22 requirements concerning the coordination of family and medical leave insurance benefits with  
23 workers' compensation benefits for partial disability under the Workers' Compensation Law of  
24 this State.

25 **"§ 96A-5. Contributions.**

26 (a) Payroll contributions shall be authorized in order to finance the payment of benefits

35 (1) The total amount of family and medical leave insurance benefits paid by the  
36 Division during the previous fiscal year;

37 (2) The total amount remaining in the Fund at the close of the fiscal year;

38 (3) The total amount equal to one hundred forty percent (140%) of the previous  
39 fiscal year's expenditure for family and medical leave insurance benefits paid  
40 and for the administration of the family and medical leave insurance program;

41 (4) The amount by which the total amount remaining in the Fund at the close of  
42 the previous fiscal year is less than or greater than one hundred forty percent  
43 (140%) of the previous fiscal year's expenditure for family and medical leave  
44 insurance benefits paid and for the administration of the family and medical  
45 leave insurance program; and

46 (5) The amount by which the contribution rate shall be adjusted to ensure that the  
47 Fund shall maintain or achieve an annualized amount of not less than one  
48 hundred forty percent (140%) of the previous fiscal year's expenditure for  
49 family and medical leave insurance benefits paid and for the administration of  
50 the family and medical leave insurance program. The contribution rate  
51 adjustment, if any, made as the result of the Assistant Secretary's certification

1 and report under this subsection shall supersede the rate previously set forth  
2 and shall become effective on January 1 of the following calendar year.

3 (c) A self-employed individual who is electing coverage under G.S. 96A-13 shall be  
4 responsible for the employee's share of contributions set forth in subsection (b) of this section on  
5 that individual's income from self-employment.

6 (d) An employer shall not deduct more than fifty percent (50%) of the contribution  
7 required for an employee by subsection (b) of this section from that employee's wages and shall  
8 remit the full contribution required under said subsection to the Fund.

9 **"§ 96A-6. Reduced leave schedule.**

10 (a) A covered individual shall be entitled, at the option of the covered individual, to take  
11 paid family and medical leave on an intermittent or reduced leave schedule in which all of the  
12 leave authorized under this Chapter is not taken sequentially. Family and medical leave insurance  
13 benefits for intermittent or reduced leave schedules shall be prorated.

14 (b) The covered individual shall make a reasonable effort to schedule paid family and  
15 medical leave under this section so as not to unduly disrupt the operations of the employer. The  
16 covered individual shall provide the employer with prior notice of the schedule on which the  
17 covered individual will take the leave, to the extent practicable. Paid family and medical leave  
18 taken under this section shall not result in a reduction of the total amount of leave to which an  
19 employee is entitled beyond the amount of leave actually taken.

20 (c) Nothing in this section shall be construed to entitle a covered individual to more leave  
21 than required under G.S. 96A-3.

22 **"§ 96A-7. Leave and employment protection.**

23 (a) Any covered individual who exercises his or her right to family and medical leave  
24 insurance benefits shall, upon the expiration of that leave, be entitled to be restored by the  
25 employer to the position held by the covered individual when the leave commenced, or to a  
26 position with equivalent seniority, status, employment benefits, pay, and other terms and  
27 conditions of employment, including fringe benefits and service credits that the covered  
28 individual had been entitled to at the commencement of leave.

29 (b) During any leave taken pursuant to G.S. 96A-2, the employer shall maintain any  
30 health care benefits the covered individual had prior to taking such leave for the duration of the  
31 leave as if the covered individual had continued in employment continuously from the date he or  
32 she commenced the leave until the date the family and medical leave insurance benefits  
33 terminate; provided, however, that the covered individual shall continue to pay the covered  
34 individual's share of the cost of health benefits as required prior to the commencement of the  
35 leave.

36 (c) Any employer who violates this section or G.S. 96A-8 shall be liable to any eligible  
37 employee affected as follows:

- 38 (1) For damages equal to the amount of (i) any wages, salary, employment  
39 benefits, or other compensation denied or lost to such employee by reason of  
40 the violation, (ii) in a case in which wages, salary, employment benefits, or  
41 other compensation have not been denied or lost to the employee, any actual  
42 monetary losses sustained by the employee as a direct result of the violation,  
43 such as the cost of providing care, up to a sum equal to 12 weeks of wages or  
44 salary for the employee, (iii) the interest on the amount described in clause (i)  
45 of this subdivision calculated at the prevailing rate, and (iv) an additional  
46 amount as liquidated damages equal to the sum of the amount described in  
47 clause (i) of this subdivision and the interest described in clause (ii) of this  
48 subdivision, except that if an employer who has violated this section or  
49 G.S. 96A-8 proves to the satisfaction of the court that the act or omission  
50 which violated the section was in good faith and that the employer had  
51 reasonable grounds for believing that the act or omission was not a violation,

1 the court may, in the discretion of the court, reduce the amount of the liability  
2 to the amount and interest determined under clauses (i) and (ii) of this  
3 subdivision, respectively.

