G.S. 115C-269.35(b) directs the State Board of Education to require all recognized Educator Preparation Programs (EPPs) to submit annual performance reports to provide a focused review of the EPPs and ensure that the programs produce graduates that are well prepared to teach. Reporting includes a number of indicators that follow educator preparation including admission, program completion, testing, employment, and retention.

G.S. 115C-269.50 directs the State Board of Education to create an annual report card for each EPP that summarizes the data collected in G.S. 115C-269.35(b) into a user-friendly format for the public and provide the ability to easily compare annual report card information between EPPs.

To address these requirements in law, DPI developed the online EPP dashboard located on the DPI website at [EPP Performance | NC DPI](#).
