SENATE BILL DRS35138-NLf-18A

Short Title: Marijuana Justice and Reinvestment Act. (Public)

Sponsors: Senators Meyer, Chaudhuri, and Murdock (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO LEGALIZE AND REGULATE THE SALE, POSSESSION, AND USE OF
3 CANNABIS IN NORTH CAROLINA.

4 The General Assembly of North Carolina enacts:

5
6 **PART I. LEGALIZATION OF POSSESSION AND SALE OF CANNABIS**

7 **SECTION 1.1.(a)** The General Statutes are amended by adding a new Chapter to
8 read:

9 **"Chapter 18D.**

10 **"Regulation of Cannabis.**

11 **"Article 1.**

12 **"General Provisions.**

13 **"§ 18D-100. Findings.**

14 The General Assembly finds all of the following:

- 15 (1) Cannabis prohibition, like alcohol prohibition before it, has been a wasteful
16 and destructive failure. About half of Americans admit to having used
17 cannabis despite more than eight decades of prohibition.
- 18 (2) Regulating cannabis similarly to alcohol will replace the uncontrolled illicit
19 market with a well-regulated system. Legalization allows regulation and
20 control to protect consumers, workers, communities, and the environment.
- 21 (3) The prohibition of cannabis has had an unfair, disparate impact on persons
22 and communities of color. A 2020 report by the American Civil Liberties
23 Union found black individuals are three and six-tenths times as likely as white
24 individuals to be arrested for cannabis possession, despite nearly identical use
25 rates.
- 26 (4) The prohibition of cannabis diverts law enforcement resources from violent
27 and property crimes and subjects civilians to unnecessary police interactions.
- 28 (5) Keeping cannabis illegal deprives the State of thousands of legal jobs and
29 hundreds of millions of dollars in tax revenue.
- 30 (6) The use of cannabis should be legal for persons 21 years of age or older and
31 subject to taxation and regulation in a manner that does all of the following:
- 32 a. Controls the production and distribution of cannabis under a system of
33 licensing, regulation, and taxation.
- 34 b. Includes lab testing, potency labeling, secure packaging, restrictions
35 on advertising, and education about responsible use and risks.

* D R S 3 5 1 3 8 - N L F - 1 8 A *

- 1 c. Fosters a responsible industry, whereby businesses will only be
2 allowed to expand if they prioritize diversity, good wages,
3 sustainability, and community investment.
4 d. Promotes the participation of individuals most impacted by cannabis
5 prohibition in the legal, regulated industry.
6 e. Generates needed revenue, including to reinvest in communities that
7 have been disproportionately impacted by prohibition, for substance
8 abuse treatment and education, and to train more law enforcement
9 officers to detect impaired driving.

- 10 (7) It is necessary to ensure consistency and fairness in the application of this
11 Chapter throughout the State and that, therefore, the matters addressed by this
12 Chapter are, except as specified herein, matters of statewide concern.

7 plant cannabis, or per volume of weight of cannabis product, or the combined
8 percent of delta-9 tetrahydrocannabinol and tetrahydrocannabinolic acid in
9 any part of the cannabis plant regardless of moisture content.

24 will be allocated, the Office shall promote and hold public meetings in at least

50 Chapter.

1 (b) Except as provided in this section, neither the State nor any of its political

4 blood, saliva, breath, hair, or other tissue or fluid of a person who is 21 years of age or older.

5 (c) Except as provided in this section, neither the State nor any of its political

22 needed medical care and may only be considered with respect to evidence-based clinical criteria.

23 (g) Notwithstanding any provision of law to the contrary, unless there is a specific finding
24 that the individual's use, cultivation, or possession of cannabis could create a danger to the

30 (h) This section does not do any of the following:

32 for ingesting cannabis in the workplace or for working while impaired by
33 cannabis.

36 disqualify the entity from a monetary or licensing-related benefit under federal
37 law or regulations.

38 (3) Authorize any person to engage in, and does not prevent the imposition of any
39 civil, criminal, discipline, or other penalties, including discipline or

48 are within the scope of activities allowed by the Commission for that type of cannabis
49 establishment, is not unlawful and shall not be an offense under State law or be a basis for seizure
50 or forfeiture of assets under State law.

