(a) Notwithstanding any provision of law to the contrary, no prohibited foreign party shall purchase, acquire, lease, or hold any interest in the following:

- (1) Agricultural land.
- (2) Property situated within a 25-mile radius of a military installation.

(b) Except as provided in this section, a prohibited foreign party shall not acquire by grant, purchase, devise, descent, or otherwise, any interest, other than a de minimis direct interest, in land described in subsection (a) of this section in this State regardless of how the prohibited foreign party intends to use the land. A party may not knowingly hold land as an agent, trustee, or other fiduciary for a prohibited foreign party in violation of this section. A prohibited foreign party that acquires land in violation of this section remains in violation as long as the prohibited foreign party holds an interest in the land. A prohibited foreign party who is a resident alien of the United States shall have the right to acquire and hold land described in subsection (a) of this

section in the State upon the same terms as a citizen of the United States during the continuance of the party's residence in this State.

(c) A prohibited foreign party that has acquired any interest in land described in subsection (a) of this section in this State prior to the effective date of this section may continue to own or hold that interest, but may not acquire by grant, purchase, devise, descent, or otherwise, any additional interest in land described in subsection (a) of this section in this State and must register with the Secretary of State and the Attorney General. The Secretary of State and the Attorney General shall maintain one joint database of those foreign parties that have registered, and the database shall be accessible and searchable by the public on each agency's website. The Secretary of State and the Attorney General shall establish a registration form for the purposes of this subsection and the form shall include at least the following:

- (1) The name of the owner of the land or the owner of the interest in the land.
- (2) The address of the land, the parcel identification number, and the property's legal description.
- (3) The number of acres of the land.
- (4) The mailing address of the owner of the land.
- (5) Country of citizenship and residency status or country of incorporation of the owner of the land or the owner of the interest in the land.

(d) A prohibited foreign party that fails to timely file a registration with the Secretary of State and/or the Attorney General is subject to a civil penalty of not less than one thousand dollars (\$1,000) for each day that the registration is late, the clear proceeds of which shall be remitted to the Civil Fines and Forfeitures Fund, in accordance with G.S. 115C-457.2. The unpaid balance of any penalties assessed under this subsection shall constitute a lien against the land if a Notice of Foreign Ownership Violation Lien has been recorded by the Attorney General in the office of the register of deeds in the county where the property is located, and the lien shall have priority from the date and time of recordation and shall be enforced by the Attorney General.

(e) A prohibited foreign party that acquires land described in subsection (a) of this section on or after the effective date of this section, by devise or descent, through the enforcement of security interests, or through the collection of debts, other than a de minimis direct interest, shall sell, transfer, or otherwise divest itself of the land within three years after acquiring the land.

(f) At the time of purchase, a buyer of any interest in land described in subsection (a) of this section shall provide an affidavit signed under penalty of perjury attesting that the buyer is (i) not a prohibited foreign party and (ii) in compliance with the requirements of this section. The affidavit is not required to be notarized and shall be attached as an exhibit to the deed or other document that conveys an ownership interest in the land. The failure to obtain or maintain the affidavit shall not affect the title or insurability of the title for the land, and shall not result in civil or criminal liability to any person or entity, unless the person or entity is in violation of subsection (k) of this section herein, or subject any nonparty to the purchase to civil or criminal liability, unless a nonparty to the purchase has actual knowledge that the transaction will result in a violation of this section. The Real Estate Commission shall establish the form for the affidavit required under this subsection.

(g) Upon receipt of information that leads the Attorney General to believe that a prohibited foreign party has not divested itself of the land described in subsection (a) of this section as required under subsection (e) of this section, the Attorney General shall enforce a violation of this section by commencing a receivership proceeding in the county where the property is situated under Article 38A of Chapter 1 of the General Statutes seeking the appointment of a general receiver pursuant to G.S. 1-507.24(e1). Any interest in real property acquired or held in violation of this section shall be subject to divestiture pursuant to G.S. 64-64.

(h) A violation of this section by an adversarial foreign government may, at the discretion of the noteholder, be deemed a default under a loan, mortgage, or deed of trust and shall provide the lender the automatic right to trigger default on the loan, mortgage, or deed of trust.

(i) The responsibility for determining whether an individual or other entity is subject to this Article, pursuant to either civil or criminal law, rests solely with the adversarial foreign government and the State of North Carolina and no other individual or entity.

(j) Title to land described in subsection (a) of this section is not invalid or subject to divestiture due to a violation of this section by any former owner or any other person holding or owning a former interest in the land described in subsection (a) of this section.

(k) A party who knowingly sells an interest in land described in subsection (a) of this section in violation of this section or who has actual knowledge that the transaction will result in a violation of this section but aids and abets a party in knowingly selling an interest in land described in subsection (a) of this section, shall be guilty of a Class 2 misdemeanor. It is an affirmative defense to prosecution under this subsection that a prohibited foreign party is a resident alien of this State.

(l) An individual or other entity who is not an adversarial foreign government shall bear no civil or criminal liability for failing to determine or make inquiry of whether an individual or other entity is an adversarial foreign government.

(m) This Article does not create or authorize a private right of action to enforce the provisions of this Article.

**"§ 64-64. Divestiture procedure.**

- (1) Appearances of witnesses.
- (2) Production of relevant records.
- (3) Giving of relevant testimony.

(b) The Attorney General shall enforce a violation of G.S. 64-63 by commencing a receivership proceeding under Article 38A of Chapter 1 of the General Statutes seeking the appointment of a general receiver pursuant to G.S. 1-507.24(e1). The following apply to a receivership proceeding initiated pursuant to this section:
