home contract at the time of
40 the transfer of control.

41 **(8)** A description of any service or contractual obligation with residents which
42 will change as a result of the change in control.

43 **(9)** Any additional information as the Commissioner may require as necessary or
44 appropriate for the protection of residents or in the public interest.

45 **(c)** The Commissioner shall comply with the review schedule in G.S. 58-64A-70 in
46 response to a request for approval pursuant to this section.

47 **(d)** The Commissioner shall approve a request for approval pursuant to this section if all
48 of the following requirements are met:

49 **(1)** The request for approval complies with this section.

50 **(2)** None of the grounds for denial listed in G.S. 58-64A-280 apply to the
51 applicant.

- 1 (3) After the change of control, the provider will be able to satisfy the certification
2 or licensure requirements, as applicable, of this Article.
- 3 (4) The financial condition of any acquiring person will not jeopardize the
4 financial stability of the provider or prejudice the interest of any residents.
- 5 (5) Any plans or proposals that any acquiring person has to liquidate the provider,
6 or any continuing care retirement community operated by the provider in this
7 State, sell its assets or consolidate or merge it with any person, or to make any
8 other material change in its business or corporate structure or management,
9 are fair and reasonable to residents and in the public interest.
- 10 (6) The competence, experience, and integrity of those persons who would
11 control the operation of the provider are such that the change of control will
12 not harm the interests of residents or of the public.

13 (e) A provider shall give written notice to all affected residents and depositors of the
14 proposed merger or other acquisition of control within 10 business days after the acquiring person
15 has received approval from the Commissioner.

16 (f) The Commissioner may revoke or restrict the license or certificate of a provider or
17 take other administrative action pursuant to Part 12 of this Article if a provider violates the
18 provisions of this section.

19 **"§ 58-64A-240. Third-party management.**

20 (a) A provider shall request the approval of the Commissioner before entering into a
21 contract with a third party for the management of a continuing care retirement community. The
22 request for approval required by this section shall include a copy of the proposed management
23 contract, the information required by subdivisions (6) and (7) of G.S. 58-64A-150(a) regarding
24 the proposed third-party manager, a description of the third party's experience in managing
25 continuing care retirement communities, and the reason for the change in management.

26 (b) The provider shall inform all residents in writing of the request for approval submitted
27 to the Commissioner pursuant to this section within 10 business days after the request for
28 approval is submitted to the Commissioner.

29 (c) The Commissioner shall comply with the review schedule in G.S. 58-64A-70 in
30 response to a request for approval pursuant to this section.

31 (d) The Commissioner may disapprove of the request for approval if the Commissioner
32 determines either of the following:

33 (1) The proposed third-party manager is incompetent or untrustworthy or so
34 lacking in managerial experience as to make the operation of the continuing
35 care retirement community potentially hazardous to residents.

36 (2) The proposed third-party manager is affiliated directly or indirectly through
37 ownership, control, or business relations with any person or persons whose
38 business operations are or have been marked by manipulation of assets or
39 accounts or by bad faith, to the detriment of residents, members, stockholders,
40 investors, creditors, or the public.

41 (e) The provider shall remove any third-party manager immediately upon discovery of
42 either of the following:

43 (1) That a manager has been convicted of any felony or pleaded nolo contendere
44 to a felony charge or has been held liable or enjoined in a civil action by final
45 judgment involving fraud, embezzlement, fraudulent conversion, or
46 misappropriation of property.

47 (2) That a manager is now, or was in the past, affiliated directly or indirectly
48 through ownership interest of ten percent (10%) or more in, or control of, any
49 business, corporation, or other entity that has been convicted of any felony or
50 pleaded nolo contendere to a felony charge or has been held liable or enjoined

in a civil action by final judgment involving fraud, embezzlement, fraudulent conversion, or misappropriation of property.

"Part 11. Operating Reserve.

"§ 58-64A-245. Operating reserve requirement.

(a) A provider shall maintain after the opening of a continuing care retirement community an operating reserve equal to fifty percent (50%) of the total operating costs of the continuing care retirement community forecasted or projected for the 12-month period following the period covered by the most recent disclosure statement filed with the Department.

(b) Once a continuing care retirement community achieves a 12-month daily average independent living unit occupancy rate of ninety percent (90%) or higher, a provider shall only be required to maintain an operating reserve in an amount calculated using the table below, unless otherwise instructed by the Commissioner:

<u>12-Month Daily Average Independent Living Unit Occupancy Rate</u>	<u>Operating Reserve Requirement as a Percentage of Total Operating Costs of the Continuing Care Retirement Community</u>
<u>90% or above.....</u>	<u>25.00%</u>
<u>86% to 89.9%.....</u>	<u>31.25%</u>
<u>83% to 85.9%.....</u>	<u>37.50%</u>
<u>80% to 82.9%.....</u>	<u>43.75%</u>
<u>Below 80%.....</u>	<u>50.00%</u>

(c) A provider who has a 12-month daily average independent living unit occupancy rate equal to or in excess of ninety-three percent (93%) and has no long-term debt or a debt service coverage ratio in excess of 2.00 as of the provider's most recent fiscal year-end shall only be required to maintain an operating reserve equal to twelve and one-half percent (12.5%) of total operating costs of the continuing care retirement community, unless otherwise instructed by the Commissioner.