1 (b) Nothing in this section prevents the imposition of penalties for violating this Chapter
2 or rules adopted by the Commission or localities pursuant to this Chapter.

3 **"§ 18D-510. Verifying the age of cannabis consumers.**

4 (a) A cannabis establishment or an agent or staffer of a cannabis establishment may not
5 sell, deliver, distribute, give, transfer, or otherwise furnish cannabis to a person under the age of
6 21.

7 (b) Except as otherwise provided in this section, in a prosecution for selling, transferring,
8 delivering, distributing, giving, or otherwise furnishing cannabis, cannabis products, or cannabis
9 accessories to any person who is under 21 years of age, it is a complete defense if both of the
10 following requirements are met:

11 (1) The person who sold, gave, or otherwise furnished cannabis, cannabis
12 products, or cannabis accessories was a retail cannabis store or on-site
13 consumption establishment or was acting in his or her capacity as an owner,
14 employee, or agent of a retail cannabis store or on-site consumption
15 establishment at the time the cannabis, cannabis products, or cannabis
16 accessories were sold, given, or otherwise furnished to the person.

17 (2) Before selling, giving, or otherwise furnishing cannabis, cannabis products,
18 or cannabis accessories to a person who is under 21 years of age, the person
19 who sold, gave, or otherwise furnished the cannabis or cannabis accessories
20 or a staffer or agent of the retail cannabis store was shown a document that
21 appeared to be issued by an agency of a federal, state, tribal, or foreign
22 sovereign government and that indicated that the person to whom the cannabis
23 or cannabis accessories were sold, given, or otherwise furnished was 21 years
24 of age or older at the time the cannabis or cannabis accessories were sold,
25 given, or otherwise furnished to the person.

26 (c) Subsection (b) of this section does not apply if both of the following requirements are
27 met:

28 (1) The document that was shown to the person who sold, gave, or otherwise
29 furnished the cannabis, cannabis products, or cannabis accessories was
30 counterfeit, forged, altered, or issued to a person other than the person to
31 whom the cannabis, cannabis products, or cannabis accessories were sold,
32 given, or otherwise furnished.

33 (2) Under the circumstances, a reasonable person would have known or suspected
34 that the document was counterfeit, forged, altered, or issued to a person other
35 than the person to whom the cannabis, cannabis products, or cannabis
36 accessories were sold, given, or otherwise furnished.

37 **"§ 18D-511. Occupational licensing.**

38 (a) A holder of a professional or occupational license may not be subject to professional
39 discipline for providing advice or services related to cannabis establishments or applications to
40 operate cannabis establishments on the basis that cannabis is illegal under federal law.

41 (b) An applicant for a professional or occupational license may not be denied a license
42 based on previous employment related to cannabis establishments operating in accordance with
43 State law.

44 **"§ 18D-512. Private property and tenant rights.**

45 (a) Except as provided in this section, the provisions of this Chapter do not require any
46 person, corporation, or any other entity that occupies, owns, or controls a property to allow the
47 consumption, cultivation, display, sale, or transfer of cannabis on or in that property.

48 (b) Except as provided in this section, a landlord or property manager may not refuse to
49 rent to a tenant, or otherwise discriminate against the tenant, based on a past conviction for a
50 cannabis offense.

1 (c) Except as provided in this section, in the case of the rental of a residential dwelling,
2 a landlord or property manager may not prohibit the possession of cannabis or the consumption
3 of cannabis by nonsmoked means.

4 (d) Subsections (a) through (c) of this section do not apply if any of the following
5 requirements are met:

6 (1) The tenant is not leasing the entire dwelling.

7 (2) The residence is incidental to detention or the provision of medical, geriatric,
8 educational, counseling, religious, or similar service.

9 (3) The residence is a transitional housing or sober living facility.

10 (4) Failing to prohibit cannabis possession or consumption would violate federal
11 law or regulations or cause the landlord to lose a monetary or licensing-related
12 benefit under federal law or regulations.

13 (e) After a warning, a landlord or property manager may take action against a tenant if
14 the tenant's use of cannabis creates an odor that interferes with others' peaceful enjoyment of
15 their home or property.

