Short Title:

SENATE BILL DRS35203-RI-4

Modify Rgmts. for Wind Energy Facilities.

Referred to: A BILL TO BE ENTITLED AN ACT TO ESTABLISH ENHANCED PUBLIC NOTICE REQUIREMENTS FOR PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
A BILL TO BE ENTITLED AN ACT TO ESTABLISH ENHANCED PUBLIC NOTICE REQUIREMENTS FOR PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
AN ACT TO ESTABLISH ENHANCED PUBLIC NOTICE REQUIREMENTS FOR PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. — A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
AN ACT TO ESTABLISH ENHANCED PUBLIC NOTICE REQUIREMENTS FOR PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. — A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
AN ACT TO ESTABLISH ENHANCED PUBLIC NOTICE REQUIREMENTS FOR PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. — A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
PROPOSED WIND ENERGY FACILITIES AND TO REQUIRE WIND ENERGY FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts: SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. — A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility expansion.
FACILITIES TO INSTALL LIGHT-MITIGATING TECHNOLOGY SYSTEMS. The General Assembly of North Carolina enacts:
SECTION 1. G.S. 143-215.119 reads as rewritten: "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 "§ 143-215.119. Permit application requirements; fees; notice of receipt of completed permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
permit; public hearing; public comment. (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 (a) Permit Requirements. – A person applying for a permit for a proposed wind energy facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
facility or proposed wind energy facility expansion shall include all of the following in an application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 application for the permit: (1) A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 A narrative description of the proposed wind energy facility or proposed wind energy facility expansion. A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 energy facility expansion. (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 (2) A map showing the location of the proposed wind energy facility or proposed wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
wind energy facility expansion that identifies the specific location of each turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 turbine. (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
 (3) A copy of a deed, purchase agreement, lease agreement, or other legal instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
instrument demonstrating the right to construct, expand, or otherwise develop a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
a wind energy facility on the property. (4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
(4) Identification by name and address of property owners adjacent to the proposed wind energy facility or proposed wind energy facility expansion.
proposed wind energy facility or proposed wind energy facility expansion.
The applicant shall notify every property owner identified pursuant to this
subdivision located within 20 miles of any property boundary of the facility
by registered or certified mail or by any means authorized by G.S. 1A-1, Rule
4, in a form approved by the Department. The notice shall include all of the
following:
a. The location of the proposed wind energy facility or proposed wind
energy facility expansion and the specific location of each turbine
proposed to be located within one half mile of the boundary of the
adjacent property owner.located.
b. A description of the proposed wind energy facility or proposed wind
energy facility expansion.
(5) A description of civil air navigation or military air navigation routes, air traffic
control areas, military training routes, special-use air space, radar, or other
military operations that may be affected by the construction or operation of
the proposed wind energy facility or proposed wind energy facility expansion.

- (6) Documentation that addresses any potential adverse impact on military operations and readiness as identified by the Department of Defense Clearinghouse pursuant to Part 211 of Title 32 Code of Federal Regulations (July 1, 2012 edition) and any mitigation actions agreed to by the applicant.

 (7) Documentation that the applicant has either (i) submitted Federal Aviation
 - (7) Documentation that the applicant has either (i) submitted Federal Aviation Administration Form 7460-1 for the turbines associated with the proposed wind energy facility or proposed wind energy facility expansion or (ii) initiated an informal review by the Department of Defense Siting Clearinghouse of the proposed wind energy facility or proposed wind energy facility expansion. If the applicant has submitted Federal Aviation Administration Form 7460-1 in order to fulfill the requirements of this subdivision, the applicant shall provide any determination reached by the Federal Aviation Administration at the time the application is submitted to the Department. If the Federal Aviation Administration has not made a determination at the time the application is submitted to the Department, the application shall include a description of the status of the applicant's engagement with the Federal Aviation Administration and the Department of Defense Siting Clearinghouse.
 - (7a) Documentation that the applicant has filed a request with the Federal Aviation Administration for approval to install and use a light-mitigating technology system at the proposed wind energy facility or proposed wind energy facility expansion in compliance with the requirements of G.S. 143-215.121.1.
 - (8) A study of the noise impacts of the turbines to be associated with the proposed wind energy facility or proposed wind energy facility expansion.
 - (9) A study on shadow flicker impacts of the turbines to be associated with the proposed wind energy facility or proposed wind energy facility expansion, unless the turbines will be located in a sound or in offshore waters.
 - (10) A study of the impact of the proposed wind energy facility or proposed wind energy facility expansion on natural resources and uses, including avian, bat, and endangered and threatened species.
 - (11) An explanation of how the proposed wind energy facility or proposed wind energy facility expansion would be consistent with the criteria in subsection (a) of G.S. 143-215.120.
 - (12) The application fee required by subsection (c) of this section.
 - (13) A plan regarding the action to be taken upon the decommissioning and removal of the wind energy facility. The plan shall include an estimate of the cost to decommission and remove the wind energy facility. The plan shall also include the anticipated life of the project, an estimate of the cost to decommission and remove the wind energy facility, a description of the manner in which the facility will be decommissioned, and a description of the expected condition of the site once the wind energy facility has been decommissioned and removed.
 - (14) Other data or information the Department may reasonably require.

