15 appears that someone is on the premises.

16          (b) Refusal by a permittee or by any employee of a permittee to allow officers or  
17 employees of the Commission to enter the premises to make an inspection authorized by  
18 subsection (a) of this section shall be cause for revocation, suspension, or other action against the  
19 permit or the permittee as provided in G.S. 18D-103. It shall be a Class 2 misdemeanor for any  
20 person to resist or obstruct an officer attempting to make a lawful inspection under this section.

21 **"§ 18D-103. Administrative penalties.**

22          (a) For any violation of the tobacco retail sales laws, the Commission may take any of  
23 the following actions against a permittee:

30           within three years of the first violation.
- 31           (4) Suspend the permittee's permit under subdivision (1) of this subsection and  
32           impose a fine under subdivision (3) of this subsection.

33          (b) In any case in which the Commission is entitled to suspend or revoke a permit, the  
34 Commission may accept from the permittee an offer in compromise to pay a penalty of not more  
35 than five thousand dollars (\$5,000). The Commission may either accept a compromise or revoke  
36 a permit, but not both. The Commission may accept a compromise and suspend the permit in the  
37 same case.

38          (c) The clear proceeds of fines and penalties assessed pursuant to this section shall be  
39 remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

40          (d) Suspension or revocation of a permit is grounds for suspension or revocation of any  
41 related State or local revenue license.

42          (e) Unless some other disposition is ordered by the Commission for a tobacco retail sales  
43 law violation, revocation or suspension of a permit under subsection (a) of this section does not  
44 include automatic revocation or suspension, respectively, of any ABC permit held by the same  
45 permittee for the same establishment.

46 **"§ 18D-104. Rules.**

47          The Commission shall have authority to adopt, amend, and repeal rules to carry out the  
48 provisions of this Chapter. Those rules shall become effective when adopted and filed pursuant  
49 to the provisions of Chapter 150B of the General Statutes.

50 **"§ 18D-105. Applicability of Administrative Procedure Act.**

1       (a) A permit is a "license" within the meaning of G.S. 150B-2 and, except for a  
2 confirmation pursuant to G.S. 18D-300(a)(7), a Commission action on issuance, suspension, or  
3 revocation of a permit, other than a temporary permit issued under G.S. 18D-304, is a "contested  
4 case" subject to the provisions of Chapter 150B of the General Statutes, except as provided in  
5 this section.

6       (b) Hearings on permits shall be held within 100 miles, as best can be determined by the  
7 Commission, of the county seat of the county in which the licensed business or proposed business  
8 is located. The hearing may be held, however, at any place upon agreement of the Commission  
9 and all other parties.

10       (c) In making a final decision in a contested case in which an issue is whether to deny an  
11 application for a tobacco retail sales permit because the applicant is unsuitable, the Commission  
12 may hear evidence of acts that occurred after the date the contested case hearing was held if the  
13 evidence is admissible under G.S. 150B-29(a). New evidence heard under this subsection is not  
14 grounds for reversal or remand under G.S. 150B-51(a).

15   "Article 2.

16   "Sales.

17 **"§ 18D-200. Tobacco retail permit required.**

18       (a) It is unlawful to sell a tobacco product to a consumer in this State without a permit  
19 issued by the Commission in accordance with this Chapter.

20       (b) Notwithstanding subsection (a) of this section, no permit issued pursuant to this  
21 Chapter shall be required by a delivery service making deliveries on behalf of another person  
22 holding a permit issued pursuant to this Chapter.

23 **"§ 18D-201. Disposition of seized tobacco products.**

24       (a) A law enforcement officer who seizes tobacco products as evidence of a tobacco retail  
25 sales law violation shall provide for the storage of those tobacco products until the  
26 commencement of the trial or administrative hearing relating to the violation, unless some other  
27 disposition is authorized under this section.

28       (b) After giving notice to each defendant, to any other known owner, and to the  
29 Commission, a judge may order any of the following dispositions of tobacco products seized as  
30 evidence of a tobacco retail sales law violation:

31           (1) The destruction of any tobacco products except that amount needed for  
32 evidence at trial.