16 **"§ 18D-513. Contracts enforceable.**

17 It is the public policy of this State that contracts related to the operation of a cannabis
18 establishment registered pursuant to this Chapter should be enforceable. It is the public policy of
19 this State that no contract entered into by a cannabis establishment or its employees or agents as
20 permitted pursuant to a valid registration, or by those who allow property to be used by a cannabis
21 establishment, its employees, or its agents as permitted pursuant to a valid registration, shall be
22 unenforceable on the basis that cultivating, obtaining, manufacturing, distributing, dispensing,
23 transporting, selling, possessing, or using cannabis or hemp is prohibited by federal law.

24 **"§ 18D-514. Respecting State law.**

25 (a) No law enforcement officer employed by an agency that receives State or local
26 government funds shall expend any State or local resources, including the officer's time, to effect
27 any arrest or seizure of cannabis, or conduct any investigation, on the sole basis of activity the
28 officer believes to constitute a violation of federal law if the officer has reason to believe that
29 such activity is in compliance with this Chapter, nor shall any such officer expend any State or
30 local resources, including the officer's time, to provide any information or logistical support
31 related to such activity to any federal law enforcement authority or prosecuting entity.

32 (b) No agency or political subdivision of the State may rely on a violation of federal law
33 related to cannabis as the sole basis for taking an adverse action against a person.

34 (c) For the purposes of State law, actions related to cannabis are considered lawful as
35 long as they are in accordance with this Chapter.

36 **"§ 18D-515. Rulemaking.**

37 (a) Not later than 180 days after the effective date of this Chapter, the Commission shall
38 adopt rules necessary for implementation of this Chapter. Such rules shall not prohibit the
39 operation of cannabis establishments, either expressly or through application, nor require such a
40 high investment of risk, money, time, or any other resource or asset that the operation of a
41 cannabis establishment is not worthy of being carried out in practice by a reasonably prudent
42 businessperson. Such regulations shall include all of the following:

43 (1) Procedures for the issuance, renewal, suspension, and revocation of a
44 registration to operate a cannabis establishment, with such procedures subject
45 to all requirements of Chapter 150B of the General Statutes.

46 (2) Rules, procedures, and policies to promote and encourage full participation in
47 the regulated cannabis industry by people from communities that have
48 previously been disproportionately harmed by cannabis prohibition and
49 enforcement and to positively impact those communities, which shall reflect
50 input from the Office of Community Reinvestment, including all of the
51 following:

- 1 a. Conducting necessary and appropriate outreach to diverse groups that
2 may qualify for participation in activities under this Chapter.
- 3 b. Requiring each cannabis establishment to establish and adhere to
4 policies that encourage diversity in employment, contracting, and
5 other professional opportunities.
- 6 c. Requiring any cannabis establishment with 25 or more employees to
7 retain a diversity officer.
- 8 d. Requiring each cannabis establishment to report on the diversity of its
9 workforce, management, contracts, and ownership by January 1 of
10 each year.
- 11 e. Issuing rules allowing community reinvestment applicants to apply
12 for, and be licensed for, cannabis establishment registrations no less
13 than 180 days prior to applicants that are not community reinvestment
14 applicants.
- 15 (3) A Race to the Top scoring system to make the expansion of a cannabis
16 establishment to more than two locations contingent on the cannabis
17 establishment's contributions to opportunity and to benefiting the community.
18 The system must reflect input from the Office of Community Reinvestment
19 and shall include, but need not be limited to, considerations of diversity in the
20 cannabis establishment's ownership and workforce, including in management;
21 employment of reentering citizens with prior convictions; minority
22 ownership; compensation packages and benefits for workers; investing in
23 economically disadvantaged areas; whether the cannabis establishment
24 incorporates principles of environmental resiliency or sustainability, including
25 energy efficiency; or whether the principals are community reinvestment
26 applicants.
- 27 (4) A limit on the number of cannabis establishments a major investor may invest
28 in, unless each additional establishment is owned and operated by a
29 community reinvestment applicant.
- 30 (5) A schedule of reasonable application, registration, and renewal fees, provided
31 application fees shall not exceed five thousand dollars (\$5,000), with this
32 upper limit adjusted annually for inflation, unless the Commission determines
33 a greater fee is necessary to carry out its responsibilities under this Chapter.
- 34 (6) Qualifications for registration that are directly and demonstrably related to the
35 operation of a cannabis establishment and that may not disqualify applicants
36 solely for cannabis offenses prior to the effective date of this Chapter.
- 37 (7) Security requirements.
- 38 (8) Requirements for the transportation and storage of cannabis and cannabis
39 products by cannabis establishments.
- 40 (9) Requirements for the delivery of cannabis and cannabis products to
41 consumers, including a prohibition on business names, logos, and other
42 identifying language or images on delivery vehicles and a prohibition on
43 delivering to any address located on land owned by the federal government or
44 any address on land or in a building leased by the federal government.
- 45 (10) Employment and training requirements, including requiring that each
46 cannabis establishment create an identification badge for each employee or
47 agent. These requirements may not disqualify applicants solely for cannabis
48 offenses prior to the effective date of this Chapter.
- 49 (11) Requirements designed to prevent the sale or diversion of cannabis and
50 cannabis products to persons under the age of 21.

- 1 (12) Requirements for cannabis and cannabis products sold or distributed by a
2 cannabis establishment, including prohibiting any misleading labeling and
3 requiring cannabis product labels to include all of the following:
4 a. The length of time it typically takes for the product to take effect.
5 b. A disclosure of ingredients and possible allergens.
6 c. A nutritional fact panel.
7 d. Requiring opaque, child-resistant packaging, which must be designed
8 or constructed to be significantly difficult for children under 5 years
9 of age to open and not difficult for normal adults to use properly as
10 defined by 16 C.F.R. § 1700.20.
11 e. Requiring that edible cannabis products be clearly identifiable, when
12 practicable, with a standard symbol indicating that they contain
13 cannabis.
14 (13) Health and safety regulations and standards for the manufacture of cannabis
15 products and both the indoor and outdoor cultivation of cannabis by cannabis
16 establishments.
17 (14) Restrictions on advertising, marketing, and signage, including, but not limited
18 to, a prohibition on mass-market campaigns that have a high likelihood of
19 reaching minors.
20 (15) Rules to create at least six tiers of cannabis cultivation facilities, based on the
21 size of the facility or the number of plants cultivated, and whether the
22 cultivation occurs outdoors, indoors, or in a greenhouse. Security regulations
23 and licensing fees must vary based on the size of the cultivation facility.
24 (16) Restrictions or prohibitions on additives to cannabis and cannabis-infused
25 products, including, but not limited to, those that are toxic or designed to make
26 the product more addictive.
27 (17) Prohibitions on products that are designed to make the product more appealing
28 to children, including prohibiting the use of any images designed or likely to
29 appeal to minors, including cartoons, toys, animals, or children, and any other
30 likeness to images, characters, or phrases that are popularly used to advertise
31 to children.
32 (18) Restrictions on the use of pesticides that are injurious to human health.
33 (19) Regulations governing visits to cannabis cultivation facilities and cannabis
34 product manufacturing facilities, including requiring the cannabis
35 establishment to log visitors.
36 (20) A definition of the amount of delta-9 tetrahydrocannabinol that constitutes a
37 single serving in a cannabis product.
38 (21) Standards for the safe manufacture of cannabis extracts and concentrates.
39 (22) Requirements that educational materials be disseminated to consumers who
40 purchase cannabis-infused products.
41 (23) Requirements for random sample testing to ensure quality control, including
42 by ensuring that cannabis and cannabis-infused products are accurately
43 labeled for potency. Unless the Commission determines that remediation or
44 treatment is sufficient to ensure product safety, the testing analysis shall
45 include testing for residual solvents, poisons, or toxins; harmful chemicals;
46 dangerous molds or mildew; filth; and harmful microbials such as E. coli or
47 salmonella and pesticides.
48 (24) Standards for the operation of cannabis testing facilities, including
49 requirements for equipment and qualifications for personnel.
50 (25) Civil penalties for the failure to comply with rules made pursuant to this
51 Chapter.

- 1 (5) Manufacturer. – A cannabis product manufacturing facility as defined in
2 G.S. 18D-101.
- 3 (6) THC. – Tetrahydrocannabinol, including, but not limited to, delta-7,
4 delta-8-tetrahydrocannabinol, delta-9-tetrahydrocannabinol, and
5 delta-10-tetrahydrocannabinol, and any material, compound, mixture, or
6 preparation which contains their salts, isomers, and salts of isomers, whenever
7 the existence of such salts, isomers, and salts of isomers is possible within the
8 specific chemical designation, regardless of the source, except (i) dronabinol
9 substituted in sesame oil and encapsulated in a soft gelatin capsule in a federal
10 Food and Drug Administration or successor agency approved product or (ii)
11 any tetrahydrocannabinol product that has been approved by the federal Food

19 An excise tax is levied on cannabis and cannabis products possessed by manufacturers at the
20 following rates:

- 21 (1) Cannabis plant material, at the rate of six hundred twenty-five-thousandths of

25 ten-thousandths of one cent (0.0275 of 1¢) per milligram of total THC, as
26 reflected on the product label.
- 27 (3) Cannabis, other than cannabis plant material or cannabis edible products, at
28 the rate of nine-tenths of one cent (0.9 of 1¢) per milligram of total THC, as
29 reflected on the product label.

30 **§ 105-113.152. When tax payable; revenue stamps.**

31 (a) The tax imposed by this Article is payable by any manufacturer who possesses
32 cannabis or cannabis products upon which the tax has not been paid, as evidence by a stamp. The
33 tax is payable within 48 hours after the manufacturer acquires actual or constructive possession
34 of the non-tax-paid cannabis or cannabis products taxed under G.S. 105-113.151, exclusive of
35 Saturdays, Sundays, and legal holidays of this State, in which case the tax is payable on the next
36 working day. Upon payment of the tax, the manufacturer shall permanently affix the appropriate
37 stamps to the cannabis or cannabis product. Once the tax due on the cannabis or cannabis product
38 has been paid, no additional tax is due under this Article even though the cannabis or cannabis
39 product may be handled by other manufacturers.

40 (b) The Secretary shall issue stamps to affix to cannabis and cannabis products taxed
41 under G.S. 105-113.151 to indicate payment of the tax required by this Article. Manufacturers
42 shall report the taxes payable under this Article at the time and on the return prescribed by the
43 Secretary. Upon payment of the tax, the Secretary shall issue stamps in an amount equal to the
44 amount of the tax paid. Taxes may be paid, and stamps may be issued in a manner determined
45 by the Secretary.

46 **§ 105-113.153. Administration.**

47 Article 9 of this Chapter applies to this Article.

48 **§ 105-113.154. Assessments.**

49 Notwithstanding any other provision of law, an assessment against a manufacturer who
50 possesses cannabis or cannabis products subject to tax under this Article to which a stamp has
51 not been affixed as required by this Article shall be made as provided in this section. The

1 Secretary shall assess a tax, applicable penalties, and interest based on personal knowledge or
2 information available to the Secretary. The Secretary shall notify the manufacturer in writing of
3 the amount of the tax, penalty, and interest due, and demand shall be either mailed to the
4 manufacturer at the manufacturer's last known address or served on the manufacturer in person.
5 If the manufacturer does not pay the tax, penalty, and interest immediately upon receipt of the
6 notice and demand, the Secretary shall collect the tax, penalty, and interest pursuant to the
7 jeopardy collection procedures in G.S. 105-241.23 or the general collection procedures in
8 G.S. 105-242, including causing execution to be issued immediately against the personal
9 property of the manufacturer, unless the manufacturer files with the Secretary a bond in the
10 amount of the asserted liability for the tax, penalty, and interest. The Secretary shall use all means
11 available to collect the tax, penalty, and interest from any property in which the manufacturer
12 has a legal, equitable, or beneficial interest. The manufacturer may seek review of the assessment
13 as provided in Article 9 of this Chapter.

14 **"§ 105-113.155. Confidentiality of information.**

15 Information obtained by the Department in the course of administering the tax imposed by
16 this Article, including information on whether the Department has issued a revenue stamp to a
17 person, is confidential tax information and is subject to the provisions of G.S. 105-259.

18 **"§ 105-113.156. Use of tax proceeds.**

19 (a) Special Account. – The Cannabis Regulation Account is established as a special
20 nonreverting account. The Secretary shall credit the proceeds of the tax levied by this Article to
21 the Account.