(d) The Commissioner may increase the amount a provider is required to maintain as its operating reserve, not to exceed fifty percent (50%) of total operating costs as calculated in accordance with G.S. 58-64A-250, for a continuing care retirement community operated by the provider or require that a provider immediately place the operating reserve on deposit with the Commissioner if the Commissioner has determined that the provider is in a hazardous condition pursuant to G.S. 58-64A-285.

(e) A provider shall notify all residents in writing within 10 business days if the Commissioner, pursuant to subsection (d) of this section, increases the amount a provider is required to maintain as its operating reserve for a continuing care retirement community operated by the provider or requires the operating reserve to be placed on deposit with the Commissioner.

(f) If the Commissioner requires a provider to place an operating reserve on deposit with the Commissioner, the provider shall at the same time deliver to the Commissioner a power of attorney executed by the provider's president and secretary, or other proper person or persons, authorizing the sale or transfer of said qualifying assets, or any part, for the purpose of paying any of the liabilities of the provider related to the continuing care retirement community for which the operating reserve is maintained.

"§ 58-64A-250. Operating reserve calculation.

(a) The five-year prospective financial statements as required by G.S. 58-64A-150(a)(37), together with the 12-month daily average independent living unit occupancy rate of the continuing care retirement community, shall serve as the basis for computing the operating reserve. A provider shall calculate and adjust, if necessary, the required operating reserve on at least a semiannual basis, including the date the operating reserve is certified in accordance with G.S. 58-64A-270.

(b) In addition to total operating expenses, total operating costs will include debt service, consisting of principal and interest payments, along with taxes and insurance on any mortgage

1 loan or other long-term financing, but will exclude depreciation, amortized expenses, and
2 extraordinary items as approved by the Commissioner. If the debt service portion is accounted
3 for by way of another reserve account, the debt service portion may be excluded upon satisfactory
4 evidence of the existence and purpose of the other reserve account.

5 (c) A provider shall apply in writing for a determination by the Commissioner in order
6 to exclude extraordinary items from total operating costs and shall provide documentation to
7 support the request. The Commissioner shall comply with the review schedule in G.S. 58-64A-70
8 in response to a request for approval pursuant to this subsection.

9 (d) For providers that have voluntarily and permanently discontinued entering into
10 continuing care contracts, or who operate a continuing care retirement community where not all
11 occupants are under continuing care contracts, the Commissioner may allow a reduced operating
12 reserve if the Commissioner finds that the reduction is consistent with the financial protections
13 imposed by this Article. In making this determination, the Commissioner may consider factors
14 including the financial condition of the provider, the number of outstanding continuing care
15 contracts, the ratio of persons under continuing care contracts to those persons who do not hold
16 a continuing care contract, and the 12-month daily average independent living unit occupancy
17 rate.

18 (e) A provider who has increased the number of independent living units available at a
19 continuing care retirement community in excess of twenty percent (20%) shall be allowed to
20 exclude the total number of independent living units in the expansion project for a period of 18
21 months after the independent living units become available for occupancy when computing the
22 operating reserve required by this Part.

23 (f) The Commissioner may allow a different calculation for a provider's required
24 operating reserve for a continuing care retirement community operated by the provider if the
25 calculation, in the opinion of the Commissioner, does not diminish the residents' protections
26 provided for by this Part.

27 **"§ 58-64A-255. Qualifying assets.**

28 (a) A provider shall fund its operating reserve with any of the following qualifying assets:

29 (1) Cash.

30 (2) Cash equivalents.

31 (3) Investment grade securities. For the purposes of this subdivision, investment
32 grade securities are any of the following:

33 a. Securities issued or directly and fully guaranteed or insured by the
34 government of the United States of America or any of its agencies or
35 instrumentalities.

36 b. Debt securities or debt instruments with a rating of BBB- or higher by
37 Standard & Poor's or Baa3 or higher by Moody's, or, if no rating of
38 Standard & Poor's or Moody's then exists, the equivalent of that rating
39 by any other nationally recognized statistical rating organizations
40 maintained by the National Association of Insurance Commissioners.

41 c. Investments in any fund that invests exclusively in investments of the
42 type described in sub-subdivision a. or b. of this subdivision, which
43 fund may also hold immaterial amounts of cash pending investment or
44 distribution.

45 (4) Corporate stock that is traded on a public securities exchange that can be
46 readily valued and liquidated for cash, including shares in mutual funds and
47 exchange-traded funds that hold portfolios consisting predominantly of these
48 stocks.

