38 **reimbursement to an employee from an employer upon the employee's termination, resignation,**
39 **retirement, or other separation from employment for accrued paid sick days that have not been**
40 **used.**

41 **(g) Nothing in this section shall be construed to discourage employers from adopting or**
42 **retaining paid sick time policies more generous than policies that comply with the requirements**

9 right to file a complaint with the Commissioner of Labor or in the General Court of Justice if
10 paid sick time as required by this Article is denied by the employer or the employee is retaliated
11 against for requesting or taking paid sick time. Employers may comply with this section by
12 supplying each of their employees with a notice in English and in Spanish that contains the
13 information required by this section or by displaying a poster in a conspicuous and accessible
14 place in each establishment where the employees are employed that contains in English and in
15 Spanish all information required by this section.

16 **"§ 95-31.7. Enforcement.**

18 adding a new section to read:

19 "**§ 95-25.23D. Wage claims; liens; collections.**

20 (a) For the purposes of wage claims and collections under this Article, an employee is
21 entitled to a lien upon:

22 (1) All property of the employer, real or personal, located in this State; and

23 (2) All property upon which the employee has performed work at the insistence
24 of the owner or of any person acting by the employer's authority or under the
25 owner as contractor or otherwise, for the full amount of the wages and any
26 statutory penalties owed.

27 (b) Both a wage claim and an action to enforce a lien under this section may be brought
28 by the employee individually or by the Commissioner, or any representative of the employee on
29 behalf of the employee, including collective bargaining representatives.

30 (c) If no lien has been recorded at the time the employee files the complaint with the
31 Commissioner, the Commissioner shall record and provide notice of the lien on behalf of the
32 employee.

33 (d) Any number of wage claims or wage deficiencies against the same employer may be
34 joined in a single proceeding, but the court may order separate trials or hearings. If the proceeds
35 of the sale of the property subject to a lien are insufficient to pay all the claimants, whether or
36 not such claims have been joined together, the court shall order the claimants to be paid in
37 proportion to the amount due each claimant.

38 (e) An employee's lien upon personal property shall be limited to such property as can be
39 made subject to a security interest under the Commercial Code by the filing of a financing
40 statement.

41 (f) In order to enforce a lien under this section upon real property, a claim of lien must
42 be recorded with the county recorder in the county where the property is located, as follows:

43 (1) The claim shall include all of the applicable information set forth under
44 G.S. 44A-12.

45 (2) The notice of lien shall be served on the property owner in the manner
46 prescribed by G.S. 44A-11.

47 A lien under this section is perfected as soon as notice is provided as required by this
48 subsection.

49 (g) In order to enforce a lien under this section upon personal property, the
50 Commissioner, employee representative, or employee shall file the notice of the lien in the office
51 of the Secretary of State and serve a copy of the notice by personal service to the employer in the

1 same manner as a summons or by mail. The office of the Secretary of State shall place the notice
2 of the lien in the same file as the financing statements pursuant to G.S. 25-9-310. The notice shall
3 specify the nature and amount of the claim, describe the property on which the lien is made, and
4 state that the person filing the notice claims a lien on that property.

5 (h) The lien may be filed at any time prior to the expiration of the statute of limitations
6 for a wage claim on the same wages pursuant to G.S. 95-25.22(f).

7 (i) Mistakes or errors in the claimed amount owed shall not invalidate the lien unless
8 made with the intent to defraud.

9 (j) If a lien is recorded pursuant to subsection (f) of this section and an action to recover
10 unpaid wages has been filed, then that action shall also be deemed an action to foreclose upon
11 any property subject to the recorded lien. In the judgment resulting from such an action, the court
12 may order the sale at sheriff's auction or the transfer to the plaintiff of title or possession of any
13 property subject to the lien. Whether or not the court makes such an order as part of the judgment,
14 a writ of sale may be issued for any property subject to the lien at any point after a judgment for
15 unpaid wages is issued.

16 (k) If judgment is entered in favor of the employer in an action for unpaid wages or if the
17 case is dismissed with prejudice, the lien shall be extinguished upon expiration of the applicable
18 appeals period if no appeal is filed. If an appeal is filed, the lien shall continue in force until all
19 issues on appeal have been decided.

20 (l) If an action to recover the wages is not brought within one year of the filing of the
21 lien, the lien created by this section shall be extinguished.

22 (m) A lien recorded pursuant to subsection (f) of this section takes precedence over all
23 other debts, judgments, decrees, liens, or mortgages against the employer, regardless as to
24 whether these debts, judgments, decrees, liens, or mortgages originate before or after the wage
25 lien, and regardless of whether these debts, judgments, decrees, liens, or mortgages were
26 perfected prior to the wage lien. An employee's lien is effective against the employer, the estate
27 of the employer, or a subsequent bona fide purchaser of the property subject to the employee's
28 lien.

29 (n) The employee, the Commissioner, or the employee's representative, as assignee of the
30 employee, is entitled to court costs and reasonable attorneys' fees for filing a successful action to
31 foreclose a lien pursuant to this section."
