5 **"Chapter 122F.**

6 **"North Carolina Child Care Finance Agency.**

7 **"§ 122F-1. Short title.**

8 This Chapter shall be known and may be cited as the "North Carolina Child Care Finance
9 Agency Act."

10 **"§ 122F-2. Legislative findings and purposes.**

11 (a) The General Assembly hereby finds and declares the following:

12 (1) That there exists in the State of North Carolina a serious shortage of accessible
13 and affordable child care. This statewide shortage severely impacts the State's
14 workforce and economy and is inimical to the health, safety, welfare and
15 prosperity of all residents of the State and to the sound growth of North
16 Carolina's economy.

17 (2) That private enterprise and investment have not been able to produce, without
18 assistance, the needed supply or rehabilitation of child care facilities to
19 provide sufficient child care for the State's workforce, including low-income
20 families. It is imperative that the supply of child care for families be increased;
21 and that private enterprise and investment be encouraged to sponsor, build,
22 rehabilitate, and operate child care for families to remove barriers to
23 employment and to foster health development for children.

24 (3) That the purposes of this Chapter are to provide financing for child care
25 construction, new or rehabilitated, for individuals providing high-quality child
26 care to families.

27 (4) That faith-based organizations are eligible for financing for child care
28 construction that provides high-quality child care.

29 (5) That businesses that make child care accessible to the their employees are
30 eligible for financing for child care construction that provides high-quality
31 child care.

32 (b) In accomplishing these public purposes, the North Carolina Child Care Finance
33 Agency, a public agency and an instrumentality of the State, is acting in all respects for the benefit
34 of the people of the State in the performance of essential public functions and serves a public
35 purpose in improving and otherwise promoting their health, welfare and prosperity. The North

- 8 (3) Give priority to projects for child care facilities with licenses that indicate
9 high-quality child care, as determined by the North Carolina Child Care
10 Commission.
- 11 (4) Incentivize child-care providers, including faith-based organizations, to
12 provide full-day child care.
- 13 (5) Encourage private employers to provide on-site child care to employees, and
14 provide advising on information for research-based solutions, including
15 methods and guides to financing facilities and child care providers as partners.

36 others arising from the mortgage, foreclosure, or any deficiency judgment
37 shall be assigned to the Agency without recourse except such claims as may
38 have been released with the consent of the Agency; or

39 (2) The expiration of six months after the mortgagee has taken title to the
40 mortgaged property under judgment of strict foreclosure, foreclosure by sale
41 or other judicial sale, or under a deed in lieu of foreclosure if during such
42 period the mortgagee has made a bona fide attempt to sell the property, and
43 thereafter conveys the property to the Agency with an assignment, without
44 recourse, to the Agency of all claims of the mortgagee against the mortgagor
45 or others arising out of the mortgage foreclosure, or deficiency judgment; or

46 (3) The acceptance by the Agency of title to the property or an assignment of the
47 mortgage, without recourse to the Agency, in the event the Agency determines
48 it imprudent to proceed under subdivision (1) or (2) above.

49 Upon the occurrence of either subdivision (1), (2) or (3) hereof, the obligation of the
50 mortgagee to pay premium charges for insurance shall cease, and the Agency shall, within 30
51 days thereafter, pay to the mortgagee ninety-eight percent (98%) of the sum of (i) the then unpaid

1 principal balance of the insured indebtedness, (ii) the unpaid interest to the date of conveyance
2 or assignment to the Agency, as the case may be, (iii) the amount of all payments made by the
3 mortgagee for which it has not been reimbursed for taxes, insurance, assessments and mortgage
4 insurance premiums, and (iv) such other necessary fees, costs or expenses of the mortgagee as
5 may be approved by the Agency.

6 (f) Upon request of the mortgagee, the Agency may at any time, under such terms and
7 conditions as it may prescribe, consent to the release of the mortgagor from the mortgagor's
8 liability or consent to the release of parts of the property from the lien of the mortgage, or approve
9 a substitute mortgagor or sale of the property or part thereof.

10 (g) No claim for the benefit of the insurance provided in this Chapter shall be accepted
11 by the Agency except within one year after any sale or acquisition of title of the mortgaged

24 sponsor, build and renovate child care facilities; (iii) the increase in the supply and access to
25 affordable child care for all families, regardless of income level; and (iv) the restriction of the
26 financial return and benefit to the mortgage lenders from such loans to an amount that is
27 necessary to induce their participation and that is not excessive as determined by prevailing
28 market conditions.

