Whereas, it is estimated that the average Earned Income Tax Credit is about \$2,812 per filer; and

Whereas, the Internal Revenue Service (IRS) provides a federal program, the Volunteer Income Tax Assistance (VITA) program, for which grants are available. VITA provides for individuals who make below a certain income threshold per year to have their taxes completed by an IRS-certified individual for free, allowing them to take full advantage of every federal tax credit and return more of North Carolina's hard-earned dollars to our citizens, putting more money into our economy; and