49 (5) Other assets considered to be acceptable to the Commissioner on a
50 case-by-case basis.

1 **(b)** Except as otherwise provided in this subsection, the assets maintained by the provider
2 as an operating reserve for a continuing care retirement community operated by the provider
3 under this Article shall not be subject to any liens, charges, judgments, garnishments, or creditors'
4 claims and shall not be hypothecated, pledged as collateral, or otherwise encumbered in any
5 manner. A provider may encumber assets held as an operating reserve as part of a security pledge
6 of assets or similar collateralization that is part of the provider's debt financing and is included
7 in the provider's debt indenture security instruments related thereto or other similar instrument.

8 **(c)** For the purpose of calculating the amount to be maintained by the provider to satisfy
9 its operating reserve requirement, all qualifying assets shall be valued at their current fair market
10 value.

11 **"§ 58-64A-260. Surety bond; letter of credit.**

12 **(a)** Alternative Funding Methods. – In lieu of funding the operating reserve with
13 qualifying assets as set forth in G.S. 58-64A-255, a provider may fund all or a portion of the
14 operating reserve required by this Part by filing with the Commissioner a surety bond or letter of
15 credit as set forth in this section.

16 **(b)** Surety Bond. – A surety bond shall be in a form acceptable to the Commissioner and
17 issued by an insurer authorized by the Commissioner to write surety business in this State. All of
18 the following shall apply to surety bonds issued pursuant to this Article:

19 **(1)** The surety bond may be exchanged or replaced with another surety bond if (i)
20 the surety bond applies to obligations and liabilities that arose during the
21 period of the original surety bond, (ii) the surety bond meets the requirements
22 of this section, and (iii) 90 days' advance written notice is provided to the
23 Commissioner.

24 **(2)** Notice of cancellation or nonrenewal of the surety bond required by this
25 section shall be provided to the provider and the Commissioner in writing at
26 least 45 days before cancellation or nonrenewal.

27 **(3)** A surety bond may be canceled by the issuer of the bond with respect to future
28 obligations or liabilities upon proper notice pursuant to this section and
29 without regard to approval or acceptance of the Commissioner.

30 **(c)** Letter of Credit. – A provider may file a clean, irrevocable, unconditional letter of
31 credit issued or confirmed by a qualified United States financial institution as defined in
32 G.S. 58-7-26(b) naming the Commissioner as beneficiary. The terms of the letter of credit shall
33 be approved by the Commissioner before issuance and before its renewal or modification. The
34 letter of credit shall provide all of the following information:

35 **(1)** Ninety days' prior written notice to both the provider and the Commissioner
36 of the financial institution's determination not to renew or extend the term of
37 the letter of credit.

38 **(2)** Unless otherwise arranged by the provider to the satisfaction of the
39 Commissioner, deposit by the financial institution of letter of credit funds in
40 an account designated by the Commissioner no later than 30 days before the
41 expiration of the letter of credit.

42 **(3)** Deposit by the financial institution of letter of credit funds in an account
43 designated by the Commissioner within five business days following written
44 instructions from the Commissioner that, in the sole judgment of the
45 Commissioner, funding of the operating reserve is required.

46 **"§ 58-64A-265. Operating reserve release.**

47 **(a)** An operating reserve shall only be released, in whole or in part, upon the submittal of
48 a detailed request from the provider and approval of that request by the Commissioner. This
49 request shall be submitted in writing for the Commissioner to review at least 10 business days
50 prior to the proposed date of release.

- 1 (11) Failed to deposit entrance fees and deposits into an escrow account as required
2 by this Article.
- 3 (12) Failed to maintain the operating reserve required under this Article or released
4 a portion of the operating reserve required to be maintained under this Article
5 without Commissioner approval.
- 6 (13) Violated a restriction of its permit, certificate, or license.
- 7 (14) After request by the Commissioner for an investigation or examination,
8 refused access to records or information; refused to be investigated or
9 examined or to produce its accounts, records, and files for an investigation or
10 examination; refused to give information with respect to its affairs; or refused
11 to perform any other legal obligations related to an investigation or
12 examination.
- 13 (15) Failed to fulfill obligations under continuing care and continuing care at home
14 contracts.
- 15 (16) Violated the provisions of G.S. 58-64A-230, 58-64A-235, or 58-64A-240.
- 16 (17) Failed to comply with the terms of a cease and desist order.
- 17 (18) Has been determined by the Commissioner to be in a hazardous condition.
- 18 (b) Findings of fact in support of a denial, restriction, or revocation shall be accompanied
19 by an explicit statement of the Commissioner's understanding of the underlying facts supporting
20 the findings.
- 21 (c) If the Commissioner has good cause to believe that a provider has committed a
22 violation for which revocation could be ordered, the Commissioner may first issue a cease and
23 desist order. If the cease and desist order is not or cannot be effective in remedying the violation,
24 the Commissioner may, after notice and hearing, order that a permit, certificate, or license be
25 revoked. That revocation order may be appealed to the Superior Court of Wake County in the
26 manner provided by G.S. 58-63-35. The provider shall accept no new deposits or entrance fees
27 while the revocation order is under appeal.
- 28 (d) If the Commissioner issues a cease and desist order or restricts or revokes a provider's
29 permit, certificate, or license, the provider shall notify all residents and depositors of the cease
30 and desist order, restriction, or revocation within five business days.
- 31 (e) The Commissioner may, upon finding of changed circumstances, remove a
32 restriction.
- 33 (f) The revocation by the Commissioner of a certificate or license shall not release the
34 provider from obligations assumed through continuing care and continuing care at home
35 contracts.
- 36 (g) Within 20 business days after receiving a notice of revocation of a license, a provider
37 shall provide to the Commissioner and all residents a written plan detailing specifically how the
38 provider intends to continue to meet its continuing care obligations.
- 39 (h) A provider who has their permanent license revoked shall continue to maintain an
40 operating reserve and to file its annual audited financial statements, annual disclosure statement,
41 and pay annual fees to the Commissioner as required under this Article as if the permanent license
42 had continued in full force, but the provider shall not issue any new continuing care or continuing
43 care at home contracts.
- 44 (i) A provider who has a permit, certificate, or license revoked shall provide written
45 notice within five business days to all depositors, shall reimburse all deposits collected, and shall
46 provide documentation to the Commissioner verifying that all deposits have been returned to
47 depositors.