29 (b) Notwithstanding any other provision of this section, the interest rate or rates and other
30 terms of the loans to lenders made from the proceeds of any issue of bonds of the Agency shall
31 provide that the amounts received by the Agency in repayment of the loans and interest thereon
32 shall be at least sufficient to assure the payment of the principal of and the interest on the bonds
33 as they become due.

34 (c) The Agency shall enter into a written agreement with each lender that shall require as
35 a condition of each loan to such lender that the lender shall originate new mortgage loans,
36 construction loans, and rehabilitation loans within a reasonable period of time as determined by
37 the Agency's rules and regulations and that such new loans shall have such stated maturities as
38 determined by the Agency's rules and regulations.

39 (d) The loans to lenders shall be general obligations of the respective lenders owing them.
40 The Agency shall require that such loans shall be secured as to payment of both principal and
41 interest by a pledge and lien upon collateral security. The collateral security itself shall be in such
42 amount as the Agency determines will assure the payment of the principal of and the interest on
43 the bonds as they become due. Collateral security shall be deemed to be sufficient if the principal
44 of and the interest on the collateral security, when due, will be sufficient to pay the principal of
45 and the interest on the bonds. The collateral security shall consist of any of the following items:
46 (i) direct obligations of, or obligations guaranteed by, the State or the United States of America;
47 (ii) bonds, debentures, notes or other evidences of indebtedness, satisfactory to the Agency,
48 issued by any of the following federal agencies: Bank for Cooperatives, Federal Intermediate
49 Credit Bank, Export-Import Bank of Washington, Federal Land Banks, the Government National
50 Mortgage Association; (iii) direct obligations of or obligations guaranteed by the State; (iv)
51 mortgages insured or guaranteed by the United States of America or an instrumentality of it as

1 to payment of principal and interest; (v) any other mortgages secured by real estate on which
2 there is located a commercial structure, the collateral value of which shall be determined by the
3 regulations issued from time to time by the Agency; (vii) certificates of deposit of banks or trust
4 companies, including the trustee, organized under the laws of the United States or any state,
5 which have a combined capital and surplus of at least fifteen million dollars (\$15,000,000); (viii)
6 Bankers Acceptances; and (ix) commercial paper that has been classified for rating purposes by
7 Dun & Bradstreet, Inc., as Prime-1 or by Standard & Poor's Corp. as A-1.

8 (e) The Agency may require as a condition of any loan to a lender such representations
9 and warranties that it determines to be necessary to secure such loans and to carry out the
10 purposes of this section.

11 **"§ 122F-9. Credit of State not pledged.**

12 Obligations issued under the provisions of this Chapter shall not be deemed to constitute a
13 debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the
14 faith and credit of the State or of any such political subdivision, but shall be payable solely from
15 the revenues or assets of the Agency. Each obligation issued under this Chapter shall contain on
16 the face thereof a statement to the effect that the Agency shall not be obligated to pay the same
17 nor the interest thereon except from the revenues or assets pledged therefor and that neither the
18 faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged
19 to the payment of the principal of or the interest on such obligation.

20 Expenses incurred by the Agency in carrying out the provisions of this Chapter may be made
21 payable from funds provided pursuant to this Chapter and no liability shall be incurred by the
22 Agency hereunder beyond the extent to which moneys shall have been so provided.