4 (2) For such equitable relief as may be appropriate, including employment,  
5 reinstatement, and promotion.

6 (d) An action to recover the damages or equitable relief prescribed in subsection (c) of  
7 this section may be maintained against any employer (including a public agency) in any federal  
8 or State court of competent jurisdiction by any one or more employees for and on behalf of the  
9 employees or the employees and other employees similarly situated.

10 (e) The court in such an action shall, in addition to any judgment awarded to the plaintiff,  
11 allow a reasonable attorney's fee, reasonable expert witness fees, and other costs of the action to  
12 be paid by the defendant.

13 (f) Except as provided by subsection (g) of this section, an action may be brought under  
14 this section not later than two years after the date of the last event constituting the alleged  
15 violation for which the action is brought.

16 (g) In the case of an action brought for a willful violation of this section or G.S. 96A-8,  
17 the action may be brought within three years of the date of the last event constituting the alleged  
18 violation for which such action is brought.

19 **"§ 96A-8. Retaliatory personnel actions prohibited.**

20 (a) It shall be unlawful for an employer or any other person to interfere with, restrain,  
21 deny the exercise of, or the attempt to exercise any right protected under this Chapter.

22 (b) An employer, temporary help company, employment agency, employee organization,  
23 or other person shall not take retaliatory personnel action or otherwise discriminate against a  
24 person because he or she exercised rights protected under this Chapter. Such rights include, but  
25 are not limited to, the right to request, file for, apply for, or use benefits provided for under this  
26 Chapter; to take leave from work under this Chapter; communicate to the employer or any other  
27 person or entity an intent to file a claim, a complaint with the Division or courts, or an appeal; or  
28 has testified or is about to testify or has assisted in any investigation, hearing, or proceeding under  
29 this Chapter, at any time, including during the period in which the person receives family and  
30 medical leave insurance benefits under this Chapter; inform any person about any employer's  
31 alleged violation of this Chapter; and the right to inform any person of his or her rights under this  
32 Chapter.

33 (c) It shall be unlawful for an employer's absence control policy to count paid family and  
34 medical leave taken under this Chapter as an absence that may lead to or result in discipline,  
35 discharge, demotion, suspension, or any other adverse action.

36 (d) Protections of this section shall apply to any person who mistakenly, but in good faith,  
37 alleges violations of this Chapter.

38 (e) This section shall be enforced as provided in subsections (c) through (g) of  
39 G.S. 96A-7.

40 **"§ 96A-9. Coordination of benefits.**

41 (a) Leave taken with wage replacement under this Chapter that also qualifies as leave  
42 under the Family and Medical Leave Act shall run concurrently with leave taken under the  
43 Family and Medical Leave Act.

44 (b) An employer may require that payment made pursuant to this Chapter be made  
45 concurrently or otherwise coordinated with payment made or leave allowed under the terms of  
46 disability or family care leave under a collective bargaining agreement or employer policy. The  
47 employer must give employees written notice of this requirement.

48 (c) This Chapter does not diminish an employer's obligation to comply with any of the  
49 following that provide more generous leave:

50 (1) A collective bargaining agreement;

51 (2) An employer policy; or

1           (3)    Any law.

2           (d)    An individual's right to leave under this Chapter may not be diminished by a collective  
3 bargaining agreement entered into or renewed, or an employer policy adopted or retained, after  
4 the effective date of this Chapter. Any agreement by an individual to waive his or her rights under  
5 this Chapter is void as against public policy.

6           (e)    Notwithstanding this subsection, under no circumstances shall an employee be  
7 required to use or exhaust any accrued vacation leave, sick leave, or other paid time off prior to  
8 or while receiving family and medical leave insurance under this Chapter. However, an  
9 individual may choose to use any accrued vacation leave, sick leave, or other paid time off while  
10 receiving family or medical leave insurance benefits under this Chapter, unless the aggregate  
11 amount a covered individual would receive would exceed the covered individual's average  
12 weekly earnings. Nothing in this subsection requires an employee to receive or use additional  
13 paid time off as described in this section.

14 **"§ 96A-10. Notice.**

15           (a)    Each employer shall provide written notice to each employee upon hiring and  
16 annually thereafter. An employer shall also provide written notice to an employee when the  
17 employee requests leave under this Chapter or when the employer acquires knowledge that an  
18 employee's leave may be for a qualifying reason under G.S. 96A-2. Such notice shall include (i)  
19 the employee's right to family and medical leave insurance benefits under this Chapter and the  
20 terms under which it may be used, (ii) the amount of family and medical leave insurance benefits,  
21 (iii) the procedure for filing a claim for benefits, (iv) the right to job protection and benefits  
22 continuation under G.S. 96A-7, (v) that discrimination and retaliatory personnel actions against  
23 a person for requesting, applying for, or using family and medical leave insurance benefits is  
24 prohibited under G.S. 96A-8, and (vi) that the employee has a right to file a complaint for  
25 violations of this Chapter. An employer shall also display and maintain a poster in a conspicuous  
26 place accessible to employees at the employer's place of business that contains the information  
27 required by this section in English, Spanish, and any language that is the first language spoken  
28 by at least five percent (5%) of the employer's workforce, provided that such notice has been  
29 provided by the Division. The Assistant Secretary may adopt regulations to establish additional  
30 requirements concerning the means by which employers shall provide such notice.

31           (b)    Employees shall provide notice to their employers as soon as practicable of their  
32 intention to take leave under this Chapter.

33 **"§ 96A-11. Enforcement.**

34           (a)    The Assistant Secretary shall establish a system for appeals in the case of a denial of  
35 family and medical leave insurance benefits. In establishing such system, the Assistant Secretary  
36 may utilize any and all procedures and appeals mechanisms established under G.S. 96-15.

37           (b)    Judicial review of any decision with respect to family and medical leave insurance  
38 benefits shall be permitted in a court of competent jurisdiction after a party aggrieved thereby  
39 has exhausted all administrative remedies established by the Assistant Secretary.

40           (c)    The Assistant Secretary shall implement procedures to ensure confidentiality of all  
41 information related to any claims filed or appeals taken to the maximum extent permitted by  
42 applicable laws.

43 **"§ 96A-12. Erroneous payments and disqualification for benefits.**

44           (a)    A covered individual is disqualified from family and medical leave insurance benefits  
45 for one year if the individual is determined by the Assistant Secretary to have willfully made a  
46 false statement or misrepresentation regarding a material fact or willfully failed to report a  
47 material fact to obtain benefits under this Chapter.

48           (b)    If family and medical leave insurance benefits are paid erroneously or as a result of  
49 willful misrepresentation, or if a claim for family and medical leave insurance benefits is rejected  
50 after benefits are paid, the Division may seek repayment of benefits from the recipient. The

1 Assistant Secretary shall exercise his or her discretion to waive, in whole or in part, the amount  
2 of any such payments where the recovery would be against equity and good conscience.

3 **"§ 96A-13. Elective coverage.**

4 (a) A self-employed person, including a sole proprietor, partner, or joint venturer, may  
5 elect coverage under this Chapter for an initial period of not less than three years. The  
6 self-employed person must file a notice of election in writing with the Assistant Secretary as  
7 required by the Division. The election becomes effective on the date of filing the notice. As a  
8 condition of election, the self-employed person must agree to supply any information concerning  
9 income that the Division deems necessary.

10 (b) A self-employed person who has elected coverage may withdraw from coverage  
11 within 30 days after the end of the three-year period of coverage, or at such other times as the  
12 Assistant Secretary may prescribe by rule, by filing written notice with the Assistant Secretary,  
13 such withdrawal to take effect not sooner than 30 days after filing the notice.

14 **"§ 96A-14. Family and medical leave insurance program.**

15 (a) The Division shall establish and administer a family and medical leave insurance  
16 program and begin collecting contributions as specified in this Chapter. By January 1, 2027, the  
17 Division shall start receiving claims from and paying family and medical leave insurance benefits  
18 to covered individuals.

19 (b) The Division shall establish reasonable procedures and forms for filing claims for  
20 benefits under this Chapter and shall specify what supporting documentation is necessary to  
21 support a claim for benefits, including any documentation required from a health care provider  
22 for proof of a serious health condition.

23 (c) The Division shall notify the employer within five business days of a claim being  
24 filed pursuant to this Chapter.

25 (d) The Division shall use information sharing and integration technology to facilitate the  
26 disclosure of relevant information or records, so long as an individual consents to the disclosure  
27 as required under State law.

28 (e) Information contained in the files and records pertaining to an individual under this  
29 Chapter are confidential and not open to public inspection other than to public employees in the
