**NORTH CAROLINA STATE BOARD OF EXAMINERS FOR
NURSING HOME ADMINISTRATORS
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2025**

Introduction

The following is a discussion and analysis of the North Carolina State Board of Examiners for Nursing Home Administrators' (the "Board") financial performance for the fiscal year ended June 30, 2025. Please read it in conjunction with the financial statements which follow this section.

Financial Highlights

The operating revenues of the Board increased by \$44,085 or 9%, due primarily to increases in biennial renewals, license fees, exam fees, and AIT 6-day lecture class.

The operating expenses of the Board decreased by \$3,616 or 0.8%, due primarily to decreases in salaries, seminars, and honorariums.

The non-operating revenues of the Board did not change.

Overview of the Basic Financial Statements

This discussion and analysis is an introduction to the Board's basic financial statements, which are comprised of two components: 1) financial statements, and 2) notes to financial statements. This report also contains this required supplementary information in addition to the basic financial statements.

Basic Financial Statements

The basic financial statements of the Board report information about the Board using accounting methods similar to those used by private sector companies. These statements offer short and long-term financial information about the activities of the Board.

The Statements of Net Position present the current and non-current portions of assets and liabilities separately.

The Statements of Revenues, Expenses, and Changes in Net Position present information on how the Board's assets changed as a result of the year's operations.

The Statements of Cash Flows present information on how the Board's cash changed as a result of the year's activity.

Independent Auditor's Report

Members of the Board
North Carolina State Board of Examiners for Nursing Home Administrators
Raleigh, North Carolina

Opinion

We have audited the statements of net position of the North Carolina State Board of Examiners for Nursing Home Administrators (the "Board") as of June 30, 2025 and 2024, and the related statements of revenues, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements, which collectively comprise the Board's basic financial statements.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the Board as of June 30, 2025 and 2024, and the changes in its financial position and its cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the North Carolina State Board of Examiners for Nursing Home Administrators and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the North Carolina State Board of Examiners for Nursing Home Administrators' ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Board's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the North Carolina State Board of Examiners for Nursing Home Administrators and do not purport to and do not present fairly the financial position of the State of North Carolina as of June 30, 2025 and 2024, or the changes in its financial position and its cash flows thereof for the years then ended in conformity with U.S. GAAP.

Required Supplementary Information

U.S. GAAP requires that the Management's Discussion and Analysis on pages 1-2 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Description of Organization

The North Carolina State Board of Examiners for Nursing Home Administrators (the "Board") is an occupational licensing board, established under Chapter 90 of the North Carolina General Statutes to maintain minimum standards for services provided by nursing home administrators within the State of North Carolina. The Board's operations are funded primarily through license renewals and license application fees.

The Board is considered an independent agency of the State of North Carolina for financial reporting purposes. The Board members are appointed by the Governor.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board ("GASB").

All activities of the Board are accounted for within a single proprietary (enterprise) fund. Proprietary funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the cost of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Reporting Entity

The concept underlying the definition of the financial reporting entity is that elected officials are accountable to their constituents for their actions. As required by accounting principles generally accepted in the United States of America ("U.S. GAAP"), the financial reporting entity includes both the primary government and all of its component units. An organization other than a primary government serves as a nucleus for a reporting entity when it issues separate financial statements. The accompanying financial statements present all funds and activities for which the Board is responsible.

For financial reporting purposes, the Board is a nonmajor enterprise fund of the primary government of the State of North Carolina and may be reported as such in the State's *Annual Comprehensive Financial Report* (ACFR). These financial statements for the Board are separate and apart from those of the State of North Carolina and do not present the financial position of the State nor changes in the State's financial position and cash flows.

The accompanying basic financial statements present all funds and activities for which the Board is responsible.

Basis of Accounting

The basic financial statements of the Board are prepared using the economic resource measurement focus and the accrual basis of accounting. Under the accrual basis, revenues are recognized when earned, and expenses are recorded when a liability has been incurred, regardless of the timing of the cash flows.

**NORTH CAROLINA STATE BOARD OF EXAMINERS FOR
NURSING HOME ADMINISTRATORS
Notes to Financial Statements**

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

The Board classifies its revenues and expenses as operating and non-operating in the accompanying statements of revenues, expenses, and changes in net position. Operating revenues include activities that have characteristics of exchange transactions and consist primarily of examination and license fees. Non-operating revenues and expenses include activities that have characteristics of non-exchange transactions and consist primarily of investing type activities.

Cash

Cash is comprised of amounts held in checking and savings accounts at a bank.

Right-To-Use Leased Asset and Lease Liabilities

Leases that provide the Board the right-to-use an asset for a period of more than one year are considered a capital asset. Right-to-use leased assets are recorded at the initial measurement of the lease liability which equals the present value of all payments expected to be made during the lease term. The right-to-use leased assets are amortized on a straight-line basis over the term of the lease(s).