23 **"§ 122F-10. Bonds and notes.**

24 The Agency is hereby authorized to provide for the issuance, at one time or from time to time,
25 of bonds and notes of the Agency to carry out and effectuate its corporate purposes. The Agency
26 also is hereby authorized to provide for the issuance, at one time or from time to time of (i) bond
27 anticipation notes in anticipation of the issuance of such bonds and (ii) construction loan notes
28 to finance the making or purchase of mortgage loans, construction loans, and rehabilitation loans,
29 for the construction, rehabilitation or improvement of child care facilities. The total amount of
30 bonds, bond anticipation notes, and construction loan notes outstanding at any one time shall not
31 exceed twelve billion dollars (\$12,000,000,000) excluding therefrom any bond anticipation notes
32 for the payment of which bonds have been issued. The principal of and the interest on such bonds
33 or notes shall be payable solely from the funds herein provided for such payment. Any such notes
34 may be made payable from the proceeds of bonds or renewal notes or, in the event bond or
35 renewal note proceeds are not available, such notes may be paid from any available revenues or
36 assets of the Agency. The bonds or notes of each issue shall be dated and may be made
37 redeemable before maturity at the option of the Agency at such price or prices and under such
38 terms and conditions as may be determined by the Agency. Any such bonds or notes shall bear
39 interest at such rate or rates as may be determined by the Local Government Commission of
40 North Carolina with the approval of the Agency. Notes shall mature at such time or times not
41 exceeding 10 years from their date or dates and bonds shall mature at such time or times not
42 exceeding 43 years from their date or dates, as may be determined by the Agency. The Agency
43 shall determine the form and manner of execution of the bonds or notes, including any interest
44 coupons to be attached thereto, and shall fix the denomination or denominations and the place or
45 places of payment of principal and interest, which may be any bank or trust company within or
46 without the State. In case any officer whose signature or a facsimile of whose signature shall
47 appear on any bonds or notes or coupons attached thereto shall cease to be such officer before
48 the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient
49 for all purposes the same as if that officer had remained in office until such delivery. The Agency
50 may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The
51 bonds or notes may be issued in coupon or in registered form, or both, as the Agency may

1 determine, and provision may be made for the registration of any coupon bonds or notes as to
2 principal alone and also as to both principal and interest, and for the reconversion into coupon
3 bonds or notes of any bonds or notes registered as to both principal and interest, and for the
4 interchange of registered and coupon bonds or notes. Upon the filing with the Local Government
5 Commission of North Carolina of a resolution of the Agency requesting that its bonds and notes
6 be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for
7 such price as the Commission shall determine to be for the best interest of the Agency and best
8 effectuate the purposes of this Chapter, as long as the sale is approved by the Agency.

9 The proceeds of any bonds or notes shall be used solely for the purposes for which issued
10 and shall be disbursed in such manner and under such restrictions, if any, as the Agency may
11 provide in the resolution authorizing the issuance of such bonds or notes or in the trust agreement
12 hereinafter mentioned securing the same.

13 Prior to the preparation of definitive bonds, the Agency may, under like restrictions, issue
14 interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds
15 when such bonds shall have been executed and are available for delivery. The Agency may also
16 provide for the replacement of any bonds or notes which shall become mutilated or shall be
17 destroyed or lost.

18 Bonds or notes may be issued under the provisions of this Chapter without obtaining, except
19 as otherwise expressly provided in this Chapter, the consent of any department, division,
20 commission, board, body, bureau or agency of the State, and without any other proceedings or
21 the happening of any conditions or things other than those proceedings, conditions or things
22 which are specifically required by this Chapter and the provisions of the resolution authorizing
23 the issuance of such bonds or notes or the trust agreement securing the same.

24 **"§ 122F-11. Trust agreement or resolution.**

25 In the discretion of the Agency any obligations issued under the provisions of this Chapter
26 may be secured by a trust agreement by and between the Agency and a corporate trustee, which
27 may be any trust company or bank having the powers of a trust company within or without the
28 State. Such trust agreement or the resolution providing for the issuance of such obligations may
29 pledge or assign all or any part of the revenues or assets of the Agency, including, without
30 limitation, mortgage loans, construction loans, rehabilitation loans, mortgage loan commitments,
31 contracts, agreements and other security or investment obligations, the fees or charges made or
32 received by the Agency, the moneys received in payment of loans and interest thereon and any
33 other moneys received or to be received by the Agency. Such trust agreement or resolution may
34 contain such provisions for protecting and enforcing the rights and remedies of the holders of
35 any such obligations as may be reasonable and proper and not in violation of law, including
36 covenants setting forth the duties of the Agency in relation to the purposes to which obligation
37 proceeds may be applied, the disposition or pledging of the revenues or assets of the Agency, the
38 terms and conditions for the issuance of additional obligations, and the custody, safeguarding
39 and application of all moneys. It shall be lawful for any bank or trust company incorporated under
40 the laws of the State which may act as depository of the proceeds of obligations, revenues or
41 other money hereunder to furnish such indemnifying bonds or to pledge such securities as may
42 be required by the Agency. Any such trust agreement or resolution may set forth the rights and
43 remedies of the holders of any obligations and of the trustee, and may restrict the individual right
44 of action by any such holders. In addition to the foregoing, any such trust agreement or resolution
45 may contain such other provisions as the Agency may deem reasonable and proper for the
46 security of the holders of any obligations. All expenses incurred in carrying out the provisions of
47 such trust agreement or resolution may be paid from the revenues or assets pledged or assigned
48 to the payment of the principal of and the interest on obligations or from any other funds available
49 to the Agency.

