

North Carolina Farm Bureau Foundation for Agriculture in the Classroom, Inc.
Activities and Accomplishments

S.L. 2011-145 Section 14.10(a)

Report Due Date: September 1, 2012

Submitted Date: September 10, 2012

Receiving Entity: North Carolina Farm Bureau Foundation for Agriculture in the Classroom, Inc.

Submitting Entity: North Carolina Department of Agriculture and Consumer Services

Original Objectives: Plan, prepare and deliver two 3 day summer workshops for NC Teachers.

2011 Accomplishments: A total of 22 elementary teachers attended the Ag in the Classroom workshop held at Chowan University, June 25, 2012. Utilizing the expertise and experience of four actively-employed teachers-all either nationally certified or holding masters' degrees in education led the workshop.

1. Were introduced to agriculture, the leading industry in North Carolina.
2. Made familiar with a body of curricula aligned with Common Core and Essential Standards stressing real world learning experiences.
3. Visited a local farming operation.
4. Became familiar with local resources available to teachers and their students.

For Period July 1, 2011 through June 30, 2012

Total Receipts: North Carolina Department of Agriculture and Consumer Services	\$ 22,077.00
Total Expenditures:	\$ <u>8,049.53</u>
Unexpended Cash Balance:	\$ 14,027.47