48 **"§ 58-64A-285. Hazardous condition.**

49 The Commissioner may consider any of the following standards to determine whether a
50 provider is in a hazardous condition:

- 51 (1) Whether the provider is impaired or insolvent.

- 1 (2) Adverse findings reported in examination reports, audit financial statements,
2 and actuarial opinions, reports, or summaries.
- 3 (3) Whether the provider has failed to establish, maintain, or has substantially
4 depleted the operating reserve required by this Article.
- 5 (4) Whether the provider is contractually past due on entrance fee refunds.
- 6 (5) The age and collectability of receivables.
- 7 (6) Whether a related party is impaired, insolvent, bankrupt, or threatened with
8 insolvency or bankruptcy, or delinquent in payment of its monetary or any
9 other obligations and which in the opinion of the Commissioner may affect
10 the solvency of the provider.
- 11 (7) Whether the provider, or any obligated group that the provider is a part of, is
12 not in compliance with any covenant contained in any debt agreement.
- 13 (8) Whether the provider is aware of any existing circumstances which would
14 hinder or cause the provider, or any member of an obligated group that the
15 applicant or provider is a part of, to not be able to perform on any debt
16 agreement.
- 17 (9) Contingent liabilities, pledges, or guaranties that either individually or
18 collectively involve a total amount that in the Commissioner's opinion may
19 affect a provider's solvency.
- 20 (10) Whether the management of a provider, including officers, directors, or any
21 other person who directly or indirectly controls the operations of an applicant,
22 provider, or continuing care retirement community, fails to possess and
23 demonstrate the competence, experience, or integrity considered by the
24 Commissioner to be necessary to serve the provider or continuing care
25 retirement community in that position.
- 26 (11) Whether the management of a provider has failed to respond to the
27 Commissioner's inquiries about the condition of the applicant or provider or
28 has furnished false and misleading information in response to an inquiry by

31 statement, or other filing requirements in the absence of a reason satisfactory
32 to the Commissioner.
- 33 (13) Whether the management of an applicant or provider has filed any false or
34 misleading financial statement, has released a false or misleading financial

37 or provider's books.
- 38 (14) Whether the applicant or provider has experienced or will experience in the
39 foreseeable future cash flow or liquidity problems.
- 40 (15) Any other finding determined by the Commissioner to be hazardous to the
41 applicant's or provider's depositors, residents, creditors, or the general public.

42 **"§ 58-64A-290. Corrective action plan.**

43 (a) If the Commissioner has determined that a provider is in a hazardous condition, the
44 Commissioner may, in lieu of taking action under G.S. 58-64A-280 or G.S. 58-64A-335, and
45 after notice and opportunity for hearing, issue an order requiring a provider to (i) submit a
46 corrective action plan within 45 days and (ii) notify all residents and depositors within five
47 business days of the Commissioner's order. The corrective action plan shall include both of the
48 following:

- 49 (1) Proposals of corrective actions the provider intends to take which would be
50 expected to result in the elimination of the hazardous condition.

1 (2) A date when the provider anticipates it will rectify the problems and
2 deficiencies identified by the Commissioner.

