37 the 2021-2022 fiscal year, the State Board shall not deem a local school administrative unit to  
38 have supplanted non-State funds for purposes of this subsection if the State Board determines

14 Services Section (NCCSS) of the Department of Health and Human Services, Division of Social  
15 Services, shall retain up to fifteen percent (15%) of the annual federal incentive payments it  
16 receives from the federal government to enhance centralized child support services. To  
17 accomplish this requirement, NCCSS shall do the following:

- 18 (1) In consultation with representatives from county child support services  
19 programs, identify how federal incentive funding could improve centralized  
20 services.
- 21 (2) Use federal incentive funds to improve the effectiveness of the State's  
22 centralized child support services by supplementing and not supplanting State  
23 expenditures for those services.
- 24 (3) Continue to develop and implement rules that explain the State process for  
25 calculating and distributing federal incentive funding to county child support  
26 services programs.

27 **SECTION 9J.6.(b)** County Child Support Services Programs. NCCSS shall allocate  
28 no less than eighty-five percent (85%) of the annual federal incentive payments it receives from  
29 the federal government to county child support services programs to improve effectiveness and  
30 efficiency using the federal performance measures. To that end, NCCSS shall do the following:

- 31 (1) In consultation with representatives from county child support services  
32 programs, examine the current methodology for distributing federal incentive  
33 funding to the county programs and determine whether an alternative formula  
34 would be appropriate. NCCSS shall use its current formula for distributing  
35 federal incentive funding until an alternative formula is adopted.
- 36 (2) Upon adopting an alternative formula, develop a process to phase in the  
37 alternative formula for distributing federal incentive funding over a four-year  
38 period.

39 **SECTION 9J.6.(c)** Reporting by County Child Support Services Programs. –  
40 NCCSS shall continue implementing guidelines that identify appropriate uses for federal  
41 incentive funding. To ensure those guidelines are properly followed, NCCSS shall require county  
42 child support services programs to comply with each of the following:

- 43 (1) Submit an annual plan describing how federal incentive funding would  
44 improve program effectiveness and efficiency as a condition of receiving  
45 federal incentive funding.
  - 46 (2) Report annually on the following: (i) how federal incentive funding has  
47 improved program effectiveness and efficiency and been reinvested into their  
48 programs, (ii) provide documentation that the funds were spent according to  
49 their annual plans, and (iii) explain any deviations from their plans.
- 50

1           **SECTION 9J.6.(d)** Reporting by NCCSS. – NCCSS shall submit a report on federal  
 2 child support incentive funding to the Joint Legislative Oversight Committee on Health and  
 3 Human Services and the Fiscal Research Division by November 1 of each year. The report shall  
 4 describe how federal incentive funds enhanced centralized child support services to benefit  
 5 county child support services programs and improved the effectiveness and efficiency of county  
 6 child support services programs. The report shall further include any changes to the State process  
 7 that NCCSS used in calculating and distributing federal incentive funding to county child support  
 8 services programs and any recommendations for further changes.

9  
 10 **SUCCESSFUL TRANSITION/FOSTER CARE YOUTH**

11           **SECTION 9J.7.** The Foster Care Transitional Living Initiative Fund shall continue  
 12 to fund and support transitional living services that demonstrate positive outcomes for youth,  
 13 attract significant private sector funding, and lead to the development of evidence-based  
 14 programs to serve the at-risk population described in this section. The Fund shall continue to  
 15 support a demonstration project with services provided by Youth Villages to (i) improve  
 16 outcomes for youth ages 17-21 years who transition from foster care through implementation of  
 17 outcome-based Transitional Living Services, (ii) identify cost-savings in social services and  
 18 juvenile and adult correction services associated with the provision of Transitional Living  
 19 Services to youth aging out of foster care, and (iii) take necessary steps to establish an  
 20 evidence-based transitional living program available to all youth aging out of foster care. In  
 21 continuing to implement these goals, the Foster Care Transitional Living Initiative Fund shall  
 22 support the following strategies:

