Dear Dr. Sangvai:

Pursuant to §120-14 of the North Carolina General Statutes, the House Select Committee on Oversight and Reform (“the Committee”) requests your appearance to testify on April 16, 2026, at 9:00 am in the Legislative Building Auditorium.

As you know, Medicaid is one of the largest expenditures in the State budget, commanding more than \$35 billion in actual expenditures in the fiscal year ending June 30, 2025. Every part of the program makes it susceptible to fraud, waste, and abuse: the sheer size of the program, the reliance on federal and private receipts for most of the program’s funding, the federal rules that have allowed provider taxes and other schemes to increase federal funds, and the problems inherent in third-party payment for medical care we see elsewhere.

In your role as Secretary of the North Carolina Department of Health and Human Services, please be prepared to address Medicaid fraud, waste, and abuse and the policy, process, data, investigation, and other safeguards currently in place to protect the integrity of the program.

To ensure a complete and accurate record, the Committee further requests that the Department of Health and Human Services (“DHHS”) produce the following records for the period January 1, 2023, through the present, by 12:00 noon on April 7, 2026:

1. All reports, summaries, or data reflecting Medicaid fraud, waste, and abuse identified by DHHS, including audits, investigations, and program integrity reviews.
2. All records reflecting referrals of suspected Medicaid fraud, waste, or abuse made by DHHS to the Department of Justice or other enforcement entities, including the date, nature of the referral, and disposition.
3. All internal tracking logs, reports, or records reflecting pending or unresolved fraud, waste, or abuse cases, including any backlog or delay in review or referral.
4. All records reflecting audits, compliance reviews, or integrity checks conducted on Medicaid providers, vendors, or managed care entities.
5. All records identifying high-risk areas within the Medicaid program for fraud, waste, or abuse, including any internal risk assessments or analyses.
6. All policies, procedures, or internal guidance governing program integrity, fraud detection, audits, and referrals to law enforcement.
7. Organizational charts for all DHHS program integrity units, including records reflecting authorized positions, filled positions, vacancies, and staffing levels.
8. All records reflecting budget allocations, expenditures, and funding sources for program integrity and fraud prevention efforts.
9. All communications between DHHS and the Department of Justice relating to Medicaid fraud, waste, or abuse, including referrals and coordination efforts.
10. All agreements, memoranda of understanding, or protocols governing coordination between DHHS and DOJ regarding fraud investigations and enforcement.
11. All records related to high-cost drivers within the Medicaid program, including pharmaceutical spending, utilization, and oversight related to GLP-1 drugs or similar high-cost therapies.
12. All complaints, tips, or whistleblower reports received by DHHS related to Medicaid fraud, waste, or abuse, and records reflecting how those complaints were handled.
13. All reports, audits, or evaluations related to the effectiveness of DHHS program integrity efforts.

Please read this letter carefully to ensure that you comply with all hearing requirements and that you understand your rights as a witness.

Each witness who is to appear before the House Oversight Committee must file with Committee Staff a written statement of proposed testimony. This must be filed by 12:00 noon one week before your appearance. Failure to comply with this requirement may result in the exclusion of your written testimony from the hearing record, the barring of your oral presentation of the testimony, or both. Responses to questions at the hearing should be limited to no more than five minutes per response.

A witness appearing before the Committee must include with their written testimony and a current résumé summarizing education, experience, and affiliations pertinent to the subject matter of the hearing.

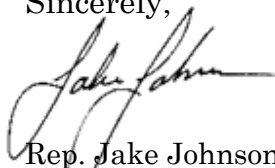

Witnesses at hearings may be accompanied by counsel to advise them concerning their constitutional rights but accompanying counsel shall not directly respond to questions. We reserve the right to place any witness under oath. Finally, witnesses may obtain a transcript copy of their testimony given in open, public session, or in a closed session only when authorized by the Committee.

To fully prepare for this hearing, your testimony must be submitted electronically in Microsoft Word (docx), PowerPoint (pptx), or Adobe Acrobat (pdf) format to Mary.Moorefield@ncleg.gov no later than 12:00 noon one week before the hearing.

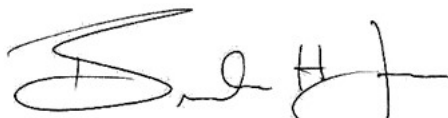

Accommodations for individuals with disabilities, including assistive listening systems, interpreters, and materials in alternate formats, may be arranged by contacting Committee Staff in advance of the hearing.

Should you or your staff have any questions or need additional information, please contact Mary Moorefield at (919) 301-2025 or Mary.Moorefield@ncleg.gov.

Sincerely,

Rep. Jake Johnson