33           (2) The sale of any tobacco products other than any tobacco products needed for  
34 evidence at trial, if the trial is likely to be delayed for more than 90 days, or if  
35 the quantity or nature of the tobacco products is such that storage is  
36 impractical or unduly expensive.

37           (3) The destruction of the tobacco products if storage or sale is not practical.

38           (4) Continued storage of the tobacco products.

39       (c) After the criminal charge is resolved, a judge may order any of the following  
40 dispositions of seized tobacco products:

41           (1) If the owner or possessor of the tobacco products is found guilty of a criminal  
42 charge relating to those tobacco products, the judge may order the sale or  
43 destruction of any tobacco products that were held until trial.

44           (2) If the owner or possessor of the tobacco products is found not guilty, or if  
45 charges are dismissed or otherwise resolved in favor of the owner or  
46 possessor, the judge shall order the tobacco products returned to that owner or  
47 possessor, except as provided in subdivision (3) of this subsection.

48           (3) If the owner or possessor of the tobacco products is found not guilty, or if  
49 charges are otherwise resolved in favor of the owner or possessor, but  
50 possession of the tobacco products by that owner or possessor would be  
51 unlawful, the judge shall order the tobacco products either sold or destroyed.

1           (4) If ownership of the tobacco products remains uncertain after trial or after the  
2 charges have been dismissed, the judge may order the tobacco products held  
3 for a specified time, until ownership of the tobacco products can be  
4 determined.

5           (d) If tobacco products used as evidence in a criminal proceeding are also needed as  
6 evidence at an administrative hearing, a judge shall not order any of the dispositions set out in  
7 subsection (c) of this section but shall order the tobacco products held for the administrative  
8 hearing and for a determination of final disposition by the Commission. The Commission may,  
9 before or after an administrative hearing, order any of the dispositions authorized under  
10 subsections (b) and (c) of this section. If no related criminal proceeding has commenced, the  
11 Commission shall not order destruction of tobacco products until notice has been given to the  
12 district attorney for the district where the tobacco products were seized or any violation of  
13 tobacco retail sales laws related to the seizure of the tobacco products is likely to be prosecuted.

14           (e) The sale of tobacco products shall be by public auction to a tobacco products  
15 manufacturer, a tobacco products wholesaler, or a tobacco retail sales permittee.

16           (f) An agency selling tobacco products seized under the provisions of this Chapter shall  
17 keep the proceeds in a separate account until some other disposition is ordered by a judge or the  
18 Commission. In a criminal proceeding, if the owner or possessor of the tobacco products is found  
19 guilty of a violation relating to seizure of the tobacco products, if the owner or possessor is found  
20 not guilty or the charge is dismissed or otherwise resolved in favor of the owner or possessor,  
21 but the possession of the tobacco products by that owner or possessor would be unlawful, or if  
22 the ownership of the tobacco products cannot be determined, the proceeds from the sale of those  
23 tobacco products shall be paid to the school fund of the county in which the tobacco products  
24 were seized. If the owner or possessor of tobacco products seized for violation of the tobacco  
25 retail sales laws is found not guilty of criminal charges relating to the seizure of those tobacco  
26 products or the charge is dismissed or otherwise resolved in favor of the owner or possessor, and  
27 if possession of the tobacco products by that owner or possessor was lawful when the tobacco  
28 products were seized, the proceeds from the sale of those tobacco products shall be paid to the  
29 owner or possessor. The agency making the sale may deduct and retain from the amount to be  
30 placed in the county school fund the costs of storing the seized tobacco products and of  
31 conducting the sale but may not deduct those costs from the amount to be turned over to an owner  
32 or possessor of the tobacco products.

33           (g) Any person who claims any of the following resulting from the seizure of tobacco  
34 products may bring an action in the superior court of the county in which the tobacco products  
35 were seized:

36           (1) To be the owner of tobacco products that are wrongfully held.

37           (2) To be the owner of tobacco products that are needed as evidence in another  
38 proceeding.

39           (3) To be entitled to proceeds from a sale of tobacco products.

40           (4) To be entitled to restitution for tobacco products wrongfully destroyed.

