SENATE BILL DRS15304-MCa-118A

Short Title: NC Economic Progress and Well Being. (Public)

Sponsors: Senators Robinson, Meyer, and Salvador (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT TO MEASURE THE ECONOMIC PROGRESS AND WELL-BEING OF THE  
3 STATE.

4 Whereas, North Carolinians have prioritized their economic well-being and its  
5 advancement as essential work of our State lawmakers; and

6 Whereas, public policy choices can create the conditions for economic security and  
7 progress; and

8 Whereas, the State's overall economic progress depends on the well-being of its  
9 people and communities; and

10 Whereas, policymakers should monitor the impact of public policy choices on the  
11 well-being of people across the State and economic progress by the assessments of people and  
12 communities rather than markets and productivity alone; and

13 Whereas, the NC General Assembly should strive to conduct its work to advance for  
14 every person in North Carolina, and

15 Whereas, it is essential to have a well-rounded opportunity to have economically safe,  
16 stable and secure lives, including (i) access to jobs that pay enough to ensure a standard of living  
17 where a person can get ahead and a high level of life satisfaction, (ii) affordable prices for the  
18 basics like food, housing, health care and child care, (iii) access to the education and training that  
19 supports mobility, opportunity and participation in civic life, (iv) opportunity to start and expand  
20 business free from unfair competition and domination by monopolies and other unfair advantage  
21 for certain kinds of businesses, (v) a community of opportunity free from concentrated  
22 disadvantage, toxic exposures and connected to supports to learn, earn and live a healthy life, and  
23 (vi) adequate protection from the economic fears of old age, sickness, climate disaster, and  
24 unemployment; Now, therefore,

25 The General Assembly of North Carolina enacts:

26 **SECTION 1.** There is appropriated from the General Fund to the Department of  
27 Commerce the recurring sum of \$200,000 for each fiscal year of the 2025-2027 fiscal biennium  
28 to conduct bi-annual analyses of Economic Progress in North Carolina. The Department shall  
29 report the results of the analyses to the General Assembly no later than January 31 of every  
30 odd-numbered year, and each report shall meet all of the following requirements:

- 31 (1) Utilize publicly available data and interview people of various  
32 socio-economic backgrounds.
- 33 (2) Measure, for the State and each county, at least the following metrics:
- 34 a. Hardship, as measured by the poverty rate, child poverty, deep
