SENATE BILL DRS15263-NG-76

Short Title: Competency-Based Education Grant Program. (Public)

Sponsors: Senators Lee and Jones (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA COMPETENCY-BASED
3 EDUCATION INNOVATION GRANT AND NETWORK PROGRAM AND TO
4 APPROPRIATE FUNDS FOR THAT PURPOSE.

5 The General Assembly of North Carolina enacts:

6 **SECTION 1.(a)** Program Established; Purpose. – There is established the North
7 Carolina Competency-Based Education Innovation Grant and Network Program (Program). The
8 purpose of the program is to provide funding and support to schools and districts to support the
9 transition to competency-based education (CBE) models that focus on mastery of learning rather
10 than instructional time. The grant aims to promote innovative instructional practices, flexible
11 assessment models, and systemic shifts to ensure all students progress based on demonstrated
12 proficiency.

13 **SECTION 1.(b)** Program Objectives. – The objectives of the Program are as follows:

- 14 (1) Redesign Learning Pathways. – Support schools and districts in developing
15 personalized, CBE models that allow students to progress at their own pace.
16 (2) Assessment Innovation. – Utilize formative and performance-based
17 assessments that measure student mastery of skills and knowledge, including
18 the use of AI learning tools.
19 (3) Educator Capacity Building. – Provide common professional development for
20 educators on instructional strategies and assessment practices aligned with
21 transitioning to CBE.
22 (4) Develop Strategies for Statewide Scaling and Best Practices. – Develop and
23 share resources, implementation strategies, and lessons learned to expand
24 CBE across North Carolina.

25 **SECTION 1.(c)** Phase One. – The first phase of the Program shall begin with the
26 2025-2026 school year and continue until the conclusion of the 2028-2029 school year. Public
27 school units shall submit applications and complete any planning or organizational duties during
28 the 2025-2026 school year with implementation of CBE in participating schools beginning with
29 the 2026-2027 school year.

30 **SECTION 1.(d)** Application. – The Department of Public Instruction shall create an
31 application for the Program and make the application available to all public school units no later
32 than 60 days after this act becomes law. Public school units shall submit their applications to the
33 Department no later than 60 days after the application becomes available. The Department shall
34 select 10 schools to participate in the Program no later than 60 days after the close of the
35 application period. When selecting schools to participate in the Program, the Department shall
36 prioritize schools that show a strong commitment to implementing CBE and innovation in

1 assessment. The Department shall develop criteria to determine which schools are most ready to
2 transition to CBE. The application shall include at least the following:

- 3 (1) A comprehensive plan outlining the school's vision for competency-based
4 education.
- 5 (2) A description of instructional and assessment shifts to be implemented.
- 6 (3) A budget for use of grant funds and a sustainability plan to continue utilizing
7 CBE after the conclusion of Phase One.
- 8 (4) Commitments from public school units leadership and stakeholders.

9 **SECTION 1.(e)** Grant funds; Use; Training. – Grant awards shall be in the amount
10 of three hundred thirty thousand dollars (\$330,000) to each participating school. Participating
11 schools shall use the sum of ninety-five thousand dollars (\$95,000) each school year to receive
12 training on the implementation of CBE in the school. The remaining grants funds shall be used
13 for costs associated with the transition to CBE, including travel costs and CBE resources. Grant
14 funds shall remain available until the end of the 2028-2029 fiscal year.

15 **SECTION 1.(f)** Selection of third party vendor. – The Department shall select a third
16 party vendor (Vendor) that is an educational support provider with a nationally recognized,
17 research-based instructional and leadership framework, including a High Reliability School
18 model, a taxonomy of educational objectives aligned to classroom strategies, and a system for
19 implementing personalized competency-based education. The provider must have published
20 extensively in peer-reviewed and practitioner literature, have an established track record of
21 working directly with K–12 schools and districts across multiple states, and offer professional
22 development services, implementation support, and instructional resources developed and led by
23 a founding education researcher with over four decades of influence in curriculum, instruction,
24 and assessment.

25 **SECTION 1.(g)** Department partnership with Vendor. – The Department shall
26 partner with the Vendor selected pursuant to subsection (f) of this act to develop publicly
27 available, standards-aligned proficiency scales for all content areas and grade levels to ensure
28 educators in the participating schools have the tools necessary to successfully transition to CBE
29 approaches. The Vendor shall provide annual professional development events throughout the
30 regions of the State to ensure educators can engage in learning about CBE approaches, including
31 implementation the proficiency scales developed by the Department.

32 **SECTION 1.(h)** Department duties. – The Department of Public Instruction shall do
33 the following as part of the Program:

- 34 (1) Develop, in collaboration with the Vendor, a CBE Network to support the
35 long-term transition to CBE. The CBE Network shall do the following:
 - 36 a. Provide strategic guidance and policy recommendations for scaling
37 CBE Statewide.
 - 38 b. Facilitate collaboration among grant recipients, educators,
39 policymakers, and CBE industrial leaders.
 - 40 c. Develop a long-term roadmap for CBE implementation Statewide.
 - 41 d. Offer professional learning communities and shared online resources
42 to support ongoing innovation and capacity building.
 - 43 e. Develop methods of measuring proficiency for all courses offered as
44 part of the standard course of study in kindergarten through grade 12,
45 with support from the Vendor.
 - 46 f. Disseminate developed proficiency measures to all public school units
47 and post standards developed to align with the proficiency measures
48 online on a publicly accessible website.
 - 49 g. Conduct research and evaluation to inform best practices and
50 continuous improvement in participating schools.

- (2) Provide support and technical assistance, professional learning opportunities, and access to the CBE network for all grant recipients.

SECTION 1.(i) Reporting; Participants. – Each participating school shall submit a quarterly progress report to the Department detailing implementation of CBE in the school. The Department shall establish the due dates and mechanism for the submission of the progress reports. Progress shall include available student learning outcome data, including evidence of progress toward content mastery.

SECTION 1.(j) Reporting; Department. – The Department of Public Instruction shall submit a final report on the outcomes of Phase One of the Program to the Joint Legislative Education Oversight Committee by December 1, 2029. The report shall include the following:

- (1) A summary of student outcomes reported by participating schools.
- (2) Any challenges experienced by participating schools or the Department with implementation of the Program.
- (3) Recommendations for scaling the Program Statewide.
- (4) Any other information the Department deems relevant.
- (5) Any information requested by the Committee.

SECTION 2. Funding. – It is the intention of the General Assembly to fund the Program established pursuant to this act with nonrecurring funds for the 2025-2026 fiscal year.

SECTION 3. Effective date. – This act becomes effective when the Current Operations Appropriations Act of 2025 becomes law and if that bill appropriates funds for the purposes detailed in this act.