41 **"§ 18D-202. Forfeiture.**

42           (a) Tobacco products possessed or sold in violation of the tobacco retail sales laws shall  
43 be subject to forfeiture.

44           (b) Tobacco products which may be possessed lawfully shall not be subject to forfeiture  
45 when they were used unlawfully by someone other than the owner of the tobacco products and  
46 the owner did not consent to the unlawful use.

47           (c) If tobacco products subject to forfeiture have not already been seized as part of an  
48 arrest or search, a law enforcement officer may apply to a judge for an order authorizing seizure  
49 of that tobacco product. An order for seizure may be issued only after criminal process has been  
50 issued for tobacco retail sales law violation in connection with that tobacco product. The order

1 shall describe the tobacco product to be seized and shall state the facts establishing probable  
2 cause to believe that the tobacco product is subject to forfeiture.

3 (d) A law enforcement officer seizing tobacco product subject to forfeiture shall provide  
4 for its safe storage until trial.

5 (e) The presiding judge in a criminal proceeding for violation of tobacco retail sales laws  
6 may take any of the following actions after resolution of a charge against the owner or possessor  
7 of the tobacco product subject to forfeiture under this section:

8 (1) If the owner or possessor of the tobacco product is found guilty of a tobacco  
9 retail sales offense, the judge may order the tobacco product forfeited.

10 (2) If the owner or possessor of the tobacco product is found not guilty, or if the  
11 charge is dismissed or otherwise resolved in favor of the owner or possessor,  
12 the judge shall order the tobacco product returned to the owner or possessor.

13 (3) If ownership of the tobacco product remains uncertain after trial, the judge  
14 may order the tobacco product held for a specified time to determine  
15 ownership. If the judge finds that ownership cannot be determined with  
16 reasonable effort, the judge shall order the tobacco product forfeited.

17 (4) Regardless of the disposition of the charge, if the tobacco product is something  
18 that may not be possessed lawfully, the judge shall order it forfeited.

19 (5) If the tobacco product is also needed as evidence at an administrative hearing,  
20 the judge shall provide that the order does not go into effect until the  
21 Commission determines that the tobacco product is no longer needed for the  
22 administrative proceeding.

23 (f) A judge ordering forfeiture of the tobacco product may order any one of the following  
24 dispositions:

25 (1) Sale at public auction to a tobacco products manufacturer, a tobacco products  
26 wholesaler, or a tobacco retail sales permittee.

27 (2) Destruction, if possession of the tobacco product would be unlawful or if sale  
28 or other disposition is not practical.

29 (g) If the forfeited tobacco product is sold, the proceeds of that sale shall be paid to the  
30 school fund of the county in which the tobacco product was seized, except as provided in  
31 subsection (h) of this section. Before placing the proceeds in the school fund, the agency making  
32 the sale may deduct and retain the costs of storing the tobacco product and conducting the sale.

33 (h) At any time before forfeiture is ordered, an owner of the seized tobacco product or a  
34 holder of a security interest in the seized tobacco product, other than the defendant, may apply  
35 to protect the person's interest in the tobacco product. The application may be made to any judge  
36 who has jurisdiction to try the offense with which the tobacco product is associated. If the judge  
37 finds that the tobacco product owner or holder of a security interest did not consent to the  
38 unlawful use of the tobacco product, and that the tobacco product may be possessed lawfully by  
39 the owner or holder, the judge may order any of the following:

40 (1) That the tobacco product be returned to the owner, if it is not needed as  
41 evidence at trial.

42 (2) That the tobacco product be returned to the owner following trial or other  
43 resolution of the case.

44 (3) That, if the tobacco product is sold following trial, a specified sum be paid  
45 from the proceeds of that sale to the holder of the security interest.

46 (i) When tobacco product is seized for forfeiture but the owner is unknown, the district  
47 attorney may seek forfeiture under this section by an action in rem against the tobacco product.  
48 If the owner is known and has been charged with an offense but is unavailable for trial, the district  
49 attorney may seek forfeiture either by an action in rem against the tobacco product or by motion  
50 in the criminal action.