50 **"§ 122F-12. Validity of any pledge.**

1 The pledge of any assets or revenues of the Agency to the payment of the principal of or the
2 interest on any obligations of the Agency shall be valid and binding from the time when the
3 pledge is made and any such assets or revenues shall immediately be subject to the lien of such
4 pledge without any physical delivery thereof or further act, and the lien of any such pledge shall
5 be valid and binding as against all parties having claims of any kind in tort, contract or otherwise
6 against the Agency, irrespective of whether such parties have notice thereof. Nothing herein shall
7 be construed to prohibit the Agency from selling any assets subject to any such pledge except to
8 the extent that any such sale may be restricted by the trust agreement or resolution providing for
9 the issuance of such obligations.

10 **"§ 122F-13. Trust funds.**

11 Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to
12 the authority of this Chapter shall be deemed to be trust funds to be held and applied solely as
13 provided in this Chapter. The resolution authorizing any obligations or the trust agreement
14 securing the same may provide that any of such moneys may be temporarily invested pending
15 the disbursement thereof and shall provide that any officer with whom, or any bank or trust
16 company with which, such moneys shall be deposited shall act as trustee of such moneys and
17 shall hold and apply the same for the purposes hereof, subject to such regulations as this Chapter
18 and such resolution or trust agreement may provide.

19 Any moneys received pursuant to the authority of this Chapter and any other moneys
20 available to the Agency for investment may be invested:

- 21 (1) As provided in G.S. 159-30, except that for purposes of G.S. 159-30(b) the
22 Agency may deposit moneys at interest in banks or trust companies outside as
23 well as in this State, as long as any moneys at deposit outside this State are
24 collateralized to the same extent and manner as if at deposit in this State.
- 25 (2) In evidences of ownership of, or fractional undivided interests in, future
26 interest and principal payments on either direct obligations of the United
27 States government or obligations the principal of and the interest on which are
28 guaranteed by the United States government, which obligations are held by a
29 bank or trust company organized and existing under the laws of the United
30 States of America or any state in the capacity of custodian.
- 31 (3) In repurchase agreements with respect to (i) direct obligations of the United
32 States government, (ii) obligations the principal of and the interest on which
33 are guaranteed by the United States government, or (iii) obligations described
34 in G.S. 159-30(c)(2), (3), (6), or (7), if all of the following conditions are met:
- 35 a. The repurchase agreement is entered into with an institution whose
36 ability to pay its unsecured long-term obligations (including, if the
37 institution is an insurance company, its claims paying ability) is rated
38 in one of the two highest ratings categories by a nationally recognized
39 securities rating agency. If the term of the repurchase agreement is for
40 a period of one year or less, however, the repurchase agreement may
41 be entered into with an institution that does not have such a long-term
42 rating if its ability to pay its unsecured short-term obligations is rated
43 in one of the two highest ratings categories by a nationally recognized
44 securities rating agency. If the institution with which the agreement is
45 to be entered does not meet the ratings requirement of this
46 subparagraph, the repurchase agreement may nevertheless be entered
47 into with the institution if the obligations of the institution under the
48 repurchase agreement are fully guaranteed by another institution that
49 does meet the ratings requirement of this subparagraph.
- 50 b. The repurchase agreement provides that it shall be terminated, without
51 penalty, if the institution with which the repurchase agreement is

1 entered or by whom the institution's obligations are guaranteed fails to
2 maintain (i) in the event that the repurchase agreement was entered
3 into in reliance upon the rating of the institution's long-term
4 obligations, a rating of its long-term obligations in one of the three
5 highest ratings categories by at least one nationally recognized
6 securities rating agency, or (ii) in the event that the repurchase
7 agreement was entered into in reliance upon the rating of the
8 institution's short-term obligations, a rating of its short-term
9 obligations in one of the two highest ratings categories by at least one
10 nationally recognized securities rating agency. The repurchase
11 agreement does not have to be terminated, however, if a new guarantor
12 meeting the rating requirement set forth in subparagraph a. as the
13 requirement necessary for the Agency to enter the repurchase
14 agreement agrees to fully guarantee the obligations of the institution
15 under the repurchase agreement.