3 (b) Within 45 days after the submittal of a corrective action plan, the Commissioner shall
4 notify the provider whether the corrective action plan shall be implemented or is, in the judgment
5 of the Commissioner, unsatisfactory. If the Commissioner determines the corrective action plan
6 is unsatisfactory, the notification to the provider shall set forth the reasons for the determination
7 and may set forth proposed revisions that will render the corrective action plan satisfactory in the
8 judgment of the Commissioner. After receiving notification from the Commissioner, the provider
9 shall prepare a revised corrective action plan, if applicable, which may incorporate by reference
10 any revisions proposed by the Commissioner and shall submit the revised corrective action plan
11 to the Commissioner within 30 days after notification from the Commissioner. If the corrective
12 action plan is approved, the provider shall immediately implement the corrective action plan,
13 distribute a copy of the plan to all residents and depositors, and begin reporting to the
14 Commissioner on the implementation and progress of the corrective action plan in accordance
15 with a schedule and in a format established by the Commissioner. Each report shall also be
16 distributed to all residents and depositors at the time the report is submitted to the Commissioner.

17 (c) If the corrective action plan is disapproved, or if a corrective action plan is not
18 submitted, the Commissioner may engage consultants to develop a corrective action plan. After
19 the corrective action plan is developed, the Commissioner shall direct the provider to implement
20 the corrective action plan and to distribute a copy of the corrective action plan to all residents
21 and depositors. Expenses incurred by the Commissioner to engage consultants shall be paid by
22 the provider.

23 (d) This section shall not be construed to delay or prevent the Commissioner from taking
24 any regulatory measures deemed necessary regarding the provider.

25 (e) The provider shall distribute its approved corrective action plan and its most recent
26 report to the Commissioner to a prospective resident at the time the provider distributes its current
27 disclosure statement pursuant to G.S. 58-64A-155. Subsections (b) and (c) of G.S. 58-64A-155
28 shall apply to the corrective action plan and the most recent report to the Commissioner required
29 to be distributed pursuant to this subsection.

30 **§ 58-64A-295. Investigations and subpoenas.**

31 (a) The Commissioner may make public or private investigations within or outside of this
32 State as necessary to (i) determine whether any person has violated or is about to violate any
33 provision of this Article, (ii) aid in the enforcement of this Article, or (iii) verify statements
34 contained in any disclosure statement or other filing filed or delivered under this Article.

35 (b) For the purpose of any investigation or proceeding under this Article, the
36 Commissioner may require or permit any person to file a statement in writing, under oath or
37 otherwise, as to any of the facts and circumstances concerning the matter to be investigated.

38 (c) For the purpose of any investigation or proceeding under this Article, the
39 Commissioner or the Commissioner's designee may exercise all powers granted to the
40 Commissioner with respect to insurance companies.

41 **§ 58-64A-300. Civil liability.**

42 (a) A provider who enters into a binding reservation agreement, continuing care contract,
43 or continuing care at home contract under this Article without having first delivered a disclosure
44 statement meeting the requirements of Part 5 of this Article to the person with whom the binding
45 reservation agreement, continuing care contract, or continuing care at home contract was entered
46 into, or enters into a binding reservation agreement, continuing care contract, or continuing care
47 at home contract with a person who has relied on a disclosure statement that materially
48 misrepresents or omits to state a material fact required to be stated therein or necessary in order
49 to make the statements made therein, in light of the circumstances under which they are made,
50 not misleading, shall be liable to that person for actual damages and repayment of all fees paid
51 to the provider violating this Article, less the costs of care, services, and housing provided to the

1 resident by or on whose behalf the binding reservation agreement, continuing care contract, or
2 continuing care at home contract was entered into prior to discovery of the violation,
3 misstatement, or omission or the time the violation, misstatement, or omission should reasonably
4 have been discovered, together with interest thereon at the legal rate for judgments, and court
5 costs and reasonable attorneys' fees.

6 (b) Liability under this section exists regardless of whether the provider had actual
7 knowledge of the misstatement or omission.

8 (c) A person may not file or maintain an action under this section if the person, before
9 filing the action, received a written offer of a refund of all amounts paid to the provider, together
10 with interest at the rate established monthly by the Commissioner of Banks pursuant to
11 G.S. 24-1.1(c), less the cost of care, services, and housing provided prior to receipt of the offer,
12 and if the offer recited the provisions of this section and the recipient of the offer failed to accept
13 it within 30 days of actual receipt.

14 (d) An action may not be maintained to enforce a liability created under this Article unless
15 brought before the expiration of three years after the alleged violation.

16 **"§ 58-64A-305. Criminal penalties.**

17 (a) Any person who willfully and knowingly violates any provision of this Article is
18 guilty of a Class 1 misdemeanor. The Commissioner may refer any available evidence concerning
19 a violation of this Article, or of any rule adopted or order issued pursuant to this Article, to the
20 Attorney General or a district attorney. The Attorney General or a district attorney may institute
21 the appropriate criminal proceedings under this Article, with or without evidentiary referral from
22 the Commissioner. Nothing in this Article limits the power of the State to punish any person for
23 any conduct that constitutes a crime under any other statute.

24 (b) Any action brought against any person shall not abate by reason of a sale or other
25 transfer of ownership of the continuing care retirement community except with the express
26 written consent of the Commissioner.

