\* The North Carolina Board of Nursing (NCBON) supervises the licenses of licensed practical nurses and registered nurses. The NCBON also supervises the nurse aide II listings, approvals to practice for nurse practitioners, and the recognition of certified registered nurse anesthetists and clinical nurse specialists.

\*\* Due to an ongoing investigation facilitated by the US Department of Justice and the FBI related to selling fraudulent documents, transcripts, and nursing degrees, the NCBON did not process applications for these applicants to permit taking the examination.

\*\*\* Reported count reflects number of suspended, revoked, voluntary surrender, inactive, retired and deceased status licenses for FY 2024-2025.

\*\*\*\* This includes all application types, including renewals.

\*\*\*\*\* North Carolina is a member of the nurse licensure compact. Active-duty military, military veterans, and military spouses who wish to work in North Carolina on their compact nursing license do not need to apply to the NCBON for an additional license to work in the state. Information in this report reflects active-duty military, military veterans, and military spouses who applied directly for a North Carolina license by endorsement instead of

practicing on a compact license.

(10) The substance of any anticipated request by the occupational licensing board to the General Assembly to amend statutes related to the occupational licensing board.

In FY 2024-2025, the North Carolina Board of Nursing (NCBON) requested statutory amendments to Article 9A Nursing Practice Act related to § 90-171.27 Expenses payable from fees collected by Board

(11) The substance of any anticipated change in rules adopted by the occupational licensing board or the substance of any anticipated adoption of new rules by the occupational licensing board.

The NCBON operates under the NC Administrative Code Title 21 Occupational Licensing Boards Chapter 36 - Board of Nursing. In FY 2024-2025, the Board amended the following Rules:

21 NCAC 36 .0211 Eligibility and Application for Licensure by Examination (effective March 1, 2025)  
21 NCAC 36 .0218 Licensure by Endorsement (effective March 1, 2025)

(b) No later than October 31 of each year, each occupational licensing board shall file electronically with the Secretary of State, the Attorney General, the Office of State Budget and Management, and the Joint Legislative Administrative Procedure Oversight Committee a financial report that includes the source and amount of all funds credited to the occupational licensing board and the purpose and amount of all funds disbursed by the occupational licensing board during the previous fiscal year.

Financial statements are prepared in accordance with generally accepted accounting principles in the United States as prescribed by Governmental Accounting Standards Board (GASB). The financial statements report all activities of the North Carolina Board of Nursing using the full accrual basis of accounting. Revenues are recognized in the accounting period in which they are earned and become measurable. Licenses are renewed for a period of two years. License renewal fees are deferred and recognized as revenue over the two-year period to which they relate.