Lease liabilities represent the Board's financial obligation to make lease payments during the term of the lease and is measured at the present value of future lease payments.

Property and Equipment

Property and equipment, including software purchases, are recorded at cost at the date of acquisition. The Board capitalizes assets that have a cost of \$500 or greater at the date of acquisition and an expected useful life in excess of two years.

Depreciation is computed using the straight-line method over the following useful lives:

Leasehold improvements	10 years
Furniture, equipment and software	3-10 years

When an asset is disposed of, the cost of the asset and the related accumulated depreciation are removed from the books. Any gain or loss on disposition is reflected in non-operating revenue or expense for the period.

Unearned Revenues

The Board's license renewal fees are assessed and collected for a fiscal period of 2 years, beginning October 1st. License renewal fees received in advance are deferred and recognized as revenue over the 2-year period to which they relate. The Board also collects fees for training classes in advance of the year they are given: therefore the Board defers those revenues until the classes take place.

**NORTH CAROLINA STATE BOARD OF EXAMINERS FOR
NURSING HOME ADMINISTRATORS**
Notes to Financial Statements

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Vacation and Sick Leave

The Board has chosen to follow the state's policy which provides for a maximum accumulation of unused vacation leave of 30 days which can be carried forward at the end of each year, or for which an employee can be paid upon termination of employment.

The Board, in accordance with state policy, records the cost of sick leave taken when paid rather than when the leave is earned. The accumulation of sick leave is unlimited, but the employee cannot be compensated for any unused sick leave upon termination of employment.

Net Position

The Board's net position is classified as follows:

Invested in Capital Assets - This component of net position represents the Board's total investment in capital assets. Capital assets include property and equipment, net of accumulated depreciation; right-to-use leased assets, net of accumulated amortization; and related lease liabilities.

Unrestricted - This component of net position consists of the Board's net position that does not meet the definition of restricted or invested in capital assets. The Board has reserved unrestricted net position up to \$500,000 for purposes of payment for legal services and the related costs for conducting administrative hearings and related appeals for the defense of Board members, employees and contractors of the Board in the event of claims against Board members, employees or contractors.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates and assumptions, resulting in adjustments in future periods.

Adoption of New Accounting Standard

On July 1, 2024, the Board adopted the requirements of GASB Statement 101, *Compensated Absences*. The Statement revises the accounting requirements related to recognition of compensated absences. The Board does not expect Statement 101 to have a significant impact on its financial condition or results of operations on an ongoing basis.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Board maintains its cash balances with a financial institution located in Raleigh, North Carolina. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per institution. At June 30, 2025, the Board has \$296,195 in deposits at financial institutions that exceeded amounts insured by the FDIC.

NOTE 4 - COMPENSATED ABSENCES

Changes to compensated absences are as follows:

NOTE 5 - RETIREMENT PLAN

The Board has a simplified employee pension plan covering all employees who are at least 21 years of age, have performed services for the Board for 3 months, and whose total compensation during the year is more than \$450. Benefit terms are established by the board of directors and may be changed by the board of directors. The Board contributes 10.83% of an employee's compensation. Employees are not permitted to defer additional amounts under the plan. For the years ended June 30, 2025 and 2024, the Board contributed \$18,649 and \$14,552, respectively, on behalf of its employees.

NOTE 6 - RIGHT-TO-USE LEASED ASSETS AND RELATED LEASE LIABILITIES

The Board has a lease providing the right-to-use office space for a term of three years beginning December 1, 2024 and ending November 30, 2027. The lease requires monthly payments of \$3,308 for the term of the lease.

NOTE 7 - RISK MANAGEMENT

The Board is exposed to various risks of loss related to torts; theft of, damage to, and the destruction of assets; errors and omissions; injuries to employees; and natural disasters. Tort claims of Board members up to \$1,000,000 are self-insured by the State under the authority of the State Tort Claims Act. Additional coverage is provided to the Board under the State's public officers' and employees' liability insurance contract with a private insurance company.

NOTE 8 - COMMITMENTS

The Board has executed contracts with Kingston Plantation, a Hilton and Embassy Suites property, to hold the annual Preceptor Seminar in their facility through 2026. Under these contracts, the Board is liable for certain cancellations when made according to a fixed schedule. There is also a performance damages clause if the event is held but Kingston Plantation does not realize a specified percentage of anticipated revenue from the event.

On November 21, 2024, the Board executed a new lease agreement for the continued use of office space. The lease term is thirty-six months beginning December 1, 2024 and ending November 30, 2027. The lease requires monthly payments of \$3,308 during the term of the lease. The right-to-use leased asset and related lease liability for this lease are included in Note 6.

NOTE 9 - SUBSEQUENT EVENTS

Management of the Board evaluated subsequent events through September 19, 2025, which is the date the financial statements were available to be issued. Management discovered no subsequent events that should be disclosed.

The Board's audit was conducted in approximately 45 hours at a cost of \$9,000.