22 (b) Distribution. – The Secretary shall distribute unencumbered tax proceeds in the
23 Cannabis Regulation Account (Account) on a quarterly or more frequent basis. Tax proceeds in
24 the Account are unencumbered when they are collectible under G.S. 105-241.22. The Secretary
25 shall distribute the unencumbered tax proceeds in the Account as follows:

- 26 (1) Fifty percent (50%) to the North Carolina Alcoholic Beverage Control
27 Commission for purposes consistent with the regulation of cannabis in
28 accordance with Chapter 18D of the General Statutes.
- 29 (2) Twenty-five percent (25%) to the Community Reinvestment and Repair Fund
30 established under Chapter 18D of the General Statutes.
- 31 (3) Ten percent (10%) to the Social Opportunity Fund established under Chapter
32 18D of the General Statutes.
- 33 (4) Three percent (3%) to the Cannabis Education and Technical Assistance Fund
34 established under Chapter 18D of the General Statutes.
- 35 (5) Seven percent (7%) to the Department of Health and Human Services for use
36 in evidence-based, voluntary programs for the prevention or treatment of
37 substance abuse.
- 38 (6) Two percent (2%) to the Department of Health and Human Services for a
39 scientifically and medically accurate public education campaign educating
40 youth and adults about the health and safety risks of alcohol, tobacco,
41 cannabis, and other substances, including the risks of driving while impaired.
- 42 (7) Two percent (2%) to the Department of Health and Human Services to fund
43 diverse scientific, academic, or medical research on cannabis or
44 endocannabinoids, including research exploring the benefits of cannabis,
45 provided that all funded research data, results, and papers shall be released
46 into the public domain and shall be published for free and open access by the
47 public and by other researchers.
- 48 (8) Up to one percent (1%) to the Department of Public Safety to fund Advanced
49 Roadside Impaired Driving Enforcement and drug recognition expert training.
- 50 (9) Any remaining funds shall be deposited in the General Fund."

1 SECTION 1.2.(b) This section is effective for taxable years beginning on or after
2 January 1, 2026.

4 **PART II. LEGALIZATION OF MEDICAL CANNABIS**

5 SECTION 2.1. Chapter 90 of the General Statutes is amended by adding a new
6 Article to read:

7 "Article 44.

8 "North Carolina Medical Cannabis Act.

9 **"§ 90-748. Short title.**

10 This Article shall be known and may be cited as the "North Carolina Medical Cannabis Act."

11 **"§ 90-749. Definitions.**

12 The following definitions apply in this Article:

- 13 (1) Department. – The North Carolina Department of Health and Human
14 Services.
- 15 (2) Patient. – A person who has been issued a written certification described in
16 G.S. 90-751.
- 17 (3) Physician. – A person who is licensed to prescribe drugs under the laws of this
18 State.

19 **"§ 90-750. Protections for the medical use of cannabis.**

20 (a) A patient shall not be subject to arrest, prosecution, or penalty in any manner, or
21 denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by
22 a business or occupational or professional licensing board or bureau, for the possession or
23 purchase of cannabis for medical use by the patient if the quantity of usable cannabis possessed
24 or purchased does not exceed an adequate supply, as determined by the North Carolina Medical
25 Care Commission.

26 (b) A designated caregiver shall not be subject to arrest, prosecution, or penalty in any
27 manner, or denied any right or privilege, including imposition of a civil penalty or disciplinary
28 action by a business or occupational or professional licensing board or bureau, for the possession
29 or purchase of cannabis for medical use by the patient if the quantity of usable cannabis possessed
30 or purchased does not exceed an adequate supply for the patient, as determined by the North
31 Carolina Medical Care Commission.

32 (c) Subsection (a) of this section does not apply to a patient under 18 years of age, unless
33 all of the following criteria are met:

- 34 (1) The patient's physician has explained the potential risks and benefits of the
35 medical use of cannabis to the patient and to a parent, guardian, or person
36 having legal custody of the patient.
- 37 (2) A parent, guardian, or person having legal custody of the patient consents in
38 writing to (i) allow the patient's medical use of cannabis, (ii) serve as the
39 patient's designated caregiver, and (iii) control the dosage and frequency of
40 the medical use of cannabis by the patient.

