ACTING STATE CONTROLLER

MEMORANDUM

TO: Members of the Joint Legislative Commission on Governmental Operations

FROM: James G. Dolan 

SUBJECT: Analysis of Special Reserve Account 24172

For each fiscal year since 1999, the General Assembly has directed the Office of the State Controller to negotiate a contract with a third party to perform an audit and collect inadvertent overpayments by State agencies to vendors as a result of pricing errors, neglected rebates and discounts, miscalculated freight charges, unclaimed refunds, erroneously paid excise taxes, and related errors (NCGS §147-86.22(c)). Excluded from the third-party audit is the purchase of medical services by State agencies or payments used to reimburse or otherwise pay for health care services. The General Assembly directed that the third party be compensated only from funds recovered as a result of the audit and that the receipts generated through the collection process be deposited in the Special Reserve Account 24172.

As directed by the General Assembly, the State Controller must report to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division on the revenue deposited into the Special Reserve Account 24172 and the disbursement of that revenue.
