

Amna, Amanda, and Mary,

Pursuant to G.S. 20-37.01, the Division of Motor Vehicles is required to report on all funds collected and deposited into the Drivers License Technology Fund and on the proposed expenditure of funds collected during the preceding six months.

As you know, this is an inactive account, and no funds have been collected or deposited during the last six months.

All the best,

Deans Eatman
Legislative Liaison
Office of the Secretary
NC Department of Transportation