41 (d) A patient or a designated caregiver shall be granted the full legal protections provided
42 by this Article as long as the patient or designated caregiver is in possession of a registry
43 identification card issued by the Department of Health and Human Services. If the patient or
44 designated caregiver is not in possession of a registry identification card, the individual shall be
45 given an opportunity to produce the registry identification card before the initiation of any arrest,
46 criminal charges, or other penalties.

47 (e) A patient or a designated caregiver is presumed to be engaged in the medical use of
48 cannabis if the patient or designated caregiver is in possession of a registry identification card
49 and an amount of cannabis that does not exceed the patient's adequate supply. This presumption
50 may be rebutted only by evidence that the patient or designated caregiver engaged in conduct

1 related to cannabis for a purpose other than alleviating a medical condition of the patient or
2 symptoms associated with the medical condition.

3 (f) A designated caregiver may receive reimbursement for costs associated with assisting
4 a patient in the medical use of cannabis. Reimbursement for these costs does not constitute the
5 sale of a controlled substance under Article 5 of this Chapter of the General Statutes.

6 (g) A school, employer, or landlord shall neither refuse to enroll, employ, or lease to nor
7 otherwise penalize a patient or designated caregiver solely because of (i) the individual's status
8 as a patient or a designated caregiver or (ii) the presence of cannabis metabolites resulting from
9 medical use of cannabis in the individual's bodily fluids.

10 (h) For the purposes of medical care, including organ transplants, a patient's authorized
11 use of cannabis in accordance with this Article shall be treated in the same manner as the
12 authorized use of any other medication used at the direction of a physician and shall not constitute
13 the use of an illegal substance.

14 (i) A physician shall not be subject to arrest, prosecution, or penalty in any manner, or
15 denied any right or privilege, or subject to increased monitoring or disciplinary action by the
16 North Carolina Medical Board or any other business or occupational or professional licensing
17 board or bureau for either of the following:

18 (1) Advising a patient about the risks and benefits of the medical use of cannabis
19 or that the patient may benefit from the medical use of cannabis if, in the
20 physician's medical judgment, the potential benefits of the medical use of
21 cannabis would likely outweigh the health risks for that particular patient.

22 (2) Providing the patient with valid documentation, based upon the physician's
23 assessment of that patient's medical history and current medical condition, that
24 the potential benefits of the medical use of cannabis would likely outweigh
25 the health risks for that particular patient.

26 (j) A physician shall not be subject to arrest, prosecution, or penalty in any manner, or
27 denied any right or privilege, or subject to disciplinary action by a business or occupational or
28 professional licensing board or bureau for discussing with a patient the benefits or health risks of
29 the medical use of cannabis or the interaction of cannabis with other substances.

30 (k) State and local law enforcement officers shall not harm, neglect, injure, or destroy an
31 individual's interest in or right to property that is possessed, owned, or used in connection with
32 the medical use of cannabis, or acts incidental to the medical use of cannabis, while the property
33 is in the possession of State or local law enforcement officials as a result of a seizure of the
34 property in connection with the claimed medical use of cannabis. A person does not forfeit any
35 right or interest in property seized in connected with the medical use of cannabis under any
36 provision of State law providing for the forfeiture of property, unless the forfeiture is part of a
37 sentence imposed upon the person as a result of a conviction of a criminal violation of this Article
38 or entry of a plea of guilty to such violation. Cannabis, paraphernalia, or other property seized
39 from a patient or designated caregiver in connection with the claimed medical use of cannabis
40 shall be returned immediately upon the determination by a court, prosecutor, or law enforcement
41 officer that the patient or designated caregiver is entitled to the protections of this Article. In
42 making this determination, the court, a prosecutor, or a law enforcement officer shall consider as
43 evidence the failure of law enforcement officers to actively investigate the case, a decision not
44 to prosecute, the dismissal of charges, or acquittal.

45 (l) A person shall not be denied custody of, or visitation or parenting time with, a minor
46 for conduct allowed under this Article.

47 (m) There is no presumption of neglect or child endangerment for conduct allowed under
48 this Article.

49 (n) No person shall be subject to arrest or prosecution for constructive possession,
50 conspiracy, aiding and abetting, being an accessory, or any other offense, for simply being in the

1 presence or vicinity of the medical use of cannabis as permitted under this Article or for assisting
2 a patient with using or administering cannabis.

