LDI SHALLOTTE 179 HOLDINGS, LLC v. NC DEQ	COA24-443	NC Court of Appeals			X	Challenge to agency's failure to issue stormwater permit allegedly resulting in unconstitutional taking of property	The plaintiff contends that DEQ's actions denied LDI of a liberty or property interest and right to make full use of its property in violation of the 5th and 14th Amends of US Const. and Article I, Section 19 of NC Const. The plaintiff contends that DEQ violated substantive due process rights when it failed to issue a stormwater permit in a timely fashion. DEQ's actions constituted an actual or de facto taking of LDI's property without just compensation, by failing to take appropriate action in issuing/modifying a stormwater permit application. LDI alleges that DEQ's actions did not constitute a legitimate exercise of the State's powers. LDI appealed to the COA. The COA upheld the dismissal of LDI's claims for violations of due process and declaratory judgment. The COA also upheld the denial of LDI's motion for partial summary judgment. However, the COA overturned the superior court's dismissal of LDI's takings claims, holding that LDI had sufficiently pled these claims. Both LDI and DEMLR have asked the NC Supreme Court to review the decision of the COA.