1       (j) Any owner of tobacco product seized for forfeiture may apply to a judge to have the  
2 tobacco product returned to him if no criminal charge has been made in connection with that  
3 tobacco product within a reasonable time after seizure. The judge may not order the return of the  
4 tobacco product if possession by the owner would be unlawful.

5   "Article 3.

6   "Issuance of Permits.

7 **"§ 18D-300. Qualifications for a permit.**

8       (a) To be eligible to receive and to hold a tobacco retail sales permit, a person must satisfy  
9 all of the following requirements:

10           (1) Be at least 21 years old.

11           (2) Be a resident of North Carolina, unless either of the following applies:

12               a. The person is an officer, director, or stockholder of a corporate  
13 applicant or permittee and is not a manager or otherwise responsible  
14 for the day-to-day operation of the business.

15               b. The person has executed a power of attorney designating a qualified  
16 resident of this State to serve as attorney-in-fact for the purposes of  
17 receiving service of process and managing the business for which  
18 permits are sought.

19           (3) Not have been convicted of a felony within three years and, if convicted of a  
20 felony before then, have had his or her citizenship restored.

21           (4) Not have been convicted of a tobacco product retail sales offense pursuant to  
22 this Chapter within two years.

23           (5) Not have been convicted of a misdemeanor controlled substance offense  
24 within two years.

25           (6) Not have had a tobacco retail sales permit revoked within three years, except  
26 where the revocation was based solely on a permittee's failure to pay the  
27 annual renewal fee required in G.S. 18D-302(d).

28           (7) Be current in filing all applicable tax returns to the State and in payment of all  
29 taxes, interest, and penalties that are collectible under G.S. 105-241.22.

30 To avoid undue hardship, however, the Commission may decline to take action under  
31 G.S. 18D-103 against a permittee who is in violation of subdivision (3), (4), or (5) of this  
32 subsection.

33       (b) A person has been "convicted" for the purposes of subsection (a) of this section when  
34 the person has been found guilty or has entered a plea of guilty or nolo contendere and judgment  
35 has been entered. A felony conviction in another jurisdiction disqualifies a person from being  
36 eligible to receive or hold a tobacco retail sales permit if the conduct would also constitute a  
37 felony in North Carolina. A conviction of a tobacco retail sales law or misdemeanor drug offense  
38 in another jurisdiction disqualifies a person from being eligible to receive or hold a tobacco retail  
39 sales permit if the conduct would constitute an offense in North Carolina, unless the Commission  
40 determines that under North Carolina procedure judgment would not have been entered under  
41 the same circumstances. Revocation of a permit in another jurisdiction disqualifies a person if  
42 the conduct would be grounds for revocation of a tobacco retail sales permit in North Carolina.

43       (c) For a permit to be issued to and held for a business, each of the following persons  
44 associated with that business must qualify under subsection (a) of this section:

45           (1) The owner of a sole proprietorship.

46           (2) Each member of a firm, association, or general partnership.

47           (3) Each general partner in a limited partnership.

48           (4) Each manager and any member with a twenty-five percent (25%) or greater  
49 interest in a limited liability company.

50           (5) Each officer, director, and owner of twenty-five percent (25%) or more of the  
51 stock of a corporation except that the requirement of subdivision (1) of

1 subsection (a) of this section does not apply to the officer, director, or  
2 stockholder unless he or she is a manager or is otherwise responsible for the  
3 day-to-day operation of the business.

4 (6) The manager of an establishment operated by a corporation.

5 (7) Any manager who has been empowered as attorney-in-fact for a nonresident  
6 individual or partnership.

7 (8) Any manager or person otherwise responsible for the day-to-day operation of  
8 the business, if none of the persons listed in subdivisions (1) through (7) of  
9 this subsection are a manager or person otherwise responsible for the  
10 day-to-day operation of the business.

