## GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2025

Η

## H.B. 725 Apr 2, 2025 HOUSE PRINCIPAL CLERK

D

## HOUSE BILL DRH40325-MGa-112

Short Title:MOMnibus 3.0.(Public)Sponsors:Representative von Haefen.Referred to:

1	A BILL TO BE ENTITLED
2	AN ACT TO ENACT THE NORTH CAROLINA MOMNIBUS ACT.
3	Whereas, every person should be entitled to dignity and respect during and after
4	pregnancy and childbirth, and patients should receive the best care possible regardless of age,
5	race, ethnicity, color, religion, ancestry, disability, medical condition, genetic information,
6	marital status, sex, gender identity, gender expression, sexual orientation, socioeconomic status,
7	citizenship, nationality, immigration status, primary language, or language proficiency; and
8	Whereas, the United States has the highest maternal mortality rate in the developed
9	world, where about 700 women die each year from childbirth and another 50,000 suffer from
10	severe complications; and
11	Whereas, the federal Centers for Disease Control and Prevention finds that the
12	majority of pregnancy-related deaths are preventable; and
13	Whereas, pregnancy-related deaths among black birthing people are also more likely
14	to be miscoded; and
15	Whereas, access to prenatal care, socioeconomic status, and general physical health
16	do not fully explain the disparity seen in maternal mortality and morbidity rates among black
17	individuals, and there is a growing body of evidence that black people are often treated unfairly
18	and unequally in the health care system; and
19	Whereas, implicit bias is a key driver of health disparities in communities of color;
20	and
21	Whereas, health care providers in North Carolina are not required to undergo any
22	implicit bias testing or training; and
23	Whereas, currently there does not exist any system to track the number of incidents
24	where implicit prejudice and implicit stereotypes led to negative birth and maternal health
25	outcomes; and
26	Whereas, it is in the interest of this State to reduce the effects of implicit bias in
27	pregnancy, childbirth, and postnatal care so that all people are treated with dignity and respect
28	by their health care providers; Now, therefore,
29	The General Assembly of North Carolina enacts:
30 31	PART I. SUPPORTING COMMUNITY-BASED ORGANIZATIONS
31 32	FART I. SUFFORTING COMMUNITI I-DASED ORGANIZATIONS
32 33	ESTABLISHMENT OF MATERNAL CARE ACCESS GRANT PROGRAM
33 34	<b>SECTION 1.1.(a)</b> Definitions. – The following definitions apply in this section:

50 51		uman Services, Division of Public Health, the sum of two $(52500,000)$ in recurring funds for each war of the 2025	
51	mousand donars	(\$2,500,000) in recurring funds for each year of the 2025-	2027 fiscal diennium

engaged in perina	administer the implicit bias training program for health care professionals tal care authorized by G.S. 130A-33.62, as enacted by this act.
	<b>ION 2.2.</b> Section 2.1(a) of this Part becomes effective October 1, 2025. this Part becomes effective July 1, 2025.
PART III. SU	PPORTING AND DIVERSIFYING LACTATION CONSULTANT
<b>TRAINING PRO</b>	OGRAMS
SECT	<b>ION 3.1.(a)</b> The following definitions apply in this section:
(1)	Historically Black Colleges and Universities or HBCUs Institutions of
	higher education that were founded to educate black citizens who were
	historically restricted from attending predominantly white institutions of
	higher education.
(2)	Lactation consultants Educators or counselors trained in breast feeding or
	chest feeding practices, lactation care, and lactation services.
(3)	Lactation services The clinical application of scientific principles and a
	multidisciplinary body of evidence for evaluation, problem identification,
	treatment, education, and consultation to childbearing families regarding
	lactation care and services.
(4)	Maternity care services. – Health care related to an individual's pregnancy,
(5)	childbirth, or postpartum recovery.
(5)	Preceptor. – A person who is a certified lactation consultant and meets the
	requirements of the International Board of Lactation Consultant Examiners to supervise lactation consultants-in-training during the training period.
SECT	<b>ION 3.1.(b)</b> There is appropriated from the General Fund to the Board of
	University of North Carolina the sum of three million dollars (\$3,000,000) in
	s for each year of the 2025-2027 fiscal biennium for the purposes of recruiting,
-	aning a diverse workforce of lactation consultants in North Carolina by
-	frastructure and sustainability of lactation consultant training programs at
	Colleges and Universities located within the State. These funds shall be
-	y among Bennett College, Fayetteville State University, Johnson C. Smith
	Carolina Agricultural & Technical State University, and North Carolina
•	y to cover costs incurred by each university for administering a lactation
	including, but not limited to:
(1)	Leasing or other costs for teaching facilities or approved clinical training sites.
(2)	Student aid or scholarships.
(3)	Compensation for lactation consultant training program teachers and
	preceptors.
	<b>ION 3.1.(c)</b> The Department of Health and Human Services shall provide
	ce to Bennett College, Fayetteville State University, Johnson C. Smith
•	Carolina Agricultural & Technical State University, and North Carolina
-	with respect to the following:
(1)	Developing culturally appropriate training content for the lactation consultant
	training programs funded by State appropriations.
(2)	Recruiting persons from historically marginalized populations to enroll in the
	lactation consultant training programs offered at these universities.
(3)	Recruiting historically underutilized providers to serve as teachers and
	preceptors in the lactation consultant training programs offered at these
( 1 \	universities.
(4)	Identifying rural and medically underserved areas of the State experiencing a shortege of lactation consultants in order to recruit program graduates to work
	shortage of lactation consultants in order to recruit program graduates to work in these areas.
	III UIUSU AIUAS.