27 **"§ 58-64A-310. Forfeiture.**

28 (a) A permit, certificate, license, or other approval issued by the Commissioner pursuant
29 to this Article shall be forfeited, after notice and opportunity for hearing, when any one of the
30 following occurs:

31 (1) The provider terminates marketing a proposed continuing care retirement
32 community.

33 (2) The provider surrenders to the Commissioner its permit, certificate, or license.

34 (3) The provider sells or otherwise transfers all or part of a continuing care
35 retirement community without the Commissioner's approval in accordance
36 with G.S. 58-64A-230.

37 (4) A change occurs in the control of the provider without the Commissioner's
38 approval in accordance with G.S. 58-64A-235.

39 (5) The provider merges with another person without the Commissioner's
40 approval in accordance with G.S. 58-64A-235.

41 (6) The provider moves the continuing care retirement community from one
42 location to another without the Commissioner's prior approval.

43 (7) The provider abandons the continuing care retirement community or its
44 obligations under continuing care and continuing care at home contracts.

45 (8) The provider is evicted from the structures that make up the continuing care
46 retirement community.

47 (9) The provider closes a continuing care retirement community.

48 (b) The provider shall notify all residents and depositors within five business days after
49 a forfeiture of a permit, certificate, or license.

50 **"§ 58-64A-315. Remedies available in cases of unlawful contracting.**

1 (a) If the Commissioner determines that a provider is or has been violating the provisions
2 of this Article, the Commissioner may, after notice and opportunity for hearing, order the
3 provider to cease entering into binding reservation agreements, continuing care contracts, and
4 continuing care at home contracts and make a rescission offer to any resident or depositor who
5 entered into a binding reservation agreement, continuing care contract, or continuing care at
6 home contract while the provider was violating the provisions of this Article in accordance with
7 the provisions of this section.

8 (b) After the Commissioner issues an order pursuant to subsection (a) of this section,
9 every binding reservation agreement, continuing care contract, or continuing care at home
10 contract entered into in violation of this Article may be rescinded at the election of the resident
11 or depositor without penalty.

12 (c) No resident or depositor shall have the benefit of this section who, within 30 days of
13 receipt, has refused or failed to accept an offer made in writing by the provider to rescind the
14 binding reservation agreement, continuing care contract, or continuing care at home contract in
15 question and to refund the full amount paid by the resident or depositor with interest at the rate
16 established monthly by the Commissioner of Banks pursuant to G.S. 24-1.1(c) on the full amount
17 paid for the binding reservation agreement, continuing care contract, or continuing care at home
18 contract for the period from the date of payment by the depositor or resident to the date of
19 repayment, less the cost of care, services, and housing provided, if applicable, and the amount of
20 any costs specifically incurred by the provider at the request of the resident or depositor and set
21 forth in writing, signed by both parties to the binding reservation agreement, continuing care
22 contract, or continuing care at home contract.

23 **"§ 58-64A-325. Nonexclusive remedies.**

24 The civil, criminal, and administrative remedies available to the Commissioner pursuant to
25 this Article are not exclusive and may be sought and employed by the Commissioner, in any
26 combination, to enforce this Article.

27 **"§ 58-64A-330. Soliciting or accepting new agreements or contracts by impaired or**
28 **insolvent providers.**

29 Regardless of whether delinquency proceedings as to a provider have been or are to be
30 initiated, a provider may not actively solicit, approve the solicitation of, or enter into new binding
31 reservation agreements, continuing care contracts, or continuing care at home contracts in this
32 State after the provider knew, or reasonably should have known, that the provider was impaired
33 or insolvent except with the written permission of the Commissioner. The Commissioner shall
34 approve or disapprove the continued marketing of new binding reservation agreements,
35 continuing care contracts, and continuing care at home contracts within 15 days after receiving a
36 request from a provider. If the provider has declared bankruptcy, the bankruptcy court or trustee
37 appointed by the court has jurisdiction over those matters.

38 "Part 13. Delinquency Proceedings.

39 **"§ 58-64A-335. Supervision, rehabilitation, and liquidation.**

40 (a) The Commissioner may commence a supervision proceeding pursuant to Article 30
41 of this Chapter or may apply to the Superior Court of Wake County or to the federal bankruptcy
42 court that may have previously taken jurisdiction over the provider or continuing care retirement
43 community for an order directing the Commissioner or authorizing the Commissioner to
44 rehabilitate or liquidate a provider or continuing care retirement community in accordance with
45 Article 30 of this Chapter, if the Commissioner determines, after notice and an opportunity for
46 hearing, that any of the following apply:

- 47 (1) A portion of an escrow account or operating reserve required to be maintained
48 under this Article has been or is proposed to be released in violation of this
49 Article.

1 (2) A provider has been or will be unable to fully perform its obligations pursuant
2 to continuing care and continuing care at home contracts, or to meet
3 prospective financial data previously filed by the provider.