11 (d) Upon request of the Commission, the Department of Revenue shall provide  
12 information to the Commission to confirm a person's compliance with subdivision (7) of  
13 subsection (a) of this section. If the Department of Revenue notifies the Commission that a person  
14 is not in compliance, then the Commission may not issue or renew the person's permit until the  
15 Commission receives notice from the Department of Revenue that the person is in compliance.  
16 The requirement to pay all taxes, interest, and penalties may be satisfied by an operative  
17 agreement under G.S. 105-237 covering any amounts that are collectible under G.S. 105-241.22.  
18 Chapter 150B of the General Statutes does not apply to a Commission action on issuance,  
19 suspension, or revocation of a tobacco retail sales permit under subdivision (7) of subsection (a)  
20 of this section.

23 (b) Before issuing a permit, the Commission shall be satisfied that the applicant is a  
24 suitable person to hold a tobacco retail sales permit and that the location is a suitable place to  
25 hold the permit for which the applicant has applied. Factors the Commission shall consider in  
26 determining whether the applicant and the business location are suitable are all of the following:

50 permit is requested. An applicant shall cooperate fully with the investigation. The State Bureau  
51 of Investigation may provide a criminal record check to the ALE Division for a person who has

1 applied for a permit through the Commission. The ALE Division shall provide to the State Bureau

29 same amount as the application fee set in G.S. 18D-302. A renewal fee shall not be refundable.

30 (c) Notwithstanding subsection (a) of this section, the Commission shall not revoke a  
31 permit for failure to pay a renewal application fee until June 1 of each year. No later than five

33 paid any required renewal application fees as of April 30. The Commission shall charge a late  
34 fee of twenty-five percent (25%) of the renewal application fee for a permit for which the renewal  
35 application fee is submitted after April 30.

36 (d) Change in Ownership. –

37 (1) Except as provided in subdivisions (2) and (2a) of this subsection, all permits

39 Commission in any of the following circumstances:

- 40 a. Ownership of the establishment changes.
- 41 b. There is a change in the membership of the firm, association, or  
42 partnership owning the establishment, involving the acquisition of a  
43 twenty-five percent (25%) or greater share in the firm, association, or  
44 partnership by someone who did not previously own a twenty-five  
45 percent (25%) or greater share.
- 46 c. Twenty-five percent (25%) or more of the stock of the corporate  
47 permittee owning the establishment is acquired by someone who did  
48 not previously own twenty-five percent (25%) or more of the stock.

49 (2) Notwithstanding subsection (e) of this section, any person who through  
50 contract, lease, management agreement, or change of ownership or transfer of  
51 business as provided in subdivision (1) of this subsection becomes lawfully

1 entitled to use and control of the premises of an establishment that holds  
2 permits immediately prior to such change of ownership may continue to  
3 operate the establishment, as successor to the prior permittee, to the same  
4 extent as the predecessor permittee until the person receives a temporary or  
5 new permit, subject to the following limitations:

6 a. The person shall provide written or electronic notice to the  
7 Commission of the name of the non-permitted person, the name and  
8 address of the permitted establishment, and the date of the change in  
9 ownership. The person may not operate the establishment as provided  
10 in this subdivision until the person has provided notice to the  
11 Commission. The Commission shall not require any additional  
12 documentation besides the written or electronic notice to satisfy this  
13 requirement. The prior permittee shall not be liable for any acts or  
14 omissions of the non-permitted person operating the establishment.  
15 Any violations of the tobacco retail sales law committed by the person  
16 or any actions taken by the Commission to revoke or suspend the  
17 permit based on the acts or omissions of the person operating the  
18 establishment shall not preclude the prior permittee from receiving a  
19 tobacco retail sales permit for a different establishment.

20 b. The person shall submit a new permit application to the Commission  
21 within 60 days after the change of ownership. If the person does not

23 shall automatically expire and shall be surrendered to the Commission.

24 c. The 60-day period to file a new permit application shall only be  
25 allowed once per 24 months for each establishment that holds a  
26 tobacco retail sales permit, unless the establishment requests and the  
27 Commission grants a waiver of the 24-month requirement. The  
28 Commission shall grant a waiver of the 24-month requirement if it  
29 determines that the public health, safety, and welfare would not be  
30 harmed by granting the waiver.

31 d. This subdivision shall apply only to establishments that hold tobacco  
32 retail sales permits that are in good standing and that have not been  
33 found responsible by the Commission or a court of competent  
34 jurisdiction of a gambling, assault, disorderly conduct, prostitution, or  
35 controlled substances violation within 12 months prior to the date the  
36 non-permitted person becomes entitled to use and control of the  
37 establishment.