## General Assembly Of North Carolina

1 2 3	<b>SECTION 3.1.(d)</b> By May 1, 2028, the Department of Health and Human Services shall evaluate and submit a report to the Joint Legislative Oversight Committee on Health and Human Services and the Joint Legislative Education Oversight Committee on the benefits
4	received by the State as a result of funding the lactation consultant training programs at North
5	Carolina Agricultural & Technical State University and Johnson C. Smith University. The report
6	shall include at least all of the following information and recommendations:
7	(1) The total number of lactation consultants who received training at one of the
8	State-funded HBCU lactation programs, broken down by (i) race and ethnicity
9	and (ii) chosen work site, such as hospital, provider office, or
10	community-based organization.
10	
11	(2) A review of the prenatal and postpartum experiences of patients who received
	lactation consultant services from a health care professional who graduated
13	from one of the State-funded HBCU lactation consultant programs. The
14	review shall address patients' experiences relative to the following:
15	a. Health insurance coverage for maternity care services, including
16	telehealth lactation consultant services.
17	b. Contributing factors to population-based disparities in breast feeding
18	and chest feeding outcomes, including bias and discrimination toward
19	patients who are members of racial and ethnic minority groups.
20	c. Patient satisfaction with the services received from these lactation
21	consultants.
22	d. Breast feeding or chest feeding initiation and duration rates of patients
23	who received services from these lactation consultants.
24	<b>SECTION 3.2.</b> This Part becomes effective July 1, 2025.
25	
26	PART IV. PERINATAL EDUCATION GRANT PROGRAM
27	<b>SECTION 4.1.(a)</b> Definitions. – The following definitions apply in this section:
28	(1) Department. – The North Carolina Department of Health and Human
29	Services.
30	(2) Perinatal education program. – A program that operates for the primary
31	purpose of educating pregnant women and their families about healthy
32	pregnancy, preparation for labor and birth, breast feeding, newborn care, or
33	any combination of these.
34	SECTION 4.1.(b) Establishment of Grant Program. – The Department shall
35	establish and administer a Perinatal Education Grant Program to award competitive grants to
36	eligible entities to establish or expand perinatal education programs in rural, underserved, or
37	low-wealth areas of the State. The Department shall establish eligibility requirements for
38	program participation which shall, at a minimum, require that applicants be community-based
39	organizations that offer perinatal education and resources aligned with evidence-based practices
40	for improving maternal health outcomes for black women.
41	<b>SECTION 4.1.(c)</b> Outreach and Application Assistance. – Beginning September 1,
42	2025, the Department shall (i) conduct outreach to encourage eligible applicants to apply for
43	grants under this program and (ii) provide application assistance to eligible applicants on best
44	practices for applying for grants under this program. In conducting the outreach required by this
45	section, the Department shall give special consideration to eligible applicants that meet the
46	following criteria:
47	(1) Are based in, and provide support for, communities with high rates of adverse
48	maternal health outcomes and significant racial and ethnic disparities in
49	maternal health outcomes.
50	(2) Are led by black women.

	General Assemb	ly Of North Carolina	Session 2025