16 c. The obligations that are subject to the repurchase agreement are
17 delivered (in physical or in book entry form) to the Agency, or any
18 financial institution serving either as trustee for obligations issued by
19 the Agency or as fiscal agent for the Agency or the State Treasurer or
20 are supported by a safekeeping receipt issued by a depository
21 satisfactory to the Agency. The repurchase agreement must provide
22 that the value of the underlying obligations shall be maintained at a
23 current market value, calculated at least daily, of not less than one
24 hundred percent (100%) of the repurchase price. The financial
25 institution serving either as trustee or as fiscal agent for the Agency
26 holding the obligations subject to the repurchase agreement hereunder
27 or the depository issuing the safekeeping receipt shall not be the
28 provider of the repurchase agreement.

29 d. A valid and perfected first security interest in the obligations which
30 are the subject of the repurchase agreement has been granted to the
31 Agency or its assignee or book entry procedures, conforming, to the
32 extent practicable, with federal regulations and satisfactory to the
33 agency have been established for the benefit of the Agency or its
34 assignee.

35 e. The securities are free and clear of any adverse third-party claims.

36 f. The repurchase agreement is in a form satisfactory to the Agency.

37 **"§ 122F-14. Remedies.**

38 Any holder of obligations issued under the provisions of this Chapter or any coupons
39 appertaining thereto, and the trustee under any trust agreement or resolution authorizing the
40 issuance of such obligations, except to the extent the rights herein given may be restricted by
41 such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or
42 other proceeding, protect and enforce any and all rights under the laws of the State or granted
43 hereunder or under such trust agreement or resolution, or under any other contract executed by
44 the Agency pursuant to this Chapter, and may enforce and compel the performance of all duties
45 required by this Chapter or by such trust agreement or resolution to be performed by the Agency
46 or by any officer thereof.

47 **"§ 122F-15. Negotiable instruments.**

48 Notwithstanding any of the foregoing provisions of this Chapter or any recitals in any
49 obligations issued under the provisions of this Chapter, all such obligations and interest coupons
50 appertaining thereto shall be and are hereby made negotiable instruments under the laws of this
51 State, subject only to any applicable provisions for registration.

1 **"§ 122F-16. Obligations eligible for investment.**

2 Obligations issued under the provisions of this Chapter are hereby made securities in which
3 all public officers and public bodies of the State and its political subdivisions, all insurance
4 companies, trust companies, banking associations, investment companies, executors,
5 administrators, trustees and other fiduciaries may properly and legally invest funds, including
6 capital in their control or belonging to them. Such obligations are hereby made securities which
7 may properly and legally be deposited with and received by any State or municipal officer or any
8 agency or political subdivision of the State for any purpose for which the deposit of bonds, notes
9 or obligations of the State is now or may hereafter be authorized by law.

10 **"§ 122F-17. Refunding obligations.**

11 The Agency is hereby authorized to provide for the issuance of refunding obligations for the
12 purpose of refunding any obligations then outstanding which shall have been issued under the
13 provisions of this Chapter, including the payment of any redemption premium thereon and any
14 interest accrued or to accrue to the date of redemption of such obligations and, if deemed
15 advisable by the Agency, for any corporate purpose of the Agency. The issuance of such
16 obligations, the maturities and other details thereof, the rights of the holders thereof, and the
17 rights, duties and obligations of the Agency in respect of the same shall be governed by the
18 provisions of this Chapter which relate to the issuance of obligations, insofar as such provisions
19 may be appropriate therefor.

20 Refunding obligations may be sold or exchanged for outstanding obligations issued under
21 this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized
22 purposes, to the purchase, redemption or payment of such outstanding obligations. Pending the
23 application of the proceeds of any such refunding obligations, with any other available funds, to
24 the payment of the principal, accrued interest and any redemption premium on the obligations
25 being refunded, and, if so provided or permitted in the resolution authorizing the issuance of such
26 refunding obligations or in the trust agreement securing the same, to the payment of any interest
27 on such refunding obligations and any expenses in connection with such refunding, such
28 proceeds may be invested in direct obligations of, or obligations the principal of and the interest
29 on which are unconditionally guaranteed by, the United States of America which shall mature or
30 which shall be subject to redemption by the holders thereof, at the option of such holders, not
31 later than the respective dates when the proceeds, together with the interest accruing thereon, will
32 be required for the purposes intended.

