A BILL TO BE ENTITLED  
AN ACT TO PROVIDE AN EXEMPTION TO THE PRACTICE OF VETERINARY  
MEDICINE FOR EMERGENCY PERSONNEL WHO RENDER EMERGENCY  
MEDICAL SERVICES TO AN INJURED K-9 POLICE ANIMAL OR AN INJURED  
SEARCH AND RESCUE DOG AT THE SCENE OF AN EMERGENCY.

The General Assembly of North Carolina enacts:

**SECTION 1.(a)** G.S. 90-187.10 reads as rewritten:  
**"§ 90-187.10. Necessity for license; certain practices exempted.**

No individual shall engage in the practice of veterinary medicine without having a veterinary  
license from the Board. No person, as defined in G.S. 90-181(5), may own a veterinary facility  
without having a veterinary facility permit from the Board.

Nothing in this Article shall be construed to prohibit:

...

(13) Emergency medical services personnel, as defined in G.S. 131E-155, except  
that individuals solely credentialed as emergency medical dispatchers shall  
not be considered emergency medical services personnel for purposes of this  
subdivision, who may provide emergency medical transport or emergency  
medical services to an injured K-9 police unit animal or an injured certified  
search and rescue dog deployed by or contracted to work with a federal, State,  
or local agency or department at the scene of an emergency."

**SECTION 1.(b)** Article 7 of Chapter 131E of the General Statutes is amended by  
adding a new section to read:

**"§ 131E-155.2. Emergency medical treatment for K-9 unit or search and rescue dog;  
limited immunity.**

Notwithstanding any other provision of law, emergency medical services personnel shall not  
be prosecuted for providing emergency medical transport or emergency medical services to an  
injured K-9 police unit animal or an injured search and rescue dog if the emergency medical  
services personnel acted in good faith when providing emergency medical transport or  
emergency medical services to an injured K-9 police unit animal or an injured search and rescue  
dog at the scene of an emergency. The immunity established by this section does not extend to  
gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable.  
For purposes of this section, a search and rescue dog is defined as a dog certified by any national  
certification organization that is deployed by or contracted to work with a federal, State, or local  
agency or department, and individuals solely credentialed as emergency medical dispatchers  
shall not be considered emergency medical services personnel."
