The General Assembly of North Carolina enacts:

**SECTION 1.(a)** The Department of Health and Human Services, Division of Health Benefits (DHB), is directed, in coordination with a working group of stakeholders established by DHB, to develop a team-based care coordination Medicaid service that includes, at a minimum, screening for alcohol use disorder, opioid use disorder, and other mild to moderate substance use disorders; prescription medications for opioid use disorder and alcohol use disorder; recovery support; and case management.

**SECTION 1.(c)** The Department of Health and Human Services, Division of Health Benefits, is directed to develop a Statewide campaign to (i) educate healthcare providers and community leaders about any changes made to the Medicaid program related to the treatment of alcohol use disorder, opioid use disorder, and other mild to moderate substance use disorders; (ii) train interested providers in clinical care for alcohol use disorder, opioid use disorder, and other mild to moderate substance use disorders; and (iii) encourage substance use disorder provider participation in the Medicaid program.