33 **"§ 122F-18. Oversight by committees of General Assembly; annual report; audit;**
34 **construction of Chapter.**

35 (a) Oversight. – The Finance Committee of the House of Representatives, the Finance
36 Committee of the Senate, and the Joint Legislative Oversight Committee on Health and Human
37 Services shall exercise continuing oversight of the Agency in order to assure that the Agency is
38 effectively fulfilling its statutory purpose.

39 (b) Comprehensive Report. – The Agency shall, on or before February 15 of each year,
40 submit an annual comprehensive report of its activities for the preceding year to the Governor,
41 the Office of State Budget and Management, State Auditor, the Local Government Commission,
42 the Joint Legislative Oversight Committee on Health and Human Services, and the Fiscal
43 Research Division. The comprehensive report required under this subsection shall include at least
44 all of the following:

45 (1) The goals and objectives of the program administered by the Agency.

46 (2) The number and types of activities funded by the Agency.

47 (c) Audit. – The Agency shall cause an audit of its books and accounts to be made at least
48 once in each year by an independent certified public accountant and the cost thereof may be paid
49 from any available moneys of the Agency.

50 (d) Construction. – Nothing in this Chapter shall be construed as requiring the Agency to
51 receive legislative approval for the exercise of any of the powers granted by this Chapter.

1 **"§ 122F-19. Officers not liable.**

2 No member or other officer of the Agency shall be subject to any personal liability or
3 accountability by reason of his execution of any obligations or the issuance thereof.

4 **"§ 122F-20. Authorization to accept appropriated moneys.**

5 The Agency is authorized to accept such moneys as may be appropriated from time to time
6 by the General Assembly for effectuating its corporate purposes including, without limitation,
7 the payment of the initial expenses of administration and operation and the establishment of a
8 reserve or contingency fund to be available for the payment of the principal of and the interest
9 on any bonds or notes of the Agency.

10 **"§ 122F-21. Tax exemption.**

11 The exercise of the powers granted by this Chapter will be in all respects for the benefit of
12 the people of the State, for their well-being and prosperity and for the improvement of their social
13 and economic conditions, and the Agency shall not be required to pay any tax or assessment on
14 any property owned by the Agency under the provisions of this Chapter or upon the income
15 therefrom.

16 Any obligations issued by the Agency under the provisions of this Chapter shall at all times
17 be free from taxation by the State or any local unit or political subdivision or other instrumentality
18 of the State, excepting inheritance or gift taxes, income taxes on the gain from the transfer of the
19 obligations, and franchise taxes. The interest on the obligations is not subject to taxation as
20 income.

21 **"§ 122F-22. Conflict of interest.**

22 If any member, officer or employee of the Agency shall be interested either directly or
23 indirectly, or shall be an officer or employee of or have an ownership interest in any firm or
24 corporation interested directly or indirectly in any contract with the Agency, including any loan
25 to any sponsor, builder or developer, such interest shall be disclosed to the Agency and shall be
26 set forth in the minutes of the Agency, and the member, officer or employee having such interest
27 therein shall not participate on behalf of the Agency in the authorization of any such contract.

28 **"§ 122F-23. Additional method.**

29 The foregoing sections of this Chapter shall be deemed to provide an additional and
30 alternative method for the doing of the things authorized thereby and shall be regarded as
31 supplemental and additional to powers conferred by other laws, and shall not be regarded as in
32 derogation of any powers now existing; provided, however, that the issuance of bonds or notes
33 under the provisions of this Chapter need not comply with the requirements of any other law
34 applicable to the issuance of bonds or notes.

35 **"§ 122F-24. Chapter liberally construed.**

36 This Chapter, being necessary for the prosperity of the State and its inhabitants, shall be
37 liberally construed to effect the purposes thereof.

38 **"§ 122F-25. Inconsistent laws inapplicable.**

39 Insofar as the provisions of this Chapter are inconsistent with the provisions of any general
40 or special laws, or parts thereof, the provisions of this Chapter shall be controlling."

41 **SECTION 1.(b)** Notwithstanding the requirements of G.S. 122F-4, as enacted by