...

(f) Public Hearing and Comment. – The Department shall hold a public hearing in each county in which the wind energy facility or wind energy facility expansion is proposed to be located within 75 days of receipt of a completed permit application. The Department shall provide notice including the time and location of the public hearing in a newspaper of general circulation in each applicable county. county in which the wind energy facility or wind energy facility expansion is proposed to be located and any counties bordering those counties. The notice of public hearing shall be published for at least two consecutive weeks beginning no less than 45

Page 2 DRS35203-RI-4

days prior to the scheduled date of the hearing. The notice shall provide that any comments on the proposed wind energy facility or proposed wind energy facility expansion should be submitted to the Department by a specified date, not less than 15 days from the date of the newspaper publication of the notice or 15 days after distribution of the mailed notice, whichever is later. No less than 30 days prior to the scheduled public hearing, the Department shall provide written notice of the hearing to:

- (1) The North Carolina Utilities Commission.
- (2) The Office of the Attorney General of North Carolina.
- (3) The commanding military officer of any potentially affected major military installation or the commanding military officer's designee.
- (4) The board of commissioners for each county and the governing body of each municipality with jurisdictions over areas in which a potentially affected major military installation is located."

SECTION 2. G.S. 143-215.120 reads as rewritten:

(b) Permit Decision. – The Department shall make a final decision on a permit application within 90 days following receipt of a completed application, except that the Department shall not be required to-make a final decision until the Department has received-received: (i) a written "Determination of No Hazard to Air Navigation" issued by the Federal Aviation Administration pursuant to Subpart D of Part 77 of Title 14 of the Code of Federal Regulations (January 1, 2012) edition). edition); and (ii) documentation of the decision of the Federal Aviation Administration to either approve or deny the applicant's request to install and operate a light-mitigating technology system at the proposed wind energy facility or wind energy facility expansion. If the Department requests additional information following the receipt of a completed application, the Department shall make a final decision on a permit application within 30 days of receipt of the requested information. If the Department determines that an application for a wind energy facility or a wind energy facility expansion fails to meet the requirements for a permit under this section, the Department shall deny the application, and the application shall be returned to the applicant accompanied by a written statement of the reasons for the denial and any modifications to the permit application that would make the application acceptable. If the Department fails to act within the time period set forth in this subsection, the applicant may treat the failure to act as a denial of the permit and may challenge the denial as provided under Chapter 150B of the General Statutes.

. . . . ''

SECTION 3. Article 21C of Chapter 143 of the General Statutes is amended by adding a new section to read:

"§ 143-215.121.1. Light-mitigating technology requirements.

- (a) An applicant for a permit for a wind energy facility or wind energy facility expansion shall file a request with the Federal Aviation Administration for approval to install and use a light-mitigating technology system that complies with 14 C.F.R. Part 77. If approved by the Federal Aviation Administration, the applicant shall install the light-mitigating technology system on approved turbines prior to commencement of operations of the wind energy facility or wind energy facility expansion.
- (b) A permit holder for a wind energy facility, not subject to the requirements of subsection (a) of this section, shall file a request with the Federal Aviation Administration for approval to install and use a light-mitigating technology system that complies with 14 C.F.R. Part 77. If approved by the Federal Aviation Administration, the permit holder shall install the light-mitigating technology system on approved turbines no later than 24 months following such approval.

DRS35203-RI-4 Page 3

(c) For purposes of this section, the term "light-mitigating technology" means an aircraft detection lighting or any other comparable system capable of reducing the impact of facility obstruction lighting while maintaining conspicuity sufficient to assist aircraft in identifying and avoiding collision with a wind energy facility."

SECTION 4. This act is effective when it becomes law and applies to permits to construct wind energy facilities or wind energy facility expansions pending or filed on or after that date, except that G.S. 143-215.121.1(b), as enacted by Section 3 of this act, applies to wind energy facilities constructed prior to the effective date of this act, and a permit holder shall file a request with the Federal Aviation Administration as required by G.S. 143-215.121.1(b) no later than 60 days after the date this act becomes law.