- 23           (1) Transitional Living Services, which is an outcome-based program that follows  
 24 the Youth Villages Transitional Living Model. Outcomes on more than 7,000  
 25 participants have been tracked since the program's inception. The program has  
 26 been evaluated through an independent randomized controlled trial. Results  
 27 indicate that the Youth Villages Transitional Living Model had positive  
 28 impacts in a variety of areas, including housing stability, earnings, economic  
 29 hardship, mental health, and intimate partner violence in comparison to the  
 30 control population.
- 31           (2) Public-Private Partnership, which is a commitment by private-sector funding  
 32 partners to match at least twenty-five percent (25%) of the funds appropriated  
 33 to the Foster Care Transitional Living Initiative Fund for the 2025-2027 fiscal  
 34 biennium for the purposes of providing Transitional Living Services through  
 35 the Youth Villages Transitional Living Model to youth aging out of foster  
 36 care.
- 37           (3) Impact Measurement and Evaluation, which are services funded through  
 38 private partners to provide independent measurement and evaluation of the  
 39 impact the Youth Villages Transitional Living Model has on the youth served,  
 40 the foster care system, and on other programs and services provided by the  
 41 State which are utilized by former foster care youth.
- 42           (4) Advancement of Evidence-Based Process, which is the implementation and  
 43 ongoing evaluation of the Youth Villages Transitional Living Model for the  
 44 purposes of establishing the first evidence-based transitional living program  
 45 in the nation. To establish the evidence-based program, additional randomized  
 46 controlled trials may be conducted to advance the model.

**"SECTION 40.2.** It is the intent of the General Assembly to fund capital improvement projects on a cash flow basis and to plan for future project funding based upon projected availability in the State Capital and Infrastructure Fund. The following schedule lists capital improvement projects that will begin or be completed in fiscal years outside of the 2023-2025 fiscal biennium and estimated amounts (in thousands) needed for completion of those projects:

1. One billion one hundred and fifty million (\$1,150,000,000) of such proceeds shall be allocated equally to each local education

- 1 agency (LEA). Each LEA shall receive a base payment of five  
 2 million dollars (\$10,000,000).  
 3 2. Two billion eight hundred fifty million (\$2,850,000,000) of  
 4 such proceeds shall be allocated among local school  
 5 administrative units on the basis of average daily membership  
 6 for the 2024-2025 fiscal year where the numerator is average  
 7 daily membership for the local administrative unit and the  
 8 denominator is the total average daily membership for the state  
 9 for the 2024-2025 fiscal year.  
 10 3. Any county receiving bond proceeds allocated shall provide  
 11 local matching funds from county funds, other non-State funds,  
 12 or a combination of these sources for such proceeds, unless  
 13 they are a county designated as a development tier one area.  
 14 The amount of matching funds shall be (i) one dollar (\$1.00)  
 15 of local matching funds for every two dollars (\$2.00) of such  
 16 proceeds for a local school administrative unit located in a  
 17 county that is a development tier two area, as defined in  
 18 G.S. 143B-437.08, and (iii) one dollar (\$1.00) of local

 21 a development tier three area, as defined in G.S. 143B-437.08.  
 22 The match requirement may be satisfied by non-State  
 23 expenditures for public school facilities made on or after  
 24 January 1, 2021. If a debt has been incurred since January 1,  
 25 2021, for the general purpose of public school facilities, then  
 26 the face amount of the debt shall be considered as a non-State  
 27 expenditure for public school facilities for the purpose of the  
 28 match. No other expenditures made or debts incurred before  
 29 January 1, 2022, may be used to satisfy the match requirement.  
 30 As counties satisfy the match requirements of this subsection,  
 31 they shall document the extent to which they have done so in  
 32 periodic reports to the State Board of Education. These reports  
 33 shall include any information and documentation required by  
 34 the State Board of Education. The State Board of Education  
 35 shall certify to the State Treasurer from time to time the extent

 37 met with respect to each county. Bond proceeds shall be  
 38 distributed for expenditure only as, and to the extent, the  
 39 matching requirement of this section are satisfied, as certified  
 40 by the State Board of Education. The State Board of Education  
 41 shall also require counties to report annually on the impact of  
 42 funds provided under this act on the property tax rate for that  
 43 year. These reports shall be public documents and shall be  
 44 furnished to any citizen upon request. If the State Board of  
 45 Education determines that a county has not met the matching  
 46 requirement set forth in this subdivision by January 1, 2031,  
 47 the State Board of Education shall certify that fact to the State  
 48 Treasurer by March 1, 2031. The State Board of Education  
 49 shall reallocate unmatched funds in the following manner:  
 50 (i) Proceeds allocated under subdivision (1) shall be  
 51 reallocated to local administrative units receiving funds

- 1 under subdivision (1) for which the State Board of

- 3 (ii) Proceeds allocated under subdivision (2) shall be
- 4 reallocated to local administrative units receiving funds
- 5 under subdivision (2) for which the State Board of
- 6 Educated has certified matching funds.

- 8 this section shall ensure that such proceeds are used:
- 9 (i) For acquisition of real property and construction,
