**HOUSE BILL DRH40499-LRa-127**

Short Title: Ten Percent Raise/Teachers/First Responders. (Public)

Sponsors: Representative A. Jones.

Referred to:

1 A BILL TO BE ENTITLED  
2 AN ACT ESTABLISHING THE 2025 TEACHERS' AND FIRST RESPONDERS' PAY  
3 INCREASE PROGRAM TO PROVIDE A TEN PERCENT RAISE TO TEACHERS AND  
4 FIRST RESPONDERS.

5 The General Assembly of North Carolina enacts:

6  
7 **PART I. FIRST RESPONDER PAY INCREASE PROGRAM**

8 **SECTION 1.1.** The following definitions apply in this Part:

- 9 (1) Base salary. – The regular, recurring annual compensation of a first responder,  
10 excluding overtime pay, shift differentials, longevity pay, or any other  
11 supplemental forms of compensation.
- 12 (2) Employing authority. – A State agency or a city, county, or other local  
13 political subdivision of this State that employs first responders.
- 14 (3) First responder. – A public employee whose primary duties involve the  
15 protection of life, property, or public safety during emergency situations,  
16 including specifically:  
17 a. Law enforcement officers.  
18 b. Firefighters.  
19 c. Emergency medical services personnel.  
20 d. Public safety telecommunicators or dispatchers.  
21 e. Nurses employed by public hospitals, health departments, correctional  
22 facilities, or other government healthcare facilities.
- 23 (4) Pay increase. – A permanent increase to the base salary of a first responder at  
24 the rate of ten percent (10%) of the first responder's current base salary.
- 25 (5) Public employee. – A person employed by an employing authority.
- 26 (6) Years of service. – The total number of years that a first responder has been  
27 employed in a qualifying position by any employing authority within the  
28 State.

29 **SECTION 1.2.** Appropriation for First Responders' Pay Increase. – There is  
30 appropriated from the General Fund to the Reserve for First Responder Pay Increases the sum of  
31 seven hundred million dollars (\$700,000,000) in each year of the 2025-2027 fiscal biennium to  
32 provide a permanent ten percent (10%) pay increase to eligible first responders as defined in this  
33 act. The Department of Public Safety and the Department of Health and Human Services shall  
34 distribute these funds to employing authorities based on the total cost of implementing a ten  
35 percent (10%) pay increase for all eligible first responders employed by each authority. Funds  
36 distributed under this section shall be used exclusively for providing the mandated pay increase

1 to eligible first responders and may not be used for administrative costs or other purposes. The  
2 pay increase provided pursuant to this section shall be added to the first responder's base salary,  
3 effective July 1, 2025, and included in the first responder's base salary for purposes of calculating  
4 future salary increases. This pay is subject to retirement contributions as provided by the  
5 applicable retirement systems.

6 **SECTION 1.3.** Administration. – The Office of State Budget and Management shall  
7 coordinate with the Department of Public Safety and the Department of Health and Human  
8 Services to distribute funds to employing authorities by no later than August 15 of each fiscal  
9 year within the 2025-2027 biennium. Employing authorities shall implement the pay increase for  
10 eligible first responders effective July 1 of each fiscal year. To be eligible for the pay increase, a  
11 first responder must be employed by an employing authority on July 1 of the fiscal year in which  
12 the pay increase takes effect. First responders who work less than full time shall receive a  
13 prorated pay increase based on the percentage of full-time equivalent hours worked. The Office  
14 of State Budget and Management shall develop simplified procedures for the allocation and  
15 distribution of pay increase funds and shall provide necessary guidance to the Department of  
16 Public Safety and employing authorities. Employing authorities shall certify to the Department  
17 of Public Safety the total cost of implementing the pay increase for eligible first responders by  
18 August 1 of each fiscal year. By January 15 of each fiscal year, employing authorities shall submit  
19 a verification that the pay increase has been implemented for all eligible first responders. Any  
20 funds not expended for the purposes specified in this section by the end of each respective fiscal  
21 year shall revert to the General Fund.

## 22 23 **PART II. TEACHERS' PAY INCREASE PROGRAM**

24 **SECTION 2.1.** Definition. – For purposes of this Part, the term "teacher" means a  
25 classroom teacher, instructional support personnel, principal, or assistant principal employed by  
26 a local school administrative unit, charter school, or regional school.

27 **SECTION 2.2.** Appropriation. – There is appropriated from the General Fund to the  
28 Reserve for Teachers' Pay Increases the sum of nine hundred million dollars (\$900,000,000) in  
29 each year of the 2025-2027 fiscal biennium to provide a permanent ten percent (10%) pay  
30 increase to eligible teachers in the public schools. The Department of Public Instruction shall  
31 distribute these funds based on the total cost of implementing a ten percent (10%) pay increase  
32 for all eligible teachers employed by each entity. Funds distributed under this section shall be  
33 used exclusively for providing the mandated pay increase to eligible teachers and may not be  
34 used for administrative costs or other purposes. The pay increase provided pursuant to this section  
35 shall be added to the teacher's base salary, effective July 1, 2025, included in the teacher's base  
36 salary for purposes of calculating future salary increases, and is subject to retirement  
37 contributions as provided by applicable retirement systems. This pay is subject to all applicable  
38 federal and State withholding taxes.

39 **SECTION 2.3.** Administration. – The State Board of Education and the Department  
40 of Public Instruction shall establish procedures and guidelines for the administration of the  
41 teacher pay increase program consistent with this Part, in coordination with the Office of State  
42 Budget and Management. The Department of Public Instruction shall distribute these funds to  
43 local school administrative units, charter schools, and regional schools no later than August 15  
44 of each fiscal year within the 2025-2027 biennium. To be eligible for the pay increase, a teacher  
45 must be employed by a local school administrative unit, charter school, or regional school on  
46 July 1 of the fiscal year in which the pay increase takes effect. Teachers who work less than full  
47 time shall receive a prorated pay increase based on the percentage of full-time equivalent hours  
48 worked. Local school administrative units, charter schools, and regional schools shall certify to  
49 the Department of Public Instruction the total cost of implementing the pay increase for eligible  
50 teachers by August 1 of each fiscal year. By January 15 of each fiscal year, local school  
51 administrative units, charter schools, and regional schools shall submit a verification that the pay

1 increase has been implemented for all eligible teachers. Any funds not expended for the purposes  
2 specified in this section by the end of each respective fiscal year shall revert to the General Fund.