4 (3) A provider has failed to maintain the escrow account required under this
5 Article.

6 (4) A provider is in a hazardous condition.

7 (5) A provider is bankrupt or insolvent, or in imminent danger of becoming
8 bankrupt or insolvent.

9 (b) If the Commissioner commences a supervision proceeding, the provider shall notify
10 all residents and depositors of the proceeding within five business days.

11 (c) If an order is issued directing or authorizing the Commissioner to rehabilitate or to
12 liquidate a provider or continuing care retirement community, the Commissioner shall notify all
13 affected residents and depositors of the rehabilitation or liquidation order within five business
14 days or as otherwise directed by the Court.

15 (d) If, at any time, the Court finds, upon petition of the Commissioner, a provider, or on
16 its own motion, that the objectives of an order to rehabilitate a provider have been accomplished
17 and that the continuing care retirement community or communities owned by, or operated by,
18 the provider can be returned to the provider's management without further jeopardy to the
19 residents or depositors of the continuing care retirement community or communities, the Court
20 may, upon a full report and accounting of the conduct of the provider's affairs during the
21 rehabilitation and of the provider's current financial condition, terminate the rehabilitation and,
22 by order, return the continuing care retirement community or communities owned by, or operated
23 by, the provider, along with the assets and affairs of the provider, to the provider's management.

24 (e) When applying for an order to rehabilitate or liquidate a provider, the Commissioner
25 shall give due consideration in the application to the manner in which the welfare of persons who
26 have contracted with the provider for continuing care may be best served.

27 (f) An order for rehabilitation shall be refused or vacated if the provider posts a bond, by
28 a recognized surety authorized to do business in this State and executed in favor of the
29 Commissioner on behalf of persons who may be found entitled to a refund of entrance fees and
30 deposits from the provider or other damages in the event the provider is unable to fulfill its
31 contracts to provide continuing care, in an amount determined by the Court to be equal to the
32 reserve funding that would otherwise need to be available to fulfill the provider's obligations.

33 (g) G.S. 58-30-12 shall not apply to providers under this Article.

34 **"§ 58-64A-340. Receiverships; exception for long-term care facility beds.**

35 When the Commissioner has been appointed as a receiver under Article 30 of this Chapter
36 for a provider or a continuing care retirement community subject to this Article, the Department
37 of Health and Human Services may, notwithstanding any other provision of law, accept and
38 approve the addition of adult care home beds or nursing beds for a continuing care retirement
39 community owned by, or operated by, the provider, if it appears to the Court, upon petition of
40 the Commissioner or the provider, or on the Court's own motion, that (i) the best interests of the
41 provider or (ii) the welfare of persons who have previously contracted with the provider or may
42 contract with the provider may be best served by the addition of adult care home beds or nursing
43 beds.

44 **"§ 58-64A-345. Contracts as preferred claims in liquidation.**

45 (a) In the event of liquidation of a provider, all continuing care and continuing care at
46 home contracts executed by the provider shall be deemed preferred claims against all assets
47 owned by the provider.

48 (b) Notwithstanding subsection (a) of this section, the claims of all continuing care and
49 continuing care at home contracts shall be subordinate to the liquidator's cost of administration
50 or any secured claim.

51 "Part 14. Residents' Rights to Organization and Semiannual Meetings.

1 **"§ 58-64A-350. Definition of residents' council.**

2 As used in this Part, "residents' council" means a group duly elected by residents at a
3 continuing care retirement community to advocate for residents' rights and to serve as a liaison
4 between residents and the provider with respect to resident welfare and interests.

5 **"§ 58-64A-355. Right to organization.**

6 A resident living in a continuing care retirement community operated by a provider licensed
7 under this Article has the right of self-organization, the right to be represented by an individual
8 of the resident's own choosing, and the right to engage in concerted activities to keep informed
9 on the operation of the provider and the continuing care retirement community in which the
10 resident resides or for other mutual aid or protection. The right to organize includes the right to
11 establish a residents' council.

12 **"§ 58-64A-360. Semiannual meetings.**

13 (a) The board of directors or other governing body of a provider or its designated
14 representative shall hold in-person semiannual meetings with the residents of each continuing
15 care retirement community operated by the provider in this State for free discussions of subjects,
16 including, but not limited to, income, expenditures, financial trends and problems, and proposed
17 changes in policies, programs, and services as they apply to the provider, the continuing care
18 retirement community, and the continuing care retirement community's residents. For the
19 purposes of this section, a semiannual meeting shall be a single meeting that is open to all
20 residents and not a series of meetings with individual residents. Nothing in this section shall
21 prevent a provider from making a semiannual meeting available via electronic means to residents
22 of the continuing care retirement community who are unable to attend in person.

23 (b) At least one independent member of the board of directors or other governing body
24 of the provider shall attend the semiannual meetings in person. A provider may apply to the
25 Commissioner for a waiver from the requirement of this subsection based on unique
26 circumstances.