38 e. The person shall be authorized to operate the establishment as  
39 successor to the prior permittee to the same extent as the predecessor  
40 permittee until the Commission either issues or denies the permit  
41 application submitted pursuant to sub-subdivision b. of this  
42 subdivision.

43 (2a) The transfer by a person of any ownership interest to a revocable or  
44 irrevocable trust established by the person shall not constitute a change in  
45 ownership for purposes of subdivision (1) of this subsection if the person  
46 transferring the ownership interest to the trust continues to operate the  
47 establishment. If the person who transferred the ownership interest ceases to  
48 operate the establishment following the transfer of the ownership interest to  
49 the trust, this shall constitute a change in ownership for purposes of  
50 subdivision (1) of this subsection. The trustee shall notify the Commission

1                   within 30 days if the person who transferred the ownership interest ceases to  
2                   operate the establishment.

3           (e)   A corporation holding a permit for an establishment for which the manager is required  
4           to qualify as an applicant under G.S. 18D-300(c) shall, within 30 days after employing a new  
5           manager, submit to the Commission an application for substitution of a manager. The application  
6           shall be signed by the new manager, shall be on a form provided by the Commission, and shall  
7           be accompanied by a fee of ten dollars (\$10.00). The fee shall not be refundable.

8           (f)   A permit issued pursuant to this Chapter may not be transferred from one person to  
9           another or from one location to another.

10          (g)   The Commission may issue duplicate permits for an establishment when the existing  
11          valid permits have been lost or damaged. The request for duplicate permits shall be on a form  
12          provided by the Commission, certified by the permittee and the ALE Division, and accompanied  
13          by a fee of ten dollars (\$10.00).

14          (h)   The Commission may issue new permits to a permittee upon application and payment  
15          of a fee of ten dollars (\$10.00) for each location when the permittee's name or name of the  
16          business is changed.

20               physical presence of the consumer on the fixed premises of the establishment  
21               located in the State and named in the permit. A retail seller permit shall be  
22               issued to the owner of the business conducted on the premises or to the  
23               management company employed to independently manage and operate the  
24               business. The Commission may determine if a management agreement  
25               delegates sufficient managerial control and independence to a manager or  
26               management company to require a retail seller permit to be issued to the  
27               manager.

28               (2)   A delivery seller permit shall authorize a delivery sale only, originating either  
29               inside or outside of the State. A delivery seller permit shall be issued to the  
30               owner of the business or to the management company employed to  
31               independently manage and operate the business. The Commission may  
32               determine if a management agreement delegates sufficient managerial control  
33               and independence to a manager or management company to require a delivery  
34               seller permit to be issued to the manager.

35               (3)   A remote seller permit shall authorize a remote sale only, originating either  
36               inside or outside of the State. A remote seller permit shall be issued to the  
37               owner of the business or to the management company employed to  
38               independently manage and operate the business. The Commission may  
39               determine if a management agreement delegates sufficient managerial control  
40               and independence to a manager or management company to require a remote  
41               seller permit to be issued to the manager.

42          (b)   Each retail seller permit that is held by an establishment shall be posted in a prominent

48          of a public school, college, or university.

49          (d)   A permit shall automatically expire and shall be surrendered to the Commission if the  
50          person to whom it is issued does not commence the activity authorized by the permit within six

1 months of the date the permit is effective. Before the expiration of the six-month period, the  
2 Commission may waive this provision in individual cases for good cause.

3 (e) Upon issuing a permit, the Commission shall send notice of the issuance, with the  
4 name and address of the permittee and the establishment, to all of the following:

13 Commission without complying with the provisions of Chapter 150B of the General Statutes.  
14 Revocation of a temporary permit or withdrawal by the Commission of a pending application by  
15 a permittee possessing a temporary permit shall be effective upon service of the notice of  
16 revocation or withdrawal upon the permittee at either the permittee's residence or the address  
17 given for the business in the permit application or upon the expiration of five business days after
