Funding Source(s): This position will be funded by reimbursement receipts transferred from the Department of Environment and Natural Resources (DENR).

Justification for Position (including description of duties and responsibilities):

This position will provide enforcement assistance to the DENR Division of Environmental Health in response to a new initiative of the Division to better enforce drinking water requirements related to private residential well operations. These increased enforcement efforts will ensure clean drinking water for North Carolina citizens and will create additional workload for legal staff. This position will address this increased demand.

Statutory Reference for Request: NCGS 114-4.