3 (o) Possession of or application for a registry identification card shall not alone constitute
4 probable cause to search the person or the property of the person possessing or applying for a
5 registry identification card or otherwise subject the person or the person's property to inspection
6 by any government agency.

7 (p) If an individual being investigated by a law enforcement officer employed by a
8 State-funded or locally funded law enforcement agency credibly asserts during the course of the
9 investigation that the individual is a patient or designated caregiver, neither the law enforcement
10 officer nor the law enforcement agency shall provide any information, except as required by
11 federal law or the United States Constitution, from any cannabis-related investigation of the
12 individual to any law enforcement authority that does not recognize the protections of this
13 Article. Any prosecution of the individual for a violation of this Article shall be conducted
14 pursuant to the laws of this State.

15 (q) Nothing in this Article shall be construed to extend the protections of this Article to
16 any person, including a patient or designated caregiver, to allow that person to acquire, possess,
17 manufacture, produce, use, sell, distribute, dispense, or transport cannabis in a manner that is not
18 consistent with this Article.

19 **"§ 90-751. Registry identification cards for patients and designated caregivers.**

20 (a) The Department shall issue a registry identification card to any patient or designated
21 caregiver who meets the requirements of this section.

22 (b) The Department shall not issue or renew a registry identification card to a patient
23 under 18 years of age unless each of the following criteria is met:

24 (1) The patient's physician has explained the potential risks and benefits of the
25 medical use of cannabis to the patient and to a parent, guardian, or person
26 having legal custody of the patient.

27 (2) A parent, guardian, or person having legal custody of the patient consents in
28 writing to (i) allow the patient's medical use of cannabis, (ii) serve as one of
29 the patient's designated caregivers, and (iii) control the acquisition of the
30 cannabis, the dosage, and the frequency of medical use of cannabis by the
31 patient.

32 (c) The Department shall verify the information contained in a registry identification card
33 application or renewal application submitted pursuant to this section and shall approve or deny
34 an application or renewal application within 45 days after receipt. The Department may deny a
35 registry identification card application or renewal application only if the applicant fails to provide
36 the information required pursuant to this section or if the Department determines that the
37 application or renewal application contains false information. If the Department fails to approve
38 or deny a registration application or renewal application submitted pursuant to this section within
39 45 days after receipt, the application or renewal application shall be deemed approved and a copy
40 of the application or renewal application together with proof of receipt by the Department at least
41 45 days prior to the date this information is presented in lieu of registry identification card shall
42 be deemed a valid registry identification card.

43 (d) The Department may issue a registry identification card to a maximum of two
44 designated caregivers named in a patient's approved application.

45 (e) The Department shall issue a registry identification card to an applicant within five
46 days after approving an application or renewal application. The application or renewal
47 application expires two years after the date of issuance.

48 (f) Each registry identification card shall contain at least all of the following information:

49 (1) The date of issuance.

50 (2) The date of expiration.

51 (3) A random registry identification number.

- 1 (4) A photograph of the registry identification cardholder.
2 (g) Persons issued registry identification cards shall be subject to the following:
3 (1) A patient who has been issued a registry identification card shall notify the
4 Department of any change in the patient's name, address, or designated
5 caregiver and submit a ten dollar (\$10.00) fee to the Department within 15
6 days after the change occurs. A patient who fails to notify the Department of
7 any of these changes within the specified time frame commits an infraction
8 and is subject to a fine not to exceed more than one hundred fifty dollars
9 (\$150.00).
10 (2) A designated caregiver shall notify the Department of any change in name or
11 address and submit a ten dollar (\$10.00) fee to the Department within 15 days
12 after the change occurs. A designated caregiver who fails to notify the
13 Department of any of these changes within the specified time frame commits
14 an infraction and is subject to a fine not to exceed one hundred fifty dollars
15 (\$150.00).
16 (3) When a patient or designated caregiver notifies the Department of any change,
17 as required by this subsection, the Department shall issue the patient and each
18 designated caregiver a new registry identification card within 10 days after
19 receiving the updated information and the ten dollar (\$10.00) fee.
20 (4) When a patient who possesses a registry identification card notifies the