27 (c) Residents shall be entitled to at least seven days' advance notice of each meeting under
28 subsection (a) of this section. The agenda and any materials that are distributed at the meetings
29 shall remain available upon request to residents for at least 60 days after each semiannual
30 meeting.

31 (d) Whenever a state of emergency or disaster has been proclaimed in this State or for an
32 area within this State under G.S. 166A-19.20 or G.S. 166A-19.21, or whenever the President of
33 the United States has issued a major disaster declaration for the State or for an area within the
34 State under the Stafford Act, 42 U.S.C. § 5121, et seq., that directly affects the continuing care
35 retirement community, semiannual meetings required under this section may be held by
36 electronic means, including any of the following:

37 (1) Telephone.

38 (2) Video conference.

39 (3) Video broadcast.

40 (e) If a semiannual meeting is held under subsection (d) of this section, notice of the
41 method residents may use to attend the meeting shall be published with the notice of the meeting.
42 The meeting shall be recorded in the format in which it is conducted. Acceptable recording
43 formats include, but are not limited to, all of the following:

44 (1) A sound-only recording.

45 (2) A video recording with sound and picture.

46 (3) A digital or analog broadcast capable of being recorded.

47 (f) Recordings made pursuant to subsection (e) of this section shall remain available to
48 residents for at least 60 days after being made available to residents.

49 (g) A provider shall report in the disclosure statement required under G.S. 58-64A-150
50 the dates on which the semiannual meetings were held during the provider's previous fiscal year.

51 "Part 15. Miscellaneous Provisions.

1 **"§ 58-64A-365. Waiver of statutory protection.**

2 No act, agreement, or statement of any resident, or of an individual purchasing continuing
3 care for a resident under any continuing care or continuing care at home contract shall constitute
4 a valid waiver of any provision of this Article intended for the benefit or protection of the resident
5 or the individual purchasing continuing care for the resident.

6 **"§ 58-64A-370. Continuing Care Advisory Committee.**

7 (a) There shall be a 12-member Continuing Care Advisory Committee appointed by the
8 Commissioner. The Committee shall be comprised of providers, residents, and professionals
9 involved in the continuing care retirement community industry. At a minimum, the Committee
10 shall include at least two representatives of, and nominated by, the North Carolina Continuing
11 Care Residents Association and two representatives of, and nominated by, LeadingAge North
12 Carolina.

17 operation and regulation of continuing care retirement communities and
18 continuing care at home programs.

19 (4) Report to the Commissioner on developments in the continuing care
20 retirement community industry, including continuing care at home and similar
21 programs, and problems or concerns of providers and residents.

22 (5) Recommend changes in relevant statutes and rules.

23 (c) The term of each Committee member shall be three years, but each Committee
24 member shall serve until a successor has been appointed. Committee members may serve two
25 consecutive terms. Any appointment to fill a vacancy on the Committee created by resignation,
26 dismissal, death, or disability of a member shall be for the remainder of the unexpired term.

27 (d) Committee members shall serve without pay but shall be reimbursed for travel
28 expenses by the Department at the rates set out in G.S. 138-6.

29 **"§ 58-64A-375. Other licensing or regulation.**

30 (a) Nothing in this Article affects the authority of the Department of Health and Human
31 Services or any successor agency otherwise provided by law to license or regulate any long-term
32 care facility.

33 (b) Continuing care retirement communities and providers licensed under this Article that
34 are also subject to the provisions of the North Carolina Condominium Act under Chapter 47C of
35 the General Statutes shall not be subject to the provisions of Chapter 39A of the General Statutes,
36 provided that the continuing care retirement community's declaration of condominium does not
37 require the payment of any fee or charge not otherwise provided for in a resident's continuing
38 care contract, or other separate contract for the provisions of membership or services.

39 **"§ 58-64A-380. Examination.**

40 (a) The Commissioner or the Commissioner's designee may, in the Commissioner's
41 discretion, visit a provider offering continuing care in this State to examine its books and records.
42 Expenses incurred by the Commissioner in conducting examinations under this section shall be
43 paid by the provider examined.

44 (b) The provisions of G.S. 58-2-131, 58-2-132, 58-2-133, 58-2-134, 58-2-155, 58-2-180,
45 58-2-185, and 58-6-5 apply to this Article and are hereby incorporated by reference.

46 (c) If a provider relies on a contractual or financial relationship with another person in
47 order to meet the financial requirements of this Article, the Commissioner or the Commissioner's
48 designee may examine the person that has a contractual or financial relationship with the provider
49 to the extent necessary to ascertain the financial condition of the provider.

50 (d) A provider shall make a copy of the examination report issued by the Commissioner
51 available for inspection by all residents within 10 business days after issuance."

1 **SECTION 3.** This act becomes effective December 1, 2025, and applies to (i)
2 offenses committed on or after that date and (ii) contracts issued, renewed, or amended on or
3 after that date.
