Dear Senators and Representatives:

Section 14.2 of S.L. 2006-66, the 2006-07 Appropriations Act, authorizes the Judicial Department to use up to \$1,250,000 from funds available each year to provide the state match necessary to receive grant funds. This letter serves as our required report to the Chairs of the appropriations and Governmental Operations Subcommittees on Justice & Public Safety prior to using these funds.

The Judicial Department currently has 32 active federal grants through the Governor's Crime Commission, the Bureau of Justice Assistance, the Governor's Highway Safety Program, the State Justice Institute and other sources. Since we generally receive confirmation of new grant awards throughout the year, we anticipate this total to grow further between now and June 30th. As detailed in the attached spreadsheet, we intend to allocate \$1,140,000 of the \$1,250,000 at this time.

Sincerely,

A handwritten signature in black ink that reads "Ralph A. Walker".
