**BACK-TO-WORK PROGRAM**

# Laying the Foundation

## 2012: First-round funding

- 1 of 10 colleges received a State allocation
- Offered financial resources to a population with limited options
- Provided a mechanism for designing a comprehensive process for retraining and re-employment

## 2013: Second-round funding

- 1 of 5 colleges received maximum amount of funding
- Continued to refine and improve the process
